Annex B--Schedule of Equipment

Annex C--Lease

Annex D--Lease Assignment and Consent

CONDITIONAL SALE AGREEMENT NO. 2 dated as of October 26, 1978, between SHENANDOAH-VIRGINIA CORPORATION (hereinafter called the Vendor or Builder, as more particularly set forth in Article 1 hereof), and FUNDING SYSTEMS RAILCARS, INC., a Delaware corporation (hereinafter called the Vendee).

Builder and Vendee entered into a certain Purchase Order Agreement dated the date hereof. Builder and Vendee hereby agree to amend such Purchase Order Agreement but only insofar as such Purchase Order Agreement relates to the units of Equipment (as hereinafter defined) as are delivered and accepted hereunder and paid for pursuant to the provisions of the Assignment (as hereinafter defined) on or prior to December 31, 1979.

The Builder agrees to arrange to have constructed, to sell and deliver to the Vendee, and the Vendee agrees to purchase, the railroad equipment described in Annex B hereto (hereinafter called the Equipment).

The Vendee is entering into a lease dated as of May 1, 1979, with Upper Merion and Plymouth Railroad Company (hereinafter called the Lessee) in substantially the form annexed hereto as Annex C (hereinafter called the Lease).

The Lessee, FSC Corporation (the "Guarantor"), the Vendee, Refco Rail Equipment, Inc., and Aetna Business Credit, Inc. (the "Assignee") have entered into a Participation Agreement dated as of the date hereof (hereinafter called the Participation Agreement). The Builder proposes to assign its interests herein to the Assignee pursuant to the Assignment hereinafter referred to.

The Vendee proposes to transfer its interest in the Equipment, simultaneously with delivery thereof under this Agreement and prior to acceptance by Lessee under the Lease, to Refco Rail Equipment, Inc. (hereinafter called the Owner), subject, however, in all respects to the prior rights of the Vendor under this Agreement.

NOW, THEREFORE, in consideration of the mutual promises, covenants and agreements hereinafter set forth, the parties hereto do hereby agree as follows:

ARTICLE 1. Assignment; Definitions. The parties

hereto contemplate that the Vendee will furnish that portion of the Purchase Price (as hereinafter defined) for the Equipment as is required under subparagraph (a) of the third paragraph of Article 4 hereof and that an amount equal to the balance of such Purchase Price shall be paid to the Builder by the Assignee pursuant to an Agreement and Assignment dated as of May 1, 1979, between the Builder and the Assignee (such Agreement and Assignment being hereinafter called the Assignment).

The term "Vendor", whenever used in this Agreement, means, before any assignment of its rights hereunder, the first party listed in Item 1 of Annex A hereto and any successor or successors for the time being to its manufacturing properties and business, and, after any such assignment, both any assignee or assignees for the time being of such particular assigned rights as regards such rights, and also any assignor as regards any rights hereunder that are retained or excluded from any assignment; and the term "Builder", whenever used in this Agreement, means, both before and after any such assignment, the first party listed in Item 1 of Annex A hereto and any successor or successors for the time being to its manufacturing properties and business.

The Vendee will assign to the Vendor, as security for the payment and performance of all the Vendee's obligations hereunder, all right, title, and interest of the Vendee in and to the Lease, pursuant to an Assignment of Lease and Agreement in the form of Annex D hereto (hereinafter called the Lease Assignment) and the Lessee shall consent thereto pursuant to a Consent and Agreement in the form attached to Annex D (hereinafter called the Consent).

ARTICLE 2. Construction and Sale. Pursuant to this Agreement, the Builder shall arrange to have constructed the Equipment at the plant set forth in Annex B hereto, and will sell and deliver to the Vendee, and the Vendee will purchase from the Builder and accept delivery of and pay for (as hereinafter provided), the Equipment, each unit of which shall be constructed in accordance with the specifications referred to in Annex B hereto and in accordance with such modifications thereof as may be agreed upon in writing between the Builder, the Vendee and the Lessee (which specifications and modifications, if any, are hereinafter called the Specifications). The design, quality

and component parts of each unit of the Equipment shall conform, on the date of completion of manufacture thereof, to all Department of Transportation and Interstate Commerce Commission requirements and specifications and to all requirements, if any, in the Manual of Standards and Recommended Practices issued by the Association of American Railroads reasonably interpreted as being applicable to railroad equipment of the character of such unit, and each such unit will be new railroad equipment.

ARTICLE 3. Inspection and Delivery. The Builder will deliver the units of Equipment to the Vendee on the several Closing Dates (as hereinafter defined) at the place specified in Annex B hereto, freight charges, if any, prepaid, in accordance with the delivery schedule set forth in Annex B hereto; provided, however, that the Builder shall have no obligation to deliver any unit of Equipment hereunder except against payment to it of an aggregate amount equal to the full Purchase Price thereof, it being contemplated that an amount equal to that portion of the Purchase Price payable hereunder in installments will be paid to the Builder on such Closing Date by the Assignee pursuant to the Assignment.

Any Unit of Equipment not delivered and accepted hereunder and paid for pursuant to the provisions of the Assignment on or prior to December 31, 1979, shall be excluded from this Agreement but the Vendee shall be obligated to purchase such excluded Equipment pursuant to the Purchase Order Agreement dated as of October 26, 1978, between the Builder and the Vendee. Such Purchase Order Agreement shall be superseded by this Conditional Sale Agreement only with respect to Units of Equipment delivered and settled for hereunder and paid for pursuant to the provisions of the Assignment.

During construction, the Equipment shall be subject to inspection and approval by the authorized inspectors of the Vendee (who may be employees of the Lessee) and the Builder shall grant to such authorized inspectors reasonable access to the plant. The Builder agrees to inspect the materials used in the construction of the Equipment in accordance with the standard quality control practices of the Builder. Prior to delivery each unit of the Equipment shall be presented to an inspector of the Vendee for inspection at the place specified for delivery or at the Builder's plant specified in Annex B hereto, and if each such unit conforms to the Specifications, requirements and standards applicable thereto, such inspector or an authorized representative of the Vendee (who may be an employee of the Lessee) shall

execute and deliver to the Builder a certificate of inspection (hereinafter called the Certificate of Inspection) stating that such unit or units have been inspected and accepted on behalf of the Vendee and are marked in accordance with Article 9 hereof; provided, however, that the Builder shall not thereby be relieved of its warranty referred to in Article 13 hereof. Vendee shall execute a certificate of acceptance (hereinafter called the Certificate of Acceptance) upon delivery of the Equipment at the place specified for delivery of the Equipment. Such Certificate of Inspection and Certificate of Acceptance shall be in the form of Exhibits 1 and 2 hereto, respectively. During construction, the Assignee shall have the right to designate any person to inspect the Equipment and the Builder shall grant to such person reasonable access to the plant; provided, however, that the Builder shall not thereby be relieved of its warranty referred to in Article 13 hereof.

Upon completion of construction of the Equipment, the Assignee shall have the right to designate any person to inspect the equipment, the builder shall grant to such person reasonable access to the plant, and if the Equipment is satisfactory to such person, he shall deliver to the Builder a Certificate so stating; provided, however, that the Builder shall not thereby be relieved of its warranty referred to in Article 13 hereof.

On delivery of the Equipment at the place specified for delivery and the execution and delivery of the Certificate of Acceptance by Vendee, the Builder will deliver a Bill or Bills of Sale for the Equipment to the Vendee and the Builder shall have no further responsibility for, nor bear any risk of, any damage to or the destruction or loss of the Equipment; provided, however, that the Builder shall not thereby be relieved of its warranty referred to in Article 13 hereof.

ARTICLE 4. Purchase Price and Payment. The base price or prices per unit of the Equipment f.o.b. Roanoke, Virginia are set forth in Annex B hereto. Such base price or prices are subject to such increase or decrease as is agreed to by the Builder, the Vendee and the Assignee. The term "Purchase Price" as used herein shall mean the base price or prices as so increased or decreased as set forth in the Builder's invoice or invoices delivered to the Vendee and, if the Purchase Price is other than the base price or prices set forth in Annex B, the invoice or invoices shall be accompanied by, or have endorsed thereon, the agreement or approval of the Lessee and the Vendee (such invoice or invoices being hereinafter called the Invoices). If on any Closing Date (as hereinafter defined in this Article) the aggregate Purchase Price of Equipment for which settlement has theretofore been and is then being made under this

Agreement would, but for the provisions of this sentence, exceed the Maximum Purchase Price specified in Item 4 of Annex A hereto (or such higher amount as the Vendee may at its option agree to prior to delivery of any unit or units of Equipment that, but for such agreement, would be excluded from this Agreement), the Builder (and any assignee of the Builder) and the Vendee will enter into an agreement excluding from this Agreement such unit or units of Equipment then proposed to be settled for and specified by the Vendee, as will, after giving effect to such exclusion, reduce such aggregate Purchase Price under this Agreement to not more than the Maximum Purchase Price specified in Item 4 of Annex A hereto (or such higher amount as aforesaid).

The Equipment shall be settled for in such number of groups of units of the Equipment delivered to and accepted by the Vendee as is provided in Item 2 of Annex A hereto (each such group being hereinafter called a Group). The term "Closing Date" with respect to any Group shall mean such business day (not later than December 31, 1979, such date being herein called the Cut-Off Date), occurring not more than 10 business days following presentation by the Builder to the Vendee of the Invoices (with copies to the Lessee) for such Group, as shall be fixed by the Vendor by written notice delivered to the Vendee and the Assignee at least three business days prior to the Closing Date designated therein. The term "business days" as used herein means calendar days, excluding Saturdays, Sundays and any other day on which banking institutions in New York, N. Y., or Philadelphia, Pennsylvania, are authorized or obligated to remain closed.

The Vendee hereby acknowledges itself to be indebted to the Vendor in the amount of, and hereby promises to pay in cash to the Vendor at such place as the Vendor may designate, the Purchase Price of the Equipment, as follows:

(a) on the Closing Date with respect to each Group an amount equal to (i) 30% of the aggregate Purchase Price of such Group up to the Maximum Purchase Price, plus, (ii) to the extent the Vendee shall have agreed, any amount by which the aggregate Purchase Price exceeds the Maximum Purchase Price; and

(b) in 150 monthly installments, as hereinafter provided, an amount equal to the aggregate Purchase Price of the units of Equipment for which settlement is made, less the aggregate amount paid or payable with respect thereto pursuant to subparagraph (a) of

this paragraph.

The portion of the Purchase Price payable pursuant to subparagraph (b) of the preceding paragraph (herein called the Conditional Sale Indebtedness) shall be payable on the first day of each calendar month beginning February 1, 1980, to and including January 1, 1992 (or if any such date is not a business day, on the next succeeding business day), each such date being hereinafter called a Payment Date. The unpaid balance of the Conditional Sale Indebtedness payable in installments on each Payment Date shall bear interest from the Closing Date in respect of which such Conditional Sale Indebtedness was incurred at the rate of 13% per annum. Such interest shall be payable, to the extent accrued, on the first day of each calendar month beginning August 1, 1979, through January 1, 1980, and on each Payment Date thereafter. The installments of principal payable on each Payment Date shall be calculated so that the amount and allocation of principal and interest payable on each Payment Date shall be substantially in proportion to the amount and allocation of principal and interest on such Payment Date set forth in Schedule I hereto which will completely amortize the Conditional Sale Indebtedness. The Vendee will furnish to the Vendor and the Lessee promptly after the Closing Date a schedule, in such number of counterparts as shall be requested by the Vendor, showing the respective amounts of principal and interest payable on each Payment Date.

Interest under this Agreement shall be determined on the basis of a 360-day year of twelve 30-day months; except that the first interest payment due on August 1, 1979, shall be determined on the actual number of business days elapsed.

The Vendee will pay, to the extent legally enforceable, interest upon all amounts remaining unpaid after the same shall have become due and payable pursuant to the terms hereof at the rate of 15% per annum.

All payments provided for in this Agreement shall be made in such coin or currency of the United States of America as at the time of payment shall be legal tender for the payment of public and private debts, and shall be made by wire transfer of Federal or other immediately available funds not later than 11:00 a.m., local time, in the city where payable. The Vendee shall have the privilege of prepaying the Conditional Sale Indebtedness prior to the date it becomes due, but only in accordance with the provisions of Article 7 hereof and as set forth below.

The Vendee may, at any time after August 1, 1979, upon not less than 30 days' prior written notice given to the

Vendor, prepay all, but not less than all, the unpaid balance of the Conditional Sale Indebtedness on the date designated for payment in such notice, together with interest accrued and unpaid to the date of payment and a premium, expressed as a percentage of the principal amount prepaid as follows:

<u>If Payment Occurs During the 12-Month Period beginning August 1</u>	<u>Premium</u>
1979	10%
1980	9%
1981	8%
1982	7%
1983	6%
1984	5%
1985	4%
1986 or thereafter	3%

Upon receipt of Vendee's election to prepay the Conditional Sale Indebtedness pursuant to the preceding paragraph, the same shall become due and payable on the date fixed in such notice.

ARTICLE 5. Security Interest in the Equipment.

The Vendor shall and hereby does retain a security interest in the Equipment until the Vendee shall have made all its payments under this Agreement and shall have kept and performed all its agreements herein contained, notwithstanding the delivery of the Equipment to and the possession and use thereof by the Vendee and the Lessee as provided in this Agreement and the Lease.

Except as otherwise specifically provided in Articles 4 and 7 hereof, when and only when the Vendor shall have been paid the full indebtedness in respect of the Purchase Price of the Equipment, together with accrued interest and all other payments as herein provided, absolute right to the possession of, title to and property in the Equipment free and clear of the security interest retained hereby shall pass to and vest in the Vendee without further transfer or action on the part of the Vendor. However, the Vendor, if so requested by the Vendee at that time, will, at the Vendee's expense, (a) execute and deliver such documents as Vendee may reasonably require to evidence the release of its security interest therein, (b) execute and deliver at the same place, for filing, recording or depositing in all necessary public offices, such instrument or instruments in writing as may be necessary or appropriate in order then to make clear upon the public records the title of the Vendee to the Equipment and (c) pay to the Vendee any money paid to the Vendor pursuant

to Article 7 hereof and not theretofore applied as therein provided. The Vendee hereby waives and releases any and all rights, existing or that may be acquired, in or to the payment of any penalty, forfeit or damages for failure to execute and deliver such bill or bills of sale or instrument or instruments or to file any certificate of payment in compliance with any law or statute requiring the filing of the same, except for failure to execute and deliver such bill or bills of sale or instrument or instruments or to file such certificate within a reasonable time after written demand by the Vendee.

ARTICLE 6. Taxes. All payments to be made by the Vendee hereunder will be free of expense to the Vendor for collection or other charges and will be free of expense to the Vendor with respect to the amount of any local, state, Federal or foreign taxes (other than gross receipts taxes [except gross receipt taxes in the nature of or in lieu of sales or use or rental taxes], taxes measured by net income, excess profits taxes and similar taxes) or license fees, assessments, charges, fines or penalties hereafter levied or imposed upon or in connection with or measured by this Agreement or any sale, rental, use, payment, shipment, delivery or transfer of title under the terms hereof (all such expenses, taxes, license fees, assessments, charges, fines and penalties being hereinafter called impositions), all of which such impositions the Vendee assumes and agrees to pay on demand in addition to the Purchase Price of the Equipment. The Vendee will also pay promptly all impositions which may be imposed upon the Equipment delivered to it or for the use or operation thereof or upon the earnings arising therefrom (except as provided above) or upon the Vendor by reason of its ownership thereof (except as provided above) and will keep at all times all and every part of the Equipment free and clear of all impositions which might in any way affect the security interest of the Vendor or result in a lien upon any part of the Equipment; provided, however, that the Vendee shall be under no obligation to pay any impositions of any kind so long as it or the Lessee is contesting in good faith and by appropriate legal or administrative proceedings such impositions and the nonpayment thereof does not, in the reasonable opinion of the Vendor, adversely affect the security interest or property or rights of the Vendor in or to the Equipment or otherwise under this Agreement. If any impositions shall have been charged or levied against the Vendor directly and paid by the Vendor, the Vendee shall reimburse the Vendor upon presentation of an invoice therefor, and any amounts so paid by the Vendor shall be secured by and under

this Agreement; provided, however, that the Vendee shall not be obligated to reimburse the Vendor for any impositions so paid unless the Vendor shall have been legally liable with respect thereto (and an opinion of counsel for the Vendor shall constitute evidence of such liability) or unless the Vendee shall have approved in writing the payment thereof.

ARTICLE 7. Maintenance; Casualty Occurrences; Insurance. The Vendee agrees that, at Vendee's own cost and expense, it will be responsible for ordinary maintenance and repairs required to maintain and keep all the Units which are subject to this Agreement in good operating order, repair and condition and eligible for interchange service. In addition, the Vendee agrees that, at Vendee's own cost and expense, it will be responsible for maintaining all governmental consents, approvals or authorizations required to keep all of the Units which are subject to this Agreement eligible for interchange service.

In the event that any unit of the Equipment shall be or become worn out, lost, stolen, destroyed, or irreparably damaged, from any cause whatsoever, or taken or requisitioned by condemnation or otherwise by the United States Government or any political subdivision thereof or other governmental entity for a stated period which shall exceed the remaining term of this Agreement or for an indefinite period, but only when such period shall exceed the term hereof, (such occurrences being herein called Casualty Occurrences), the Vendee shall, promptly after it shall have determined that such unit has suffered a Casualty Occurrence cause the Vendor to be fully informed in regard thereto. On the next succeeding date for the payment of interest on the Conditional Sale Indebtedness (each such date being hereinafter called a Casualty Payment Date), the Vendee shall pay to the Vendor a sum equal to the Casualty Value (as hereinafter defined in this Article) of such unit suffering a Casualty Occurrence as of the date of such payment and shall file, or cause to be filed, with the Vendor a certificate setting forth the Casualty Value of such unit. Any money paid to the Vendor pursuant to this paragraph shall be applied (after the payment of the interest and principal due on such date) to prepay without penalty or premium, ratably in accordance with the unpaid balance of each installment, the Conditional Sale Indebtedness and the Vendee will promptly furnish to the Vendor a revised schedule of payments of principal and interest thereafter to be made, in such number of counterparts as the Vendor may request. In the event of the requisition for use (which is not a Casualty Occurrence) by the United States Government or any political subdivision thereof of any unit of the Equipment, all the Vendee's obligations hereunder with respect to such unit shall continue to the same extent as if such requisition had not occurred.

Upon payment by the Vendee to the Vendor of the Casualty Value of any unit of the Equipment having suffered a Casualty Occurrence, absolute right to the possession of and property in such unit shall pass to and vest in the Vendee free and clear of the security interest of the Vendor, without further transfer or action on the part of the Vendor, except that the Vendor, if requested by the Vendee, will execute and deliver to the Vendee, at the expense of the Vendee, an appropriate instrument confirming such passage to the Vendee of all the Vendor's right, title and interest, and the release of the Vendor's security interest, in such unit, in recordable form, in order that the Vendee may make clear upon the public records the title of the Vendee to such unit.

The Casualty Value of each unit of the Equipment suffering a Casualty Occurrence shall be deemed to be that portion of the original Purchase Price thereof remaining unpaid on the date as of which such Casualty Value shall be determined (without giving effect to any prepayment or prepayments theretofore made under this Article with respect to any other unit), plus interest accrued thereon but unpaid as of such date. For the purpose of this paragraph, each payment of the Purchase Price in respect of Equipment made pursuant to Article 4 hereof shall be deemed to be a payment on each unit of the Equipment in like proportion as the original Purchase Price of such unit bears to the aggregate original Purchase Price of the Equipment.

If the Vendor shall receive from the Lessee's insurance coverage any insurance proceeds or condemnation payments in respect of such units suffering a Casualty Occurrence, the Vendor shall, subject to the Vendor having received payment of the Casualty Value hereunder, pay such insurance proceeds or condemnation payments to the Vendee. All insurance proceeds or condemnation payments received by the Vendor in respect of any unit or units of Equipment not suffering a Casualty Occurrence shall be paid to the Vendee upon reasonable proof satisfactory to the Vendor that any damage to such unit in respect of which such proceeds were paid has been fully repaired.

ARTICLE 8. Reports and Inspections. On or before April 30 in each year, commencing with the year 1980, the Vendee shall cause to be furnished to the Vendor an accurate statement (a) setting forth as at the preceding December 31 the amount, description and numbers of all units of the

Equipment then subject to this Agreement, the amount, description and numbers of all units of the Equipment that have suffered a Casualty Occurrence during the preceding calendar year or are then undergoing repairs (other than running repairs) or then withdrawn from use pending such repairs (other than running repairs) and setting forth such other information regarding the condition and state of repair of the Equipment as the Vendor may reasonably request and (b) stating that, in the case of all Equipment repaired or repainted during the period covered by such statement, the numbers and markings required by Article 9 hereof have been preserved or replaced. The Vendor shall have the right, by its agents, to inspect the Equipment and the Lessee's records with respect thereto at such reasonable times as the Vendor may request during the term of this Agreement.

ARTICLE 9. Marking of Equipment. The Vendee will cause each unit of the Equipment to be kept numbered with the road number of the Lessee as set forth in Annex B hereto, or, in the case of Equipment not there listed, such road number as shall be set forth in any amendment or supplement hereto extending this Agreement to cover such Equipment, and will keep and maintain, plainly, distinctly, permanently and conspicuously marked on each side of each unit, in letters not less than one inch in height, the words "Ownership subject to a Security Agreement filed with the Interstate Commerce Commission", or the words "Ownership Subject to a Security Agreement Filed Under the Interstate Commerce Act, Section 20c" or other appropriate words designated by the Vendor, with appropriate changes thereof and additions thereto as from time to time may be required by law in order to protect the Vendor's interest in the Equipment and its rights under this Agreement. The Vendee will not permit any such unit to be placed in operation or exercise any control or dominion over the same until such markings shall have been made thereon and will replace or will cause to be replaced promptly any such markings which may be removed, defaced or destroyed. The Vendee will not permit the identifying number of any unit of the Equipment to be changed except in accordance with a statement of new number or numbers to be substituted therefor, which statement previously shall have been filed with the Vendor and filed, recorded and deposited by the Vendee in all public offices where this Agreement shall have been filed, recorded and deposited.

Except as provided in the immediately preceding paragraph, the Vendee will not allow the name of any person,

association or corporation to be placed on any unit of the Equipment as a designation that might be interpreted as a claim of ownership; provided, however, that the Equipment may be lettered with the names or initials or other insignia customarily used by the Lessee or its affiliates.

ARTICLE 10. Compliance with Laws and Rules.

During the term of this Agreement, the Vendee will comply, and will cause every lessee or user of the Equipment to comply, in all respects (including, without limitation, with respect to the use, maintenance and operation of the Equipment) with all laws of the jurisdictions in which its or such lessee's or user's operations involving the Equipment may extend, with all lawful rules of the Department of Transportation, the Interstate Commerce Commission and any other legislative, executive, administrative or judicial body exercising any power or jurisdiction over the Equipment, and with all applicable interchange rules, to the extent that such laws and rules affect the title, operation or use of the Equipment, and in the event that such laws or rules require any alteration, replacement or modification of or to any part on any unit of the Equipment, the Vendee will conform therewith at its own expense; provided, however, that the Vendee or the Lessee may, in good faith, contest the validity or application of any such law or rule in any reasonable manner which does not, in the reasonable opinion of the Vendor, adversely affect the property or rights of the Vendor under this Agreement.

ARTICLE 11. Possession and Use. The Vendee, so long as an event of default shall not have occurred and be continuing under this Agreement, shall be entitled, from and after delivery of the Equipment by the Builder to the Vendee, to the possession of the Equipment and the use thereof, but only upon and subject to all the terms and conditions of this Agreement.

The parties hereto acknowledge that the Vendee simultaneously is leasing the Equipment to the Lessee as provided in the Lease, and the rights of the Lessee and its permitted assigns under the Lease shall be subordinated and junior in rank to the rights, and shall be subject to the remedies, of the Vendor under this Agreement. The Lease shall not be amended or terminated (except in accordance with its terms) without the prior written consent of the Vendor.

ARTICLE 12. Prohibition Against Liens. The Vendee will pay or discharge any and all sums claimed by any party from, through or under the Vendee or its successors or assigns (including the Owner) which, if unpaid, might become a lien, charge or security interest on or with respect to the Equipment, or any unit thereof, or the Vendee's interests in the Lease and the payments to be made thereunder equal or superior to the Vendor's security interest therein, and will promptly discharge any such lien, charge or security interest which arises, but shall not be required to pay or discharge any such claim so long as the validity thereof shall be contested in good faith and by appropriate legal or administrative proceedings in any reasonable manner and the nonpayment thereof does not, in the reasonable opinion of the Vendor, adversely affect the security interest of the Vendor in or to the Equipment or otherwise under this Agreement. Any amounts paid by the Vendor in discharge of such liens, charges or security interests upon the Equipment shall be secured by and under this Agreement.

This covenant will not be deemed breached by reason of liens for taxes, assessments or governmental charges or levies, in each case not due and delinquent, or undetermined or inchoate materialmen's, mechanics', workmen's, repairmen's or other like liens arising in the ordinary course of business and, in each case, not delinquent.

ARTICLE 13. Indemnities and Warranties. The Vendee agrees to indemnify, protect and hold harmless the Vendor from and against all losses, damages, injuries, liabilities, claims (including without limitation claims for strict liability in tort) and demands whatsoever, regardless of the cause thereof, and expenses in connection therewith, including but not limited to counsel fees and expenses, penalties and interest, arising out of or as the result of the entering into or the performance of this Agreement, the retention by the Vendor of a security interest in the Equipment, the ordering, acquisition, use, operation, condition, purchase, delivery, rejection, storage or return of any of the Equipment, any accident in connection with the operation, use, condition, possession, storage or return of any of the Equipment resulting in damage to property or injury or death to any person during the period when title thereto remains in the Vendor or the transfer of title to the Equipment by the Vendor pursuant to any of the provisions of this Agreement, except however, in the case of the Builder, any losses,

damages, injuries, liabilities, claims and demands whatsoever arising out of any tort, breach of warranty or failure to perform any covenant hereunder by the Builder. This covenant of indemnity shall continue in full force and effect notwithstanding the full payment of the indebtedness in respect of the Purchase Price of, and the release of the security interest in, the Equipment, as provided in Article 5 hereof, or the termination of this Agreement in any manner whatsoever.

The Vendee will bear the responsibility for and risk of, and shall not be released from its obligations hereunder in the event of, any damage to or the destruction or loss of any unit of or all the Equipment.

The Builder represents and warrants to the Vendee that, at the time of delivery and acceptance of each unit of the Equipment under this Agreement, it will transfer to the Vendee good and marketable title to such unit, free and clear of all claims, liens, security interests and other encumbrances of any nature of any party claiming by, through or under the Builder, except only the rights of the Vendor under this Agreement and the rights of the Lessee under the Lease.

The Builder further represents and warrants to the Vendee, its successors and assigns, that at the time of delivery of each unit of Equipment to the Vendee, such units will constitute "new Section 38 property" within the meaning of Section 48(b) of the Internal Revenue Code of 1954, as amended (the "Code"), and will not have been used by any person so as to preclude "the original use of such property" within the meaning of Sections 48(b) and 167(c)(2) of the Code from commencing with the Vendee.

The agreement of the parties relating to the Builder's warranty of material and workmanship and the agreement of the parties relating to patent indemnification are set forth in Item 3 of Annex A hereto.

ARTICLE 14. Assignments. The Vendee will not (a) except as provided in Article 11 hereof, transfer the right to possession of any unit of the Equipment or (b) sell, assign, transfer or otherwise dispose of its rights under this Agreement unless such sale, assignment, transfer or disposition is made expressly subject in all respects to the rights and remedies of the Vendor hereunder.

All or any of the rights, benefits and advantages of the Vendor under this Agreement, including the right to receive the payments herein provided to be made by the Vendee, may be assigned by the Vendor and reassigned by any assignee at any time or from time to time. No such assignment shall subject any assignee to, or relieve the Builder from, any of the obligations of the Builder to construct and deliver the Equipment in accordance herewith or to respond to its warranties and indemnities referred to in Article 13 hereof, or relieve the Vendee of its obligations to the Builder contained in Articles 2, 3, 4, 6 and 13 hereof, Annex A hereto and this Article 14, or any other obligation which, according to its terms or context, is intended to survive an assignment.

Upon any such assignment, the assignor shall give written notice to the Vendee and the Lessee, together with a counterpart or copy of such assignment, stating the identity and post office address of the assignee, and such assignee shall, by virtue of such assignment, acquire all the assignor's right, title and interest in and to the Equipment and this Agreement, or in and to a portion thereof, as the case may be, subject only to such reservations as may be contained in such assignment. From and after the receipt by the Vendee of the notification of any such assignment, all payments thereafter to be made by the Vendee under this Agreement shall, to the extent so assigned, be made to the assignee in such manner as it may direct.

The Vendee recognizes that this Agreement will be assigned to the Assignee as provided in the Assignment. The Vendee expressly represents, for the purpose of assurance to any person, firm or corporation considering the acquisition of this Agreement or of all or any of the rights of the Vendor hereunder, and for the purpose of inducing such acquisition, that the rights of the Assignee to the entire unpaid indebtedness in respect of the Purchase Price of the Equipment or such part thereof as may be assigned together with interest thereon, as well as any other rights hereunder which may be so assigned, shall not be subject to any defense, setoff, counterclaim or recoupment whatsoever arising out of any breach of any obligation of the Builder with respect to the Equipment or the manufacture, construction, delivery or warranty thereof, or with respect to any indemnity herein contained, nor subject to any defense, setoff, counterclaim or recoupment whatsoever arising by reason of any other indebtedness or liability at any time owing to the Vendee

or the Lessee by the Builder. Any and all such obligations, howsoever arising, shall be and remain enforceable by the Vendee or the Lessee, as the case may be, against and only against the Builder.

ARTICLE 15. Defaults. In the event that any one or more of the following events of default shall occur and be continuing, to wit:

(a) the Vendee shall fail to pay in full any sum payable by the Vendee when payment thereof shall be due hereunder and such default shall continue for five business days after the date such payment is due and payable; or

(b) the Vendee or the Lessee shall, for more than 30 days after the earlier of (x) the date the Vendor shall have demanded in writing performance thereof or (y) the date a corporate officer of the Vendee or the Lessee first has knowledge of such failure to comply, fail or refuse to comply with any other covenant, agreement, term or provision of this Agreement, or of any agreement entered into concurrently herewith relating to the financing of the Equipment, on its part to be kept and performed or to make provision satisfactory to the Vendor for such compliance; or

(c) Guarantor, Vendee, Owner or Lessee shall consent to the appointment of a receiver, trustee or liquidator of itself or substantially all of its property, or Guarantor, Vendee, Owner or Lessee shall admit in writing its inability to pay its debts generally as they become due; or

(d) a petition for reorganization under Title 11 of the United States Code, as now constituted or as hereafter amended, shall be filed by or against the Guarantor, Vendee, Owner or Lessee and, unless such petition shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Guarantor, Vendee, Owner or Lessee, as the case may be, under this Agreement, the Lease Assignment, Lease, the Consent and/or the Participation Agreement shall not have been and shall not continue to have been duly assumed in writing, pursuant to a court order or decree,

by a trustee or trustees appointed (whether or not subject to ratification) in such proceedings in such manner that such obligations shall have the same status as obligations incurred by such trustee or trustees within 60 days after such petition shall have been filed; or

(e) any proceeding shall be commenced by or against the Guarantor, Vendee, Owner or Lessee for any relief under any bankruptcy or insolvency laws, or laws relating to the relief of debtors, readjustment of indebtedness, reorganizations, arrangements, compositions or extensions (other than a law which does not permit any readjustment of the obligations hereunder or under the Lease, the Lease Assignment, the Consent or the Participation Agreement of such party, as the case may be), and, unless such proceedings shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of such party under this Agreement, the Lease, the Lease Assignment, the Consent and/or the Participation Agreement, as the case may be, shall not have been (and shall not continue to be), duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees or receiver or receivers appointed (whether or not subject to ratification) for such party, as the case may be, or for its or their property in connection with any such proceedings in such manner that such obligations have the same status as expenses of administration and obligations incurred by such trustee or trustees or receiver or receivers within 60 days after such proceedings shall have been commenced; or

(f) the Vendee shall make or permit any unauthorized assignment or transfer of this Agreement or any interest herein or any unauthorized transfer of the right to possession of any unit of the Equipment; or

(g) an Event of Default shall have occurred under the Lease;

then at any time after the occurrence of such an event of default the Vendor may, upon written notice to the Vendee and the Owner and upon compliance with any legal requirements then in force and applicable to such action by the Vendor, (i) cause the Lease immediately upon such notice to terminate

(and the Vendee acknowledges the right of the Vendor to terminate the Lease), but without affecting the indemnities which by the provisions of the Lease survive its termination and/or (ii) declare (hereinafter called a Declaration of Default) the entire unpaid Conditional Sale Indebtedness, together with the interest thereon then accrued and unpaid, (together with a premium, except upon an event of default as provided by subparagraphs (c), (d) and (e) of this Article, equal to the prepayment premium, if any, which would be applicable pursuant to Article 4 upon the then prepayment of the Conditional Sale Indebtedness), immediately due and payable, without further demand, and thereafter the aggregate of the unpaid balance of such indebtedness and interest shall bear interest from the date of such Declaration of Default at the rate per annum specified in Article 4 hereof as being applicable to amounts remaining unpaid after becoming due and payable, to the extent legally enforceable. Upon a Declaration of Default, subject to Article 4 hereof, the Vendor shall be entitled to recover judgment for the entire unpaid balance of the Conditional Sale Indebtedness so payable, with interest as aforesaid, and to collect such judgment out of any property of the Vendee, subject to the provisions of Articles 4 and 21 hereof, wherever situated. The Vendee shall promptly notify the Vendor of any event of which the Vendee has actual knowledge which constitutes, or with the giving of notice and/or lapse of time could constitute, an event of default under this Agreement.

The Vendor may, at its election, waive any such event of default and its consequences and rescind and annul any Declaration of Default or notice of termination of the Lease by notice to the Vendee and the Owner in writing to that effect, and thereupon the respective rights of the parties shall be as they would have been if no such event of default had occurred and no Declaration of Default or notice of termination of the Lease had been made or given. Notwithstanding the provisions of this paragraph, it is expressly understood and agreed by the Vendee that time is of the essence of this Agreement and that no such waiver, rescission or annulment shall extend to or affect any other or subsequent default or impair any rights or remedies consequent thereon.

ARTICLE 16. Remedies. At any time during the continuance of a Declaration of Default, the Vendor may, upon such further notice, if any, as may be required for compliance with any mandatory legal requirements then in force and applicable to the action to be taken by the Vendor, take or cause to be taken, by its agent or agents, immediate possession of the Equipment, or one or more of the units thereof, without liability to return to the Vendee any

sums theretofore paid and free from all claims whatsoever, except as hereinafter in this Article 16 expressly provided, and may remove the same from possession and use of the Vendee or any other person and for such purpose may enter upon the premises of the Vendee or any other premises where the Equipment may be located and may use and employ in connection with such removal any supplies, services and aids and any available trackage and other facilities or means of the Vendee, subject to all mandatory requirements of due process of law.

In case the Vendor shall demand possession of the Equipment pursuant to this Agreement and shall designate a reasonable point or points for the delivery of the Equipment to the Vendor, the Vendee shall, at its own expense and risk:

(a) forthwith and in the usual manner cause the Equipment to be placed upon such storage tracks of the Lessee or any of its affiliates as the Vendor reasonably may designate;

(b) permit the Vendor to store the Equipment on such tracks at the risk of the Vendee without charge for rent or storage until the Equipment has been sold, leased or otherwise disposed of by the Vendor; and

(c) cause the Equipment to be transported to any reasonable place on the lines of railroad operated by the Lessee or any of its affiliates or to any connecting carrier for shipment, all as directed by the Vendor.

During any storage period, the Vendee will, at its own cost and expense, insure, maintain and keep each such unit in good order and repair and will permit the inspection of the Equipment by the Vendor, the Vendor's representatives and prospective purchasers, lessees and users. This agreement to deliver the Equipment and furnish facilities as hereinbefore provided is of the essence of the agreement between the parties, and, upon application to any court of equity having jurisdiction in the premises, the Vendor shall be entitled to a decree against the Vendee requiring specific performance hereof. The Vendee hereby expressly waives any and all claims against the Vendor and its agent or agents for damages of whatever nature in connection with any retaking of any unit of the Equipment in any reasonable manner.

At any time during the continuance of a Declaration of Default, the Vendor (after retaking possession of the Equipment as hereinbefore in this Article 16 provided) may, at its election and upon such notice as is hereinafter set forth, retain the Equipment in satisfaction of the entire Conditional Sale Indebtedness and make such disposition thereof as the Vendor shall deem fit. Written notice of the Vendor's election to retain the Equipment shall be given to the Vendee and the Owner by telegram or registered mail, addressed as provided in Article 20 hereof, and to any other persons to whom the law may require notice, within 30 days after such Declaration of Default. In the event that the Vendor should elect to retain the Equipment and no objection is made thereto within the 30-day period described in the second proviso below, all the Vendee's rights in the Equipment shall thereupon terminate and all payments made by the Vendee or for its account may be retained by the Vendor as compensation for the use of the Equipment and the Vendee, Guarantor and Lessee will have no further obligations to Vendor or its assigns whether under this Agreement, the Guarantee Agreement or the Lease; provided, however, that if the Vendee, before the expiration of the 30-day period described in the proviso below, should pay or cause to be paid to the Vendor the total unpaid balance of the Conditional Sale Indebtedness, together with interest thereon accrued and unpaid and all other payments due under this Agreement, then in such event absolute right to the possession of, title to and property in the Equipment free and clear of the security interest retained hereby shall pass to and vest in the Vendee; provided, further, that if the Vendee, the Lessee or any other persons notified under the terms of this paragraph object in writing to the Vendor within 30 days from the receipt of notice of the Vendor's election to retain the Equipment, then the Vendor may not so retain the Equipment, but shall sell, lease or otherwise dispose of it or continue to hold it pending sale, lease or other disposition as hereinafter provided or as may otherwise be permitted by law. If the Vendor shall not have given notice to retain as hereinabove provided or notice of intention to dispose of the Equipment in any other manner, it shall be deemed to have elected to sell the Equipment in accordance with the provisions of this Article 16.

At any time during the continuance of a Declaration of Default, the Vendor, with or without retaking possession thereof, at its election and upon reasonable notice to the Vendee, the Owner and any other persons to whom the law may require notice of the time and place, may sell the

Equipment, or one or more of the units thereof, free from any and all claims of the Vendee, the Lessee, the Owner or any other party claiming from, through or under the Vendee, the Owner or the Lessee, at law or in equity, at public or private sale and with or without advertisement as the Vendor may determine; provided, however, that if, prior to such sale and prior to the making of a contract for such sale, the Vendee should tender full payment of the total unpaid balance of the Conditional Sale Indebtedness, together with interest thereon accrued and unpaid and all other payments due under this Agreement as well as expenses of the Vendor in retaking possession of, removing, storing, holding and preparing the Equipment for, and otherwise arranging for, the sale and the Vendor's reasonable attorneys' fees, then upon receipt of such payment, expenses and fees by the Vendor, absolute right to the possession of, title to and property in the Equipment shall pass to and vest in the Vendee. The proceeds of such sale or other disposition, less the attorneys' fee and any other expenses incurred by the Vendor in retaking possession of, removing, storing, holding, preparing for sale and selling or otherwise disposing of the Equipment, shall be credited on the amount due to the Vendor under the provisions of this Agreement.

Any sale hereunder may be held or conducted at such place or places and at such time or times as the Vendor may specify, in one lot and as an entirety or in separate lots and without the necessity of gathering at the place of sale the property to be sold, and in general in such manner as the Vendor may determine, so long as such sale shall be in a commercially reasonable manner. The Vendor or the Vendee may bid for and become the purchaser of the Equipment, or any unit thereof, so offered for sale. The Vendee and the Owner shall be given written notice of such sale or the making of a contract for such sale not less than 10 days prior thereto, by telegram or registered mail addressed as provided in Article 20 hereof. If such sale shall be a private sale (which shall be deemed to mean only a sale where an advertisement for bids has not been published in a newspaper of general circulation or a sale where less than 40 offerees have been solicited in writing to submit bids), it shall be subject to the rights of the Owner and the Vendee to purchase or provide a purchaser, within 10 days after notice of the proposed sale price, at the same price offered by the intending purchaser or a better price. In the event that the Vendor shall be the purchaser of the Equipment, it shall not be accountable to the Vendee or the

Owner (except to the extent of surplus money received as hereinafter provided in this Article 16), and in payment of the purchase price therefor the Vendor shall be entitled to have credited on account thereof all or any part of sums due to the Vendor hereunder.

Each and every power and remedy hereby specifically given to the Vendor shall be in addition to every other power and remedy hereby specifically given or now or hereafter existing at law or in equity, and each and every power and remedy may be exercised from time to time and simultaneously and as often and in such order as may be deemed expedient by the Vendor. All such powers and remedies shall be cumulative, and the exercise of one shall not be deemed a waiver of the right to exercise any other or others. No delay or omission of the Vendor in the exercise of any such power or remedy and no renewal or extension of any payments due hereunder shall impair any such power or remedy or shall be construed to be a waiver of any default or an acquiescence therein. Any extension of time for payment hereunder or other indulgence duly granted to the Vendee or the Lessee shall not otherwise alter or affect the Vendor's rights or the Vendee's obligations hereunder. The Vendor's acceptance of any payment after it shall have become due hereunder shall not be deemed to alter or affect the Vendee's obligations or the Vendor's rights hereunder with respect to any subsequent payments or default therein.

If, after applying all sums of money realized by the Vendor under the remedies herein provided, there shall remain any amount due to it under the provisions of this Agreement, the Vendee shall pay the amount of such deficiency to the Vendor upon demand, together with interest thereon from the date of such demand to the date of payment at the rate per annum specified in Article 4 hereof as being applicable to amounts remaining unpaid after becoming due and payable, and, if the Vendee shall fail to pay such deficiency, the Vendor may bring suit therefor and shall be entitled to recover a judgment therefor against the Vendee. If, after applying as aforesaid all sums realized by the Vendor, there shall remain a surplus in the possession of the Vendor, such surplus shall be paid to the Vendee.

The Vendee will pay all reasonable expenses, including attorneys' fees, incurred by the Vendor in enforcing its remedies under the terms of this Agreement. In the event that the Vendor shall bring any suit to enforce any

of its rights hereunder and shall be entitled to judgment, then in such suit the Vendor may recover reasonable expenses, including reasonable attorneys' fees, and the amount thereof shall be included in such judgment.

The foregoing provisions of this Article 16 are subject in all respects to all mandatory legal requirements at the time in force and applicable thereto.

ARTICLE 17. Applicable State Laws. Any provision of this Agreement prohibited by any applicable law of any jurisdiction shall as to such jurisdiction be ineffective, without modifying the remaining provisions of this Agreement. Where, however, the conflicting provisions of any such applicable law may be waived, they are hereby waived by the Vendee and the Guarantor to the full extent permitted by law, it being the intention of the parties hereto that this Agreement shall be deemed to be a conditional sale and enforced as such.

Except as otherwise provided in this Agreement, the Vendee, to the full extent permitted by law, hereby waives all statutory or other legal requirements for any notice of any kind, notice of intention to take possession of or to sell or lease the Equipment, or any one or more units thereof, and any other requirements as to the time, place and terms of the sale or lease thereof, any other requirements with respect to the enforcement of the Vendor's rights under this Agreement and any and all rights of redemption.

ARTICLE 18. Recording. The Vendee will cause this Agreement, any assignments hereof and any amendments or supplements hereto or thereto to be filed and recorded with the Interstate Commerce Commission pursuant to 49 U.S.C. § 11303; and the Vendee will from time to time do and perform any other act and will execute, acknowledge, deliver, file, register, deposit and record any and all further instruments required by law or reasonably requested by the Vendor for the purpose of proper protection, to the satisfaction of counsel for the Vendor, of its interest in the Equipment and its rights under this Agreement or for the purpose of carrying out the intention of this Agreement; and the Vendee will promptly furnish to the Vendor certificates or other evidence of such filing, registering, depositing and recording satisfactory to the Vendor.

ARTICLE 19. Article Headings; Effect and Modification of Agreement. All article headings are inserted for convenience only and shall not affect any construction or interpretation of this Agreement.

Except for the Participation Agreement, the Assignment and except as provided in Article 3 hereof, this Agreement, including the Annexes hereto, exclusively and completely states the rights of the Vendor and the Vendee with respect to the Equipment and supersedes all other agreements, oral or written, with respect to the Equipment. No variation or modification of this Agreement and no waiver of any of its provisions or conditions shall be valid unless in writing and signed by duly authorized representatives of the Vendor and the Vendee.

ARTICLE 20. Notice. Any notice hereunder to any of the parties designated below shall be deemed to be properly served if delivered or mailed to it by first class mail, postage prepaid, at the following addresses:

(a) to the Lessee, P. O. Box 404, Conshohocken, Pennsylvania 19428, Attention of President;

(g) to any assignee of the Vendor or of the Vendee, at such address as may have been furnished in writing to the other parties listed above by such assignee;

or at such other address as may have been furnished in writing by such party to the other parties to this Agreement.

ARTICLE 21. Law Governing. The terms of this Agreement and all rights and obligations hereunder shall be governed by the laws of the Commonwealth of Pennsylvania; provided, however, that the parties shall be entitled to all rights conferred by 49 U.S.C. § 11303 and such additional rights arising out of the filing, recording or deposit hereof, if any, and of any assignment hereof as shall be conferred by the laws of the several jurisdictions in which this Agreement or any assignment hereof shall be filed, recorded or deposited. The Vendee warrants that its principal place of business is located in the Commonwealth of Pennsylvania.

ARTICLE 22. Execution. This Agreement may be executed in any number of counterparts, such counterparts together constituting but one and the same contract. Although for convenience this Agreement is dated as of the date first above written, the actual date or dates of execution hereof by the parties hereto is or are, respectively, the date or dates stated in the acknowledgments hereto annexed.

IN WITNESS WHEREOF, the parties hereto have executed or caused this instrument to be executed all as of the date first above written.

LEASE OF RAILROAD EQUIPMENT dated as of May 1, 1979, between FUNDING SYSTEMS RAILCARS, INC., a Delaware corporation (hereinafter called the Lessor), and UPPER MERION AND PLYMOUTH RAILROAD COMPANY, a Pennsylvania corporation (hereinafter called the Lessee).

The Lessor has entered into a Conditional Sale Agreement No. 2 dated as of October 26, 1978, with Shenandoah-Virginia Corporation (hereinafter called the Builder) (such agreement being hereinafter called the Security Documentation), wherein the Builder has agreed to arrange to have manufactured, sold and delivered to the Lessor the units of railroad equipment described in Schedule 1 hereto (hereinafter called the Equipment);

The Builder is assigning its interests in the Security Documentation to Aetna Business Credit, Inc., (hereinafter, together with its successors and assigns, called the Vendor) pursuant to a Participation Agreement dated as of the date hereof (hereinafter called the Participation Agreement) with the Lessor, Lessee, FSC Corporation, Refco Rail Equipment, Inc. ("Refco"), and the Vendor;

The Lessee desires to lease such number of units of the Equipment as are delivered and accepted and settled for under the Security Documentation (hereinafter called the Units) at the rentals and for the terms and upon the conditions hereinafter provided;

The Lessor will sell to, and lease back from, Refco each unit of Equipment immediately after delivery and acceptance under the Security Documentation and prior to the acceptance by Lessee under this Lease, the rights of Refco being subject and subordinate in all respects to the rights of the Vendor under the Security Documentation and the Lessee under this Lease.

NOW, THEREFORE, in consideration of the premises and of the rentals to be paid and the covenants hereinafter mentioned to be kept and performed by the Lessee, the Lessor hereby leases the Units to the Lessee upon the following terms and conditions:

§ 1. Net Lease. This Lease is a net lease and the Lessee shall not be entitled to any abatement of rent, reduction thereof or setoff against rent, including, but not limited to, abatements, reductions or setoffs due or alleged to be due by reason of any past, present or future claims of the Lessee against the Lessor under this Lease or under the Security Documentation, or against the Builder or the Vendor or otherwise; nor, except as otherwise expressly provided herein, shall this Lease terminate, or the respective obligations of the Lessor or the Lessee be otherwise affected, by reason of any defect in or damage to or loss of possession or loss of use or destruction of all or any of the Units from whatsoever cause, any liens, encumbrances or rights of others with respect to any of the Units, the prohibition of or other restriction against the Lessee's use of all or any of the Units, the interference with such use by any person or entity, the invalidity or unenforceability or lack of due authorization of this Lease, any insolvency of or any bankruptcy, reorganization or similar proceeding against the Lessee, or for any other cause whether similar or dissimilar to the foregoing, any present or future law to the contrary notwithstanding, it being the intention of the parties hereto that the rents and other amounts payable by the Lessee hereunder shall continue to be payable in all events in the manner and at the times herein provided unless the obligation to pay the same shall be terminated pursuant to the express provisions of this Lease. To the extent permitted by applicable law, the Lessee hereby waives any and all rights which it may now have or which at any time hereafter may be conferred upon it, by statute or otherwise, to terminate, cancel, quit or surrender the lease of any of the Units except in accordance with the express terms hereof. Each rental or other payment made by the Lessee hereunder shall be final and the Lessee shall not seek to recover all or any part of such payment from the Lessor for any reason whatsoever.

§ 2. Delivery and Acceptance of Units. The Lessor hereby appoints the Lessee its agent for inspection and acceptance of the Units pursuant to the Security Documentation. The Lessor will cause the Units to be delivered to the Lessee at the point within the United States of America at which the Units are delivered to the Lessor under the Security Documentation. Upon such delivery, the Lessee will cause an employee or agent of the Lessee to inspect the same, and if such Unit is found to be acceptable, the Lessee or its agent shall execute and deliver to the Lessor a certificate of inspection

(hereinafter called the Certificate of Inspection) and upon the acceptance of a unit of Equipment the Lessee shall execute and deliver to the Lessor a certificate of acceptance (hereinafter called the Certificate of Acceptance) each in accordance with the provisions of Article 3 of the Security Documentation. The Certificate of Inspection shall state that such Unit has been inspected and accepted on behalf of the Lessee and the Lessor on the date of such Certificate of Inspection and is marked in accordance with § 5 hereof, whereupon, except as provided in the next sentence hereof, such Unit shall be deemed to have been delivered to and accepted by the Lessee (which acceptance shall be reflected by a certificate executed by the Lessee and delivered to the Lessor, such certificate hereinafter called Lessee's Certificate) and shall be subject thereafter to all the terms and conditions of this Lease. The delivery, inspection and acceptance hereunder of any unit of Equipment excluded from the Security Documentation pursuant to the first paragraph of Article 4 thereof shall be null and void and ineffective to subject such unit to this Lease.

§ 3. Rentals. The Lessee agrees to pay to the Lessor as rental for each Unit subject to this Lease interim rental payments on the first day of each calendar month commencing August 1, 1979, through January 1, 1980, and, thereafter, 144 monthly payments. Each interim rental payment shall be in an amount equal to .0252777% of the Purchase Price of each such Unit subject to this Lease for each day elapsed from and including the Closing Date, as defined in Article 4 of the Security Documentation, or the date of the previous interim rent payment in respect of such Unit, to the date of payment. The first 143 monthly payments shall each be in an amount equal to .931847% of the Purchase Price of each such Unit then subject to this Lease and the 144th monthly payment shall be in an amount equal to 11.3649018% of the Purchase Price of each such Unit then subject to this Lease; it being understood, however, that the rentals payable pursuant to this Section 3 on each rental payment date shall be in no event less than the principal and interest due on each such date pursuant to Article 4 of the Security Documentation.

Notwithstanding any other provision hereof, to the extent that the Lessee shall be denied possession of a Unit or Units because of the occurrence of a default under the Security Documentation which is not an Event of Default (as such term is hereinafter defined) under this Lease, the Lessee shall have no further obligation to make any additional rental payments for such Unit or Units with regard to periods subsequent to its loss of possession of such Unit or Units.

If any of the rental payment dates referred to above is not a business day the rental payment otherwise payable on such date shall be payable on the next succeeding business day. The term "business day" as used herein means a calendar day, excluding Saturdays, Sundays and any other day on which banking institutions in the city where rental payments are payable, are authorized or obligated to remain closed.

The Lessor irrevocably instructs the Lessee to make all the payments provided for in this Lease, including, but not limited to, the payments provided for in this § 3 and in § 7 hereof, at the principal office of the Vendor, for the account of the Lessor in care of the Vendor, with instructions to the Vendor first, to apply such payments to satisfy the obligations of the Lessor under the Security Documentation, and second, so long as no event of default or event which with the lapse of time and/or demand provided for in the Security Documentation could constitute an event of default under the Security Documentation shall have occurred and be continuing, to pay any balance promptly to the Lessor at such place as the Lessor shall specify in writing. The Lessee agrees to make each payment provided for herein as contemplated by this paragraph in Federal or other funds immediately available to the Vendor by 11:00 a.m., local time, in the city where payable, on the date such payment is due.

§ 4. Term of Lease. The term of this Lease as to each Unit shall begin on the date of delivery and acceptance of such Unit hereunder and, subject to the provisions of §§ 7 and 10 hereof, shall terminate on the date on which the final payment of rent in respect thereof is due pursuant to § 3 hereof. The obligations of the Lessee hereunder (including, but not limited to, the obligations under §§ 6, 7, 9 and 14 hereof) shall survive the expiration of the term of this Lease.

Notwithstanding anything to the contrary contained herein, all rights and obligations of the Lessee under this Lease and in and to the Units are subject to the rights of the Vendor under the Security Documentation. If an event of default should occur under the Security Documentation, the Vendor may terminate this Lease (or rescind its termination), all as provided therein.

§ 5. Identification Marks. The Lessee (at its own expense) will cause each Unit to be kept numbered with the

road number set forth in Schedule 1 hereto, or in the case of any Unit not there listed, such road number as shall be set forth in any amendment or supplement hereto extending this Lease to cover such Unit, and will keep and maintain, plainly, distinctly, permanently and conspicuously marked on each side of each Unit, in letters not less than one inch in height, the words "Ownership subject to a Security Agreement filed with the Interstate Commerce Commission", or the words "Ownership Subject to a Security Agreement Filed Under the Interstate Commerce Act, Section 20c" or other appropriate words designated by the Vendor, with appropriate changes thereof and additions thereto as from time to time may be required by law in order to protect the Lessor's and Vendor's title to and interest in such Unit and the rights of the Lessor under this Lease and of the rights of the Vendor under the Security Documentation. The Lessee will not place any such Unit in operation or exercise any control or dominion over the same until such words shall have been so marked and will replace promptly any such markings which may be removed, defaced or destroyed. The Lessee will not change the road number of any Unit unless and until (i) a statement of new number or numbers to be substituted therefor shall have been filed with the Vendor and the Lessor and duly filed, recorded and deposited by the Lessee in all public offices where this Lease and the Security Documentation shall have been filed, recorded and deposited and (ii) the Lessee shall have furnished the Vendor and the Lessor an opinion of counsel to such effect. The Units may be lettered with the names or initials or other insignia customarily used by the Lessee or its affiliates.

Except as provided in the immediately preceding paragraph, the Lessee will not allow the name of any person, association or corporation to be placed on any Unit as a designation that might be interpreted as a claim of ownership.

§ 6. Taxes. All payments to be made by the Lessee hereunder will be free of expense to the Lessor for collection or other charges and will be free of expense to the Lessor with respect to the amount of any local, state, Federal, or foreign taxes (other than any United States Federal income tax payable by the Lessor in consequence of the receipt of payments provided for herein and other than the aggregate of all state or local taxes measured by net income based on such receipts, value added taxes in lieu of such net income taxes and any state franchise tax which is not based on or measured by net income up to the amount of

any such taxes which would be payable to the state and city in which the Lessor has its principal place of business without apportionment to any other state, except any such tax which is in substitution for or relieves the Lessee from the payment of taxes which it would otherwise be obligated to pay or reimburse as herein provided) or license fees, ad valorem property taxes, taxes and charges (federal, state and local), fines or penalties and interest (all such expenses, taxes, license fees, ad valorem property taxes, taxes and charges (federal, state and local), fines and penalties and interest being hereinafter called impositions) hereafter levied or imposed upon or in connection with or measured with respect to this Lease or any sale, rental, use, payment, shipment, delivery or transfer of title under the terms hereof or the Security Documentation, all of which impositions the Lessee assumes and agrees to pay on demand in addition to the payments to be made by it provided for herein. The Lessee will also pay promptly all impositions which may be imposed upon any Unit or for the use or operation thereof or upon the earnings arising therefrom (except as provided above) or upon the Lessor by reason of its ownership thereof and will keep at all times all and every part of such Unit free and clear of all impositions which might in any way affect the title of the Lessor or the interest of the Lessor or result in a lien upon any such Unit; provided, however, that the Lessee shall be under no obligation to pay any impositions of any kind so long as such imposition remains unpaid and Lessee is contesting in its own name and in good faith and by appropriate legal or administrative proceedings such impositions, or the Lessor is required to contest such impositions as provided in this § 6, and the nonpayment thereof does not, in the reasonable opinion of the Lessor, adversely affect the title, property or rights of the Lessor hereunder or the Lessor or the Vendor under the Security Documentation. The Lessee agrees to give the Lessor notice of such contest brought in Lessee's name within 30 days after institution thereof and the Lessor agrees to provide such information as may be reasonably requested by the Lessee in furtherance of such contest. If any impositions shall have been charged or levied against the Lessor directly and paid by the Lessor, the Lessee shall pay the Lessor on presentation of an invoice therefor if the Lessor shall have been legally liable with respect thereto (as evidenced by an opinion of counsel for the Lessor) or the Lessee shall have approved the payment thereof, and the Lessor agrees to give the Lessee written notice promptly after it first obtains knowledge of the making of such charge or levy, and agrees to take such other action as may reasonably be requested by

the Lessee for the purpose of contesting payment or obtaining refund of all or a portion of such imposition, as hereinafter provided in this § 6.

In the event that the Lessor shall become obligated to make any payment to the Builder or the Vendor or otherwise pursuant to any correlative provision of the Security Documentation not covered by the foregoing paragraph of this § 6, the Lessee shall pay such additional amounts (which shall also be deemed impositions hereunder) to the Lessor to fulfill completely its obligations pursuant to said provision; provided, however, that the Lessor shall have contested (if required to do so under this § 6) such impositions in good faith and to the extent permitted under the Security Documentation.

In the event any returns, statements or reports with respect to impositions involving any Unit are required to be made, the Lessee will make such returns, statements and reports in such manner as to show the interest of the Lessor and the Vendor in such Units, as shall be satisfactory to the Lessor and the Vendor or, where not so permitted, will notify the Lessor and the Vendor of such requirement and will prepare and deliver such reports to the Lessor and the Vendor within a reasonable period of time prior to the time such reports are to be filed in such manner as shall be satisfactory to the Lessor and the Vendor.

In the event that, during the continuance of this Lease, the Lessee becomes liable for the payment or reimbursement of any imposition, pursuant to this § 6, such liability shall continue, notwithstanding the expiration of this Lease, until all such impositions are paid or reimbursed by the Lessee.

In the event the Lessee may be prohibited by law or is impaired from contesting in its own name any imposition covered by this § 6 in respect of which the Lessee would otherwise be required to make payments to the Lessor pursuant hereto, the Lessor shall, upon request and at the expense of the Lessee, take all legal and other appropriate action reasonably requested by the Lessee to contest such imposition. The Lessor shall not be obligated to take any such legal or other appropriate action unless the Lessee shall first have indemnified the Lessor for all liabilities and expenses which may be entailed therein. Further, the Lessee shall indemnify and hold the Lessor harmless from and against any and all claims, costs, expenses, damages, losses and liabilities

incurred in connection therewith as a result of, or incident to, any action taken by the Lessor or Lessee under this § 6. The Lessee shall be entitled to any refund received by the Lessor or the Lessee in respect of any imposition paid by the Lessee, provided no Event of Default (or other event which after notice or lapse of time or both would become an Event of Default) shall have occurred and be continuing.

The Lessee shall, whenever reasonably requested by the Lessor, submit to the Lessor copies of returns, statements, reports, billings and remittances, or furnish other evidence satisfactory to the Lessor of the Lessee's performance of its duties under this § 6. The Lessee shall also furnish promptly upon request such data as the Lessor reasonably may require to permit the Lessor's compliance with the requirements of taxing jurisdictions.

The amount which the Lessee shall be required to pay with respect to any imposition which is subject to indemnification under this § 6 shall be an amount sufficient to restore the Lessor to the same net after-tax rate of return and after-tax cash position, after considering the effect of such payment on its United States Federal income taxes and state and city income taxes or franchise taxes based on net income, that the Lessor would have been in had such imposition not been imposed.

§ 7. Maintenance; Casualty Occurrences; Insurance.

The Lessee agrees that, at Lessee's own cost and expense, it will be responsible for ordinary maintenance and repairs required to maintain and keep all of the Units which are subject to this Lease in good operating order, repair and condition and eligible for interchange service. In addition, the Lessee agrees that, at Lessee's own cost and expense, it will be responsible for maintaining all governmental consents, approvals or authorizations required to keep all of the Units which are subject to this Lease eligible for interchange service.

In order to insure that there are sufficient moneys available for the ordinary maintenance and repairs required to be made pursuant to the first sentence of the immediately preceding paragraph, the Lessor agrees to deposit with the Vendor (the fund so created hereinafter called the Maintenance Escrow) on each rent payment date specified in Section 3 hereof, a sum of money equal to two dollars per day for the rental period in question for each unit of Equipment subject to this Lease on any such rent payment date. The Vendor will reimburse or pay the Lessor out of funds on deposit in the

Maintenance Escrow the reasonable cost and expenses incurred by the Lessee in maintaining the Equipment in accordance with the first sentence of the immediately preceding paragraph against presentment to it of evidence, to the satisfaction of the Vendor, of such actual expenditures, or a bill for such cost and expenses, as the case may be. In the event the amount on deposit in the Maintenance Escrow is not sufficient to reimburse the Lessor for, or pay for such repairs, the Lessee agrees to reimburse the Lessor for any such deficiency. In the event that at the end of the lease term, there are funds remaining in the Maintenance Escrow, the Vendor shall distribute such funds to the Lessor. Notwithstanding anything to the contrary contained herein, if a Declaration of Default (as defined in the Security Documentation) is in effect, all moneys held by the Vendor pursuant to this paragraph, shall be distributed by the Vendor to satisfy the obligations of the Lessor under the Security Documentation.

In the event that any Unit shall be or become worn out, lost, stolen, destroyed, or irreparably damaged, from any cause whatsoever, returned to the Builder pursuant to the patent indemnity provisions of the Security Documentation, or taken or requisitioned by condemnation or otherwise by the United States Government or any political subdivision thereof for a stated period which shall exceed the then remaining term of the Security Documentation or for an indefinite period, but only when such period shall exceed the term hereof, or by any other governmental entity resulting in loss of possession by the Lessee for a stated period which shall exceed the remaining term of the Security Documentation or for an indefinite period, but only when such period shall exceed the term hereof (such occurrences being hereinafter called Casualty Occurrences), prior to the return of such Unit in the manner set forth in § 14 hereof, the Lessee shall promptly and fully notify the Lessor and the Vendor with respect thereto. On the November 1, February 1, May 1 or August 1 next succeeding such notice the Lessee shall pay to the Lessor an amount equal to the rental payment or payments, if any, in respect of such Unit due and payable on such date plus a sum equal to the Casualty Value (as hereinafter defined) of such Unit as of the date of such payment in accordance with the schedule referred to below. Upon the making of such payment by the Lessee in respect of any Unit, the rental for such Unit shall cease to accrue, the term of this Lease as to such Unit shall terminate and (except in the case of the loss, theft, complete destruction or return to the Builder of such Unit) the Lessor shall be entitled to recover possession of such Unit and the Lessee shall pay all costs of removal of such Unit and of freight to the place designated pursuant to § 14 hereof.

The Casualty Value of each Unit as of the payment date on which payment is to be made as aforesaid shall be that percentage of the Purchase Price of such Unit as is set forth in Schedule 2 hereto opposite such date.

Whenever any Unit shall suffer a Casualty Occurrence after termination of this Lease at the expiration of the original or extended term hereof and before such Unit shall have been returned in the manner provided in § 14 hereof, the Lessee shall promptly and fully notify the Lessor with respect thereto and pay to the Lessor an amount equal to the Casualty Value of such Unit, which shall be not less than 25% of the Purchase Price of such Unit (unless such termination occurs after the term of this Lease has been extended pursuant to § 13 hereof, in which case the amount of such Casualty Value shall be as agreed upon between the Lessor and the Lessee at the time of such extension). Upon the making of any such payment by the Lessee in respect of any Unit (except in the case of the loss, theft or complete destruction of such Unit), the Lessee shall be entitled to recover possession of such Unit.

The Lessor hereby irrevocably appoints the Lessee its agent to dispose of any Unit suffering a Casualty Occurrence or any component thereof, at the best price obtainable on an "as is, where is" basis. Provided that the Lessee has previously paid the Casualty Value to the Lessor, the Lessee shall be entitled to the proceeds of such sale to the extent they do not exceed the Casualty Value of such Unit, and shall pay any excess to the Lessor.

In the event of the requisition for use (which is not a Casualty Occurrence) by the United States Government or any political subdivision thereof (hereinafter called the Government) of any Unit during the term of this Lease all of the Lessee's obligations under this Lease with respect to such Unit shall continue to the same extent as if such requisition had not occurred, except that if such Unit is returned by the Government at any time after the end of the term of this Lease, the Lessee shall be obligated to return such Unit to the Lessor pursuant to § 11 or 14 hereof, as the case may be, promptly upon such return by the Government rather than at the end of the term of this Lease, but the Lessee shall in all other respects comply with the provisions of said § 11 or 14, as the case may be, with respect to such Unit. All payments received by the Lessor or the Lessee from the Government for the use of such Unit during the term of this Lease shall be paid over to, or retained by, the Lessee provided no Event of Default (or other

event which after notice or lapse of time or both would become an Event of Default) shall have occurred and be continuing; and all payments received by the Lessor or the Lessee from the Government for the use of such Unit after the term of this Lease, shall be paid over to, or retained by, the Lessor.

Except as hereinabove in this § 7 provided, the Lessee shall not be released from its obligations hereunder in the event of, and shall bear the risk of, any Casualty Occurrence to any Unit from and after delivery and acceptance thereof by the Lessee hereunder.

The Lessee will, at all times prior to the return of the Equipment to the Lessor, at its own expense, cause to be carried and maintained property insurance and public liability insurance in respect of the Units at the time subject hereto, in amounts (subject to customary deductibles) and against risks customarily insured against by railroad companies in respect of similar equipment, and, in any event, comparable in amounts and against risks customarily insured against by the Lessee in respect of similar equipment owned by it. If the Lessor shall receive any insurance proceeds or condemnation payments in respect of a Unit suffering a Casualty Occurrence, the Lessor shall, subject to the Lessee's having made payment of the Casualty Value in respect of such Unit, pay such proceeds or condemnation payments to the Lessee up to an amount equal to the Casualty Value with respect to a Unit paid by the Lessee and any balance of such proceeds or condemnation payments shall remain the property of the Lessor. Insurance proceeds received by the Lessor from the Lessee's insurance coverage in respect of any Unit not suffering a Casualty Occurrence shall be paid to the Lessee upon proof satisfactory to the Lessor that any damage to such Unit in respect of which such proceeds were paid has been fully repaired, but only to the extent of the Lessee's costs (including overhead and profit, if applicable) in effecting such repairs. Except as aforesaid, all such insurance proceeds shall be retained by the Lessor.

§ 8. Reports and Inspection. On or before April 30 in each year, commencing with the calendar year 1980, the Lessee will furnish to the Lessor and the Vendor (a) an accurate statement (i) setting forth as at the preceding December 31 the amount, description and numbers of all Units then leased hereunder and covered by the Security Documentation, the amount, description and numbers of all Units that have suffered a Casualty Occurrence during the preced-

ing calendar year or are then undergoing repairs (other than running repairs) or then withdrawn from use pending such repairs (other than running repairs) and such other information regarding the condition and state of repair of the Units as the Lessor or the Vendor may reasonably request, (ii) stating that, in the case of all Units repainted or repaired during the period covered by such statement, the numbers and markings required by § 5 hereof and by the Security Documentation have been preserved or replaced and (iii) stating that the Lessee is in compliance with the insurance provisions of § 7 hereof and setting forth a description of the insurance, if any, in effect with respect to the Equipment pursuant to § 7 hereof and (b) a certification of insurance coverage from the Lessee's independent broker stating the amounts, if any, of such insurance in effect and the amount of deductible. The Lessor, at its sole cost and expense, shall have the right by its agents, to inspect the Units and the Lessee's records with respect thereto at such reasonable times as the Lessor may request during the continuance of this Lease. The Lessee shall promptly notify the Lessor and the Vendor of any material changes or any material proposed changes of which the Lessee has knowledge in its insurance coverage in effect with respect to the Equipment pursuant to § 7 hereof.

The Lessee shall furnish to the Lessor the reports required to be furnished to the Lessor pursuant to Paragraph 9 of the Participation Agreement.

§ 9. Disclaimer of Warranties; Compliance with Laws and Rules; Indemnification. THE LESSOR MAKES NO WARRANTY OR REPRESENTATION, EITHER EXPRESS OR IMPLIED, AS TO THE DESIGN OR CONDITION OF, OR AS TO THE QUALITY OF THE MATERIAL, EQUIPMENT OR WORKMANSHIP IN, THE UNITS DELIVERED TO THE LESSEE HEREUNDER, AND THE LESSOR MAKES NO WARRANTY OF MERCHANTABILITY OR FITNESS OF THE UNITS FOR ANY PARTICULAR PURPOSE OR AS TO TITLE TO THE UNITS OR ANY COMPONENT THEREOF, OR AS TO THE LESSEE'S RIGHT TO QUIET ENJOYMENT THEREOF (EXCEPT AS TO ACTS OF THE LESSOR), OR ANY OTHER REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, WITH RESPECT TO ANY UNIT, EITHER UPON DELIVERY THEREOF TO THE LESSEE OR OTHERWISE NOR SHALL THE LESSOR (EXCEPT AS TO VOLUNTARY ACTS OF LESSOR) BE RESPONSIBLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES (INCLUDING STRICT LIABILITY IN TORT), it being agreed that all such risks, as between the Lessor and the Lessee, are to be borne by the Lessee; but the Lessor hereby irrevocably appoints and constitutes the Lessee its agent and attorney-in-fact during the term of this Lease to assert and enforce from

time to time, in the name of and for the account of the Lessor and/or the Lessee, as their interests may appear, at the Lessee's sole cost and expense, whatever claims and rights the Lessor may have against the Builder under the provisions of Item 3 of Annex A of the Security Documentation; provided, however, that if at any time an Event of Default shall have occurred and be continuing, the Lessor may assert and enforce, at the Lessee's sole cost and expense, such claims and rights. The Lessor shall have no responsibility or liability to the Lessee or any other person with respect to any of the following: (i) any liability, loss or damage caused or alleged to be caused directly or indirectly by any Units or by any inadequacy thereof or deficiency or defect therein or by any other circumstances in connection therewith; (ii) the use, operation or performance of any Units or any risks relating thereto; or (iii) the delivery, operation, servicing, maintenance, repair, improvement or replacement of any Units. The Lessee's delivery of the Certificate of Acceptance, Certificate of Inspection and Lessee's Certificate shall be conclusive evidence as between the Lessee and the Lessor that the Units described therein are in all the foregoing respects satisfactory to the Lessee, and the Lessee will not assert any claim of any nature whatsoever against the Lessor based on any of the foregoing matters.

The Lessee agrees, for the benefit of the Lessor and the Vendor, to comply in all respects (including without limitation, with respect to the use, maintenance and operation of each Unit) with all applicable laws of the jurisdictions in which its operations involving the Units may extend, with all lawful rules of the Department of Transportation, the Interstate Commerce Commission and any other legislative, executive, administrative or judicial body exercising any power or jurisdiction over the Units and with all applicable interchange rules, to the extent that such laws and rules affect the title, operation or use of the Units, and in the event that, prior to the expiration of this Lease or any renewal thereof, such laws or rules require any alteration, replacement, addition or modification of or to any part on any Unit, the Lessee will conform therewith at its own expense; provided, however, that the Lessee may at its own expense, in good faith, contest the validity or application of any such law or rule in any reasonable manner which does not, in the reasonable opinion of the Lessor or the Vendor, adversely affect the property or rights of the Lessor or the Vendor under this Lease or under the Security Documentation.

The Lessee, at its own cost and expense, may furnish other additions, modifications and improvements to the Units during the term of this Lease. Any additions, modifications and improvements made by the Lessee which are readily removable without causing material damage to the Units shall be owned by the Lessee and may be removed by the Lessee at any time during the term of this Lease or any renewal thereof and prior to the return thereof to the Lessor pursuant to § 11 or 14 hereof, except additions, modifications and improvements required to maintain each Unit's eligibility for interchange service or to comply with the provisions of the first paragraph of § 7 or the first sentence of this paragraph.

The Lessee agrees to indemnify, protect and hold harmless the Lessor (in both its individual and fiduciary capacities) and the Vendor from and against all losses, damages, injuries, liabilities, claims (including without limitation claims for strict liability in tort) and demands whatsoever, regardless of the cause thereof, and expenses in connection therewith, including, but not limited to, counsel fees and expenses, patent liabilities, penalties and interest, arising out of or as the result of the entering into or the performance of or the occurrence of a default, an event of default or an Event of Default under the Security Documentation, the Participation Agreement, this Lease, or any sublease entered into pursuant to § 12 hereunder, the ownership of any Unit, the ordering, acquisition, use, operation, condition, purchase, delivery, rejection, storage or return of any Unit or any accident in connection with the operation, use, condition, possession, storage or return of any Unit resulting in damage to property or injury or death to any person, except as otherwise provided in § 14 of this Lease, or the transfer of title to the Equipment by the Vendor pursuant to any provision of the Security Documentation. The indemnities arising under this paragraph shall continue in full force and effect with respect to all events, facts, conditions or other circumstances occurring or existing prior to the expiration or termination of the term of this Lease and return of the Units as provided in § 14 of this Lease; provided, however, that the foregoing indemnification shall not apply to any failure of payment of the principal of or interest on the Conditional Sale Indebtedness and shall not be deemed to operate as a guaranty of the residual value of any Unit. The amount the Lessee shall be required to pay with respect to any of its obligations under this paragraph shall include a payment to the indemnified party sufficient to restore such party to the same position, after considering the effect of

such payment on its United States Federal income taxes and state and city income taxes or franchise taxes based on net income, that the indemnified party would have been in had the liability or expense indemnified against not been incurred.

The Lessee further agrees to indemnify, protect and hold harmless the Vendor and the Builder as third party beneficiaries hereof from and against any and all liability, claims, costs, charges and expenses, including royalty payments and counsel fees, in any manner imposed upon or accruing against the Vendor or the Builder because of the use in or about the construction or operation of any of the Units of any article of material specified by the Lessee and not manufactured by the Builder or of any design, system, process, formula or combination specified by the Lessee and not developed or purported to be developed by the Builder which infringes or is claimed to infringe on any patent or other right. The Lessee will give notice to the Builder of any claim known to the Lessee from which liability may be charged against the Builder under the Security Documentation.

The Lessee shall not be released from its obligations hereunder in the event of any damage to or the destruction or loss of any or all of the Units.

The Lessee agrees to prepare and deliver to the Lessor within a reasonable time prior to the required date of filing (or, to the extent permissible, file on behalf of the Lessor) any and all reports (other than tax returns) to be filed by the Lessor with any federal, state or other regulatory authority by reason of the ownership by the Lessor or the Vendor of the Units or the leasing thereof to the Lessee.

§ 10. Default. If, during the continuance of this Lease, one or more of the following events (each such event being herein sometimes called an Event of Default) shall occur:

(A) default shall be made in payment of any amount provided for in § 3 or § 7 of this Lease and such default shall continue for five business days, or default shall be made in payment of any other amount provided for in this Lease and such default shall continue for five business days;

(B) the Lessee shall make or permit any unautho-

rized assignment or transfer of this Lease, or any interest herein, or of the right to possession of the Units, or any thereof;

(C) default shall be made in the observance or performance of any other of the covenants, conditions and agreements on the part of the Lessee contained herein or in the Participation Agreement, and such default shall continue for 30 days after the earlier of (x) the date of written notice from the Lessor or the Vendor to the Lessee specifying the default and demanding that the same be remedied, or (y) the date a corporate officer of the Lessee first has knowledge of such failure to comply;

(D) a petition for reorganization under Title 11 of the United States Code, as now constituted or hereafter amended, shall be filed by or against the Lessee and, unless such petition shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Lessee under this Lease and the Consent (as defined in the Security Documentation) shall not have been and shall not continue to have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees appointed (whether or not subject to ratification) in such proceedings in such manner that such obligations shall have the same status as obligations incurred by such trustee or trustees within 60 days after such petition shall have been filed;

(E) any other proceedings shall be commenced by or against the Lessee for any relief which includes, or might result in, any modification of the obligations of the Lessee hereunder, under any bankruptcy or insolvency laws, or laws relating to the relief of debtors, readjustments of indebtedness, reorganizations, arrangements, compositions or extensions (other than a law which does not permit any readjustments of the obligations of the Lessee hereunder or under the Consent), and, unless such proceedings shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Lessee under this Lease and the Consent shall not have been and

shall not continue to have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees or receiver or receivers appointed (whether or not subject to ratification) for the Lessee or for the property of the Lessee in connection with any such proceedings in such manner that such obligations shall have the same status as obligations incurred by such a trustee or trustees or receiver or receivers within 60 days after such proceedings shall have been commenced; or

(F) an Event of Default shall have occurred under the Security Documentation;

then, in any such case, the Lessor, at its option, may:

(a) proceed by appropriate court action or actions either at law or in equity, to enforce performance by the Lessee of the applicable covenants of this Lease or to recover damages for the breach thereof; or

(b) by notice in writing to the Lessee terminate this Lease, whereupon all rights of the Lessee to the use of the Units shall absolutely cease and terminate as though this Lease had never been made, but the Lessee shall remain liable as herein provided; and thereupon the Lessor may by its agents enter upon the premises of the Lessee or other premises where any of the Units may be located and take possession of all or any of such Units and thenceforth hold, possess and enjoy the same free from any right of the Lessee, or its successors or assigns, to use the Units for any purpose whatever and the Lessor may, if it so chooses, sell the Units or any Unit or part thereof at public or private sale as the Lessor may determine, free and clear of any right or rights of the Lessee or its successors or assigns, and the Lessor shall, without regard to whether or not Lessor shall have exercised any of the above provided for rights, have a right to recover from the Lessee any and all amounts which may have accrued to the date of such termination (computing the rental for any number of days less than a full rental period by multiplying the rental for such full rental period by a fraction of which the numerator is such accrued number of days in such full rental period and the denominator is the total number of days in such full rental period) and also to recover forthwith from the Lessee (i) as liquidated damages for loss of the bargain and not as a penalty the greater of

(x) a sum, with respect to each Unit, which represents the excess of the present worth, at the time of such termination, of all rentals for such Unit which would otherwise have accrued hereunder from the date of such termination to the end of the term of this Lease over the then present worth of the then Fair Market Rental Value of such Unit for such period (computed by discounting, from the end of such term to the date of such termination, rentals which the Lessor reasonably estimates to be obtainable for the use of the Unit during such period), such present worth to be computed in each case on the basis of a 6% per annum discount, compounded annually from the respective dates upon which rentals would have been payable hereunder had this Lease not been terminated; or (y) a sum, with respect to each Unit, which represents the excess of the Casualty Value, at the time of such termination, over the actual sale price of such Unit (if such Unit has theretofore been sold as above provided for) or the Fair Market Sale Value of such Unit (computed on the basis of the value which would obtain in an arm's length transaction between an informed and willing buyer/user [other than (i) a lessee currently in possession or (ii) a used equipment dealer] and an informed and willing seller under no compulsion to sell); plus (in the case of either (x) or (y) above) interest (to the extent allowed by law) at the rate of 15% per annum on any sum due pursuant to subparagraph (x) or subparagraph (y) above from the time of such termination to the date of payment, and (ii) any damages and expenses (in addition to any recovered with respect to the loss of the bargain, as specifically provided for above) including, but not limited to, all costs related to the collection of any sum due hereunder (including reasonable attorneys' fees), maintenance and sale of the Units, appraisers' fees, etc., which the Lessor shall have sustained by reason of the breach of any covenant or covenants of this Lease. The "Fair Market Rental Value" or the "Fair Market Sales Value" of any Unit shall be as specified in an appraisal by a recognized independent railroad equipment appraiser chosen by the Lessor; or

(c) recover from the Lessee, for application towards any amount due hereunder, any and all per diem payments and incentive per diem payments made to the Lessee for use of the Units and any and all rental payments paid to the Lessee by any sublessee of the

Units, any and all of which the Lessee agrees it will hold in trust for the Lessor upon any Event of Default hereunder.

The Lessee acknowledges that the right of the Lessor to repossess the Equipment shall not be affected by the filing of a petition by or against the Lessee for reorganization under Title 11 of the United States Code, as now constituted or hereafter amended, or by the commencement by or against the Lessee, of any other proceeding for any relief under any bankruptcy or insolvency laws, or laws relating to the relief of debtors, readjustments of indebtedness, reorganizations, arrangements, compositions or extensions except to the extent provided under Title 11 of the United States Code, as now constituted or hereafter amended.

The remedies in this Lease provided in favor of the Lessor shall not be deemed exclusive, but shall be cumulative and may be exercised concurrently or consecutively, and shall be in addition to all other remedies in its favor existing at law or in equity. The Lessee hereby waives any mandatory requirements of law, now or hereafter in effect, which might limit or modify the remedies herein provided, to the extent that such waiver is not, at the time in question, prohibited by law. The Lessee hereby waives any and all existing or future claims to any offset against the rental payments due hereunder, and agrees to make such payments regardless of any offset or claim which may be asserted by the Lessee or on its behalf.

The failure of the Lessor to exercise the rights granted it hereunder upon the occurrence of any of the contingencies set forth herein shall not constitute a waiver of any such right upon the continuation or recurrence of any such contingencies or similar contingencies.

§ 11. Return of Units Upon Default. If this Lease shall terminate pursuant to § 10 hereof, the Lessor may, upon such further notice, if any, as may be required for compliance with any mandatory legal requirements then in force and applicable to the action to be taken by the Lessor, take or cause to be taken by its agent or agents, immediate possession of each of the Units, or one or more of the Units and may remove the same from possession and use of the Lessee or any other person and for such purpose may enter upon the premises of the Lessee or any other premises where the Units may be located and may use and employ in connection with such removal any supplies, services and aids and any available

trackage and other facilities or means of the Lessee, subject to all mandatory requirements of due process of law.

If this Lease shall terminate pursuant to § 10 hereof, the Lessee shall forthwith deliver possession of the Units to the Lessor. Each Unit so delivered shall be in the same operating order, repair and condition as when originally delivered to the Lessee, ordinary wear and tear excepted. For the purpose of delivering possession of any Unit or Units to the Lessor as above required, the Lessee shall at its own cost, expense and risk:

(a) forthwith and in the usual manner place such Units upon such storage tracks of the Lessee or any of its affiliates as the Lessor reasonably may designate;

(b) permit the Lessor to store such Units on such tracks at the risk of the Lessee without charge for insurance, rent or storage until such Units have been sold, leased or otherwise disposed of by the Lessor; and

(c) transport the same to any place on the lines of railroad operated by the Lessee or any of its affiliates or to any connecting carrier for shipment, all as directed by the Lessor.

The assembling, delivery, storage, insurance and transporting of the Units as hereinbefore provided shall be at the expense and risk of the Lessee and are of the essence of this Lease, and upon application to any court of equity having jurisdiction in the premises the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so to assemble, deliver, store and transport the Units. During any storage period, the Lessee will, at its own cost and expense, maintain and keep the Equipment in good order and repair and will permit the Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser, lessee or user of any such Unit, to inspect the same. All amounts earned in respect of the Units after the date of termination of this Lease shall belong to the Lessor and, if received by the Lessee, shall be promptly turned over to the Lessor. In the event any Unit is not assembled, delivered and stored, as hereinabove provided, within 60 days after such termination the Lessee shall, in addition, pay to the Lessor for each day thereafter an amount equal to the amount, if any, by which the product of (i) a fraction the numerator of which is 14% and the denominator

of which is 360, and (ii) the Purchase Price of such Unit for each such day exceeds the actual earnings received by the Lessor on such Unit for each such day; such payment shall not affect the obligation of the Lessee to redeliver the Equipment pursuant to the first sentence of this paragraph.

Without in any way limiting the obligation of the Lessee under the foregoing provisions of this § 11, the Lessee hereby irrevocably appoints the Lessor as the agent and attorney of the Lessee, with full power and authority, at any time while the Lessee is obligated to deliver possession of any Unit to the Lessor, to demand and take possession of such Unit in the name and on behalf of the Lessee from whomsoever shall be in possession of such Unit at the time.

§ 12. Assignment; Possession and Use. This Lease shall be assignable in whole or in part by the Lessor without the consent of the Lessee, but the Lessee shall be under no obligation to any assignee of the Lessor except upon written notice of such assignment from the Lessor, provided that no assignment for other than security purposes shall be made without the consent of the Lessee, which consent shall not be unreasonably withheld. All the rights of the Lessor hereunder (including, but not limited to, the rights under §§ 6, 7 and 10 and the rights to receive the rentals payable under this Lease) shall inure to the benefit of the Lessor's assigns.

So long as the Lessee shall not be in default under this Lease and the Lessee shall have fully complied with the provisions of the fourth paragraph of this § 12, the Lessee shall be entitled to the possession and use of the Units and, without the Lessor's consent, to sublease the Units to, or to permit their use by, a user incorporated in the United States of America (or any State thereof or the District of Columbia), upon lines of railroad owned or operated by the Lessee or such user or by a railroad company or companies incorporated in the United States of America (or any State thereof or the District of Columbia), or over which the Lessee, such user, or such railroad company or companies have trackage rights or rights for operation of their trains, and upon the lines of railroad of connecting and other carriers in the usual interchange of traffic or in through or run-through service, but only upon and subject to all the terms and conditions of this Lease; provided, however, that the Lessor's consent, not to be unreasonably withheld, must be obtained for any sublease or user agreement that is not terminable on demand; provided further, however, that the

Lessee shall not sublease or permit the sublease or use of any Unit to service involving regular operation and maintenance outside the United States of America; and provided further, however, that any such sublease or use shall be consistent with the provisions of Paragraph 11 of the Participation Agreement. No such assignment or sublease shall relieve the Lessee of its obligations hereunder which shall be and remain those of principal and not a surety.

Any such sublease may provide that the sublessee, so long as it shall not be in default under such sublease, shall be entitled to the possession of the Units included in such sublease and the use thereof; provided, however, that every such sublease shall be subject to the rights and remedies of the Vendor under the Security Documentation and the Lessor under this Lease in respect of the Units covered by such sublease upon the occurrence of an Event of Default thereunder or hereunder.

The Lessee, at its own expense, will as soon as possible cause to be duly discharged any lien, charge, security interest or other encumbrance (except any sublease as aforesaid and other than an encumbrance resulting from claims against the Lessor, the Vendee or the Vendor not related to the ownership or leasing of, or the security title of the Vendor to, the Units) which may at any time be imposed on or with respect to any Unit including any accession thereto or the interest of the Lessor, the Vendor or the Lessee therein; except that this covenant will not be breached by reason of liens for taxes, assessments or governmental charges or levies, in each case not due and delinquent or undetermined or inchoate materialmen's, mechanics', workmen's, repairmen's or other like liens arising in the ordinary course of business and, in each case, not delinquent; and, furthermore, the Lessee shall be under no obligation to discharge any such lien, charge, security interest or encumbrance so long as it is contesting the same in good faith and by appropriate legal proceedings and the failure to discharge the same does not, in the reasonable opinion of the Lessor and the Vendor, adversely affect the title, property or rights of the Lessor hereunder or the Vendor under the Security Documentation.

Nothing in this § 12 shall be deemed to restrict the right of the Lessee to assign or transfer its leasehold interest under this Lease in the Units or possession of the Units to any railroad corporation incorporated under the laws

of any state of the United States of America or the District of Columbia (which shall have duly assumed the obligations of the Lessee hereunder) into or with which the Lessee shall have become merged or consolidated or which shall have acquired or leased all or substantially all the lines of railroad of the Lessee; provided, however, that such assignee, lessee or transferee will not, upon the effectiveness of such merger, consolidation, lease or acquisition be in default under any provision of this Lease and that such acquisition or lease of railroad lines of the Lessee shall not alter in any way the Lessee's obligation to the Lessor and Vendor hereunder which shall be and remain those of a principal and not a surety.

§ 13. Renewal Options. Provided that this Lease has not been earlier terminated and the Lessee is not in default hereunder, the Lessee may by written notice delivered to the Lessor not less than six months prior to the end of the original term of this Lease elect to extend the term of this Lease in respect of all but not fewer than all of the Units then covered by this Lease, for a five-year period commencing on the scheduled expiration of the original term of this Lease. Such extension shall be on the same terms and conditions as are contained in this Lease.

§ 14. Return of Units upon Expiration of Lease Term. As soon as practicable on or after the expiration of the original term or the extended term of this Lease, the Lessee will, at its own cost and expense, at the request of the Lessor, deliver possession of such Unit to the Lessor upon such storage tracks of the Lessee as the Lessee may reasonably designate, in such city on the lines of Lessee as Lessor may reasonably designate, or in the absence of Lessor's designation, in such city on the lines of Lessee as Lessee may designate, and permit the Lessor to store such Unit on such tracks for a period not exceeding sixty days and transport the same, at any time within such sixty day period, to any reasonable place on the lines of railroad operated by the Lessee, or to any connecting carrier for shipment, all as directed by the Lessor, the movement and storage of such Units to be at the expense and risk of the Lessee. During any such storage period the Lessee will permit the Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser, lessee or user of such Unit, to inspect the same; provided, however, that the Lessee shall not be liable, except in the case of negligence of the Lessee or of its employees or

agents, for any injury to, or the death of, any person exercising, either on behalf of the Lessor or any prospective purchaser, lessee or user, the rights of inspection granted under this sentence. Each Unit returned to the Lessor pursuant to this § 14 shall (i) be in the same operating order, repair and condition as when originally delivered to the Lessee, ordinary wear and tear excepted, and (ii) except for additions, modifications and improvements which the Lessee is entitled to remove under the provisions of § 9 of this Lease, meet all operating standards then in effect under the applicable rules of any governmental agency or other organization with jurisdiction. The assembling, delivery, storage and transporting of the Units as hereinbefore provided are of the essence of this Lease, and upon application to any court of equity having jurisdiction in the premises, the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so to assemble, deliver, store and transport the Units. All amounts earned in respect of the Units after the date of termination of this Lease shall belong to the Lessor and, if received by the Lessee, shall be promptly turned over to the Lessor. In the event any Unit is not assembled, delivered and stored, as hereinabove provided, within 60 days after such termination, the Lessee shall, in addition, pay to the Lessor for each day thereafter an amount equal to the amount, if any, by which the product of (i) a fraction the numerator of which is 13.125% and the denominator of which is 360, and (ii) the Purchase Price of such Unit for each such day, exceeds (iii) the actual earnings received by the Lessor on such Unit for each such day.

§ 15. Recording. The Lessee, at its own expense, will cause this Lease, the Security Documentation and any assignment hereof or thereof to be filed and recorded with the Interstate Commerce Commission pursuant to 49 U.S.C. § 11303. The Lessee will undertake the filing, registering, deposit, and recording required of the Lessor under the Security Documentation and will from time to time do and perform any other act and will execute, acknowledge, deliver, file, register, record (and will refile, reregister, deposit and redeposit or rerecord whenever required) any and all further instruments required by law or reasonably requested by the Lessor or the Vendor for the purpose of proper protection, to their satisfaction, of the Vendor's and the Lessor's respective interests in the Units, or for the purpose of carrying out the intention of this Lease, the Security Documentation and the assignment thereof to the Vendor; and

the Lessee will promptly furnish to the Vendor and the Lessor evidence of all such filing, registering, depositing or recording, and an opinion or opinions of counsel for the Lessee with respect thereto satisfactory to the Vendor and the Lessor. This Lease and the Security Documentation shall be filed and recorded with the Interstate Commerce Commission prior to the delivery and acceptance hereunder of any Unit.

§ 16. Interest on Overdue Rentals. Anything to the contrary herein contained notwithstanding, any nonpayment of rentals and other obligations due hereunder shall result in the obligation on the part of the Lessee promptly to pay, to the extent legally enforceable, interest at a rate per annum equal to 15% on the overdue rentals and other obligations for the period of time during which they are overdue or such lesser amount as may be legally enforceable.

§ 17. Notices. Any notice required or permitted to be given by either party hereto to the other shall be deemed to have been given when mailed, first class, postage prepaid, addressed as follows:

(a) if to the Lessor,

1000 RIDC Plaza,
Pittsburgh, Pennsylvania 15238
Attention of President.

(b) if to the Lessee,

P. O. Box 404
Conshohocken, Pennsylvania 19428
Attention of President.

or addressed to either party at such other address as such party shall hereafter furnish to the other party in writing. Copies of each such notice shall be given to the Vendor at P.O. Box 118, Hartford, Connecticut 06101, Attention of Intermediate Term Lending-Commercial Division.

§ 18. Severability; Effect and Modification of Lease. Any provision of this Lease which is prohibited or unenforceable in any jurisdiction, shall be, as to such jurisdiction, ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability

in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Except for the Participation Agreement, this Lease exclusively and completely states the rights of the Lessor and the Lessee with respect to the leasing of the Units and supersedes all other agreements, oral or written, with respect thereto. No variation or modification of this Lease and no waiver of any of its provisions or conditions shall be valid unless in writing and signed by duly authorized signatories for the Lessor and the Lessee.

§ 19. Execution. This Lease may be executed in several counterparts, such counterparts together constituting but one and the same instrument, but the counterpart delivered to the Vendor pursuant to the assignment hereof to the Vendor shall be deemed to be the original and all other counterparts shall be deemed duplicates thereof. Although for convenience this Lease is dated as of the date first set forth above, the actual date or dates of execution hereof by the parties hereto is or are, respectively, the date or dates stated in the acknowledgments hereto annexed.

§ 20. Law Governing. The terms of this Lease and all rights and obligations hereunder shall be governed by the laws of the Commonwealth of Pennsylvania; provided, however, that the parties shall be entitled to all rights conferred by 49 U.S.C. § 11303.

IN WITNESS WHEREOF, the parties hereto have executed or caused this instrument to be executed as of the date first above written.

ASSIGNMENT OF LEASE AGREEMENT

Dated as of May 1, 1979

between

FUNDING SYSTEMS RAILCARS, INC.

and

AETNA BUSINESS CREDIT, INC.

ASSIGNMENT OF LEASE AND AGREEMENT dated as of May 1, 1979, by and between FUNDING SYSTEMS RAILCARS, INC. (hereinafter called the Lessor or the Vendee), and AETNA BUSINESS CREDIT, INC. (hereinafter called the Vendor).

The Vendee has entered into a Conditional Sale Agreement No. 2 dated as of October 26, 1978 (hereinafter called the Security Documentation), with Shenandoah-Virginia Corporation (hereinafter called the Builder), providing for the sale to the Vendee of such units of railroad equipment (hereinafter called the Units) described in Annex B thereto as are delivered to and accepted by the Vendee thereunder.

The Lessor and Upper Merion and Plymouth Railroad Company (hereinafter called the Lessee) have entered into a Lease of Railroad Equipment dated as of the date hereof (hereinafter called the Lease), providing for the leasing by the Lessor to the Lessee of the Units.

In order to provide security for the obligations of the Lessor under the Security Documentation and as an inducement to the Vendor to invest in the Conditional Sale Indebtedness (as that term is defined in the Security Documentation), the Lessor agrees to assign for security purposes its rights in, to and under the Lease to the Vendor.

In addition, the Vendee will assign to the Vendor as further collateral security for the obligations of the Vendee under the Security Documentation, its leasehold interest in the Units as lessee arising under the Agreement of Lease dated October 30, 1978 (hereinafter called the "Leaseback"), between Refco Rail Equipment, Inc. (hereinafter called "Refco"), and the Vendee, the Vendee having transferred to Refco its interest in the Units subject and subordinate to the prior rights of the Vendor under the Security Documentation and the Lessee under the Lease.

NOW, THEREFORE, in consideration of the premises and of the payments to be made and the covenants hereinafter mentioned to be kept and performed, the parties hereto agree as follows:

1. The Lessor hereby assigns, transfers and sets over unto the Vendor, as collateral security for the payment

and performance of the obligations of the Lessor as Vendee under the Security Documentation, all the Lessor's right, title and interest, powers, privileges, and other benefits under the Lease, including, without limitation, the immediate right to receive and collect all rentals, profits and other sums payable to or receivable by the Lessor from the Lessee under or pursuant to the provisions of the Lease whether as rent, casualty payment, indemnity, liquidated damages, maintenance escrow or otherwise (such moneys being hereinafter called the Payments), and the right to make all waivers and agreements, to give all notices, consents and releases, to take all action upon the happening of an Event of Default specified in the Lease, and to do any and all other things whatsoever which the Lessor is or may become entitled to do under the Lease. In furtherance of the foregoing assignment, the Lessor hereby irrevocably authorizes and empowers the Vendor in its own name, or in the name of its nominee, or in the name of the Lessor or as its attorney, to ask, demand, sue for, collect and receive any and all Payments to which the Lessor is or may become entitled under the Lease, and to enforce compliance by the Lessee with all the terms and provisions thereof.

The Vendor agrees to accept any Payments made by the Lessee for the account of the Lessor pursuant to the Lease. To the extent received, the Vendor will apply such Payments to satisfy the obligations of the Lessor under the Security Documentation and, so long as no event of default or event which with the lapse of time and/or demand provided for in the Security Documentation could constitute an event of default thereunder, shall have occurred and be continuing, any balance (other than the maintenance escrow contemplated by Section 7 of the Lease) shall be paid to the Lessor on the same date such Payment is applied to satisfy such obligations of the Lessor, by check mailed to the Lessor on such date or, upon written request of the Lessor, by bank wire to the Lessor at such address as may be specified to the Vendor in writing, and such balance shall be retained by the Lessor. The Vendor shall notify the Lessor at the address set forth in the Lease if the Vendor shall not receive any rental payment under the first paragraph of § 3 of the Lease when due; provided, however, that the failure of the Vendor to so notify the Lessor shall not affect the obligations of the Lessor hereunder or under the Security Documentation.

In order to provide additional security for the obligations of the Vendee under the Security Documentation,

the Vendee hereby assigns and transfers unto the Vendor as additional collateral security for the payment and performance of the obligations of the Vendee under the Security Documentation, all the Vendee's leasehold interest under the Leaseback, insofar as the same shall relate to the Units. The Vendor shall have the rights of a secured party with respect to the leasehold interest described in this paragraph upon the occurrence of an event of default under the Security Documentation and the Vendor shall be entitled to hold and dispose of such collateral in the manner set forth in Article 16 of the Security Documentation.

2. This Assignment is executed only as collateral security and, therefore, the execution and delivery of this Assignment shall not subject the Vendor to, or transfer, or pass, or in any way affect or modify the liability of the Lessor under the Lease, it being understood and agreed that notwithstanding this Assignment or any subsequent assignment for security purposes, all obligations of the Lessor to the Lessee shall be and remain enforceable by the Lessee, its successors and assigns, against, and only against, the Lessor or persons other than the Vendor.

3. The Lessor will faithfully abide by, perform and discharge each and every obligation, covenant and agreement which the Lease provides are to be performed by the Lessor; without the written consent of the Vendor, the Lessor will not anticipate the rents under the Lease or waive, excuse, condone, forgive or in any manner release or discharge the Lessee thereunder of or from the obligations, covenants, conditions and agreements to be performed by the Lessee, including, without limitation, the obligation to pay the rents in the manner and at the time and place specified therein or enter into any agreement amending, modifying or terminating the Lease and the Lessor agrees that any amendment, modification or termination thereof without such consent shall be void.

4. The Lessor does hereby constitute the Vendor the Lessor's true and lawful attorney, irrevocably, with full power (in the name of the Lessor, or otherwise), to ask, require, demand, receive, compound and give acquittance for any and all Payments due and to become due under or arising out of the Lease to which the Lessor is or may become entitled, to enforce compliance by the Lessee with all the terms and provisions of the Lease, to endorse any checks or other instruments or orders in connection

therewith and to file any claims or take any action or institute any proceedings which to the Vendor may seem to be necessary or advisable in the premises.

5. Upon the full discharge and satisfaction of all sums due from the Lessor under the Security Documentation, this Assignment and all rights herein assigned to the Vendor shall terminate, and all estate, right, title and interest of the Vendor in and to the Lease shall revert to the Lessor.

6. The Lessor will pay and discharge any and all claims, liens, charges or security interests (other than those created by the Security Documentation) on the Lease or the rentals or other payments due or to become due thereunder claimed by any party from, through or under the Lessor or its successors and assigns (other than the Vendor but including Refco), which, if unpaid, might become a claim, lien, charge or security interest on or with respect to the Lease or rentals or other payments equal or superior to the Vendor's interest therein, unless the Lessor shall be contesting the same in good faith by appropriate proceedings in any reasonable manner and the nonpayment thereof does not, in the opinion of the Vendor, adversely affect such interests of the Vendor.

7. The Lessor will, from time to time, execute, acknowledge and deliver any and all further instruments required by law or reasonably requested by the Vendor in order to confirm or further assure the interest of the Vendor hereunder.

8. The Vendor may assign all or any of the rights assigned to it hereby or arising under the Lease, including, without limitation, the right to receive any Payments due or to become due. In the event of any such assignment, any such subsequent or successive assignee or assignees shall, to the extent of such assignment, enjoy all the rights and privileges and be subject to all the obligations of the Vendor hereunder.

9. This Assignment shall be governed by the laws of the Commonwealth of Pennsylvania, but the parties shall be entitled to all rights conferred by 49 U.S.C. § 11303. The counterpart of this Assignment delivered to the Vendor shall be deemed to be the original and all other counterparts shall be deemed duplicates thereof.

10. The Lessor shall cause copies of all notices received in connection with the Lease and all Payments hereunder to be promptly delivered or made to the Vendor at its address set forth in Article 20 of the Security Documentation, or at such other address as the Vendor shall designate.

11. The Vendor hereby agrees with the Lessor that the Vendor will not, so long as no event of default under the Security Documentation has occurred and is continuing, exercise or enforce, or seek to exercise or enforce, or avail itself of, any of the rights, powers, privileges, authorizations or benefits which are assigned and transferred by the Lessor to the Vendor by this Assignment to the extent they are for the sole benefit of the Lessor and not required to satisfy the obligations of the Lessor under the Security Documentation, without the prior consent of the Lessor.

12. This Assignment may be executed in any number of counterparts, all of which together shall constitute a single instrument, but the counterpart delivered to the Vendor shall be deemed to be the original and all other counterparts shall be deemed to be duplicates thereof. It shall not be necessary that any counterpart be signed by both parties so long as each party shall sign at least one counterpart.

IN WITNESS WHEREOF, the parties hereto have caused this instrument to be executed in their respective corporate names by officers thereunto duly authorized, and their respective seals to be affixed and duly attested, all as of the date first above written.

Indebtedness

Annex A--Information Relating to Building of
Equipment

Annex B--Schedule of Equipment

Annex C--Lease

Annex D--Lease Assignment and Consent

CONDITIONAL SALE AGREEMENT NO. 2 dated as of October 26, 1978, between SHENANDOAH-VIRGINIA CORPORATION (hereinafter called the Vendor or Builder, as more particularly set forth in Article 1 hereof), and FUNDING SYSTEMS RAILCARS, INC., a Delaware corporation (hereinafter called the Vendee).

Builder and Vendee entered into a certain Purchase Order Agreement dated the date hereof. Builder and Vendee hereby agree to amend such Purchase Order Agreement but only insofar as such Purchase Order Agreement relates to the units of Equipment (as hereinafter defined) as are delivered and accepted hereunder and paid for pursuant to the provisions of the Assignment (as hereinafter defined) on or prior to December 31, 1979.

The Builder agrees to arrange to have constructed, to sell and deliver to the Vendee, and the Vendee agrees to purchase, the railroad equipment described in Annex B hereto (hereinafter called the Equipment).

The Vendee is entering into a lease dated as of May 1, 1979, with Upper Merion and Plymouth Railroad Company (hereinafter called the Lessee) in substantially the form annexed hereto as Annex C (hereinafter called the Lease).

The Lessee, FSC Corporation (the "Guarantor"), the Vendee, Refco Rail Equipment, Inc., and Aetna Business Credit, Inc. (the "Assignee") have entered into a Participation Agreement dated as of the date hereof (hereinafter called the Participation Agreement). The Builder proposes to assign its interests herein to the Assignee pursuant to the Assignment hereinafter referred to.

The Vendee proposes to transfer its interest in the Equipment, simultaneously with delivery thereof under this Agreement and prior to acceptance by Lessee under the Lease, to Refco Rail Equipment, Inc. (hereinafter called the Owner), subject, however, in all respects to the prior rights of the Vendor under this Agreement.

NOW, THEREFORE, in consideration of the mutual promises, covenants and agreements hereinafter set forth, the parties hereto do hereby agree as follows:

ARTICLE 1. Assignment; Definitions. The parties

hereto contemplate that the Vendee will furnish that portion of the Purchase Price (as hereinafter defined) for the Equipment as is required under subparagraph (a) of the third paragraph of Article 4 hereof and that an amount equal to the balance of such Purchase Price shall be paid to the Builder by the Assignee pursuant to an Agreement and Assignment dated as of May 1, 1979, between the Builder and the Assignee (such Agreement and Assignment being hereinafter called the Assignment).

The term "Vendor", whenever used in this Agreement, means, before any assignment of its rights hereunder, the first party listed in Item 1 of Annex A hereto and any successor or successors for the time being to its manufacturing properties and business, and, after any such assignment, both any assignee or assignees for the time being of such particular assigned rights as regards such rights, and also any assignor as regards any rights hereunder that are retained or excluded from any assignment; and the term "Builder", whenever used in this Agreement, means, both before and after any such assignment, the first party listed in Item 1 of Annex A hereto and any successor or successors for the time being to its manufacturing properties and business.

The Vendee will assign to the Vendor, as security for the payment and performance of all the Vendee's obligations hereunder, all right, title, and interest of the Vendee in and to the Lease, pursuant to an Assignment of Lease and Agreement in the form of Annex D hereto (hereinafter called the Lease Assignment) and the Lessee shall consent thereto pursuant to a Consent and Agreement in the form attached to Annex D (hereinafter called the Consent).

ARTICLE 2. Construction and Sale. Pursuant to this Agreement, the Builder shall arrange to have constructed the Equipment at the plant set forth in Annex B hereto, and will sell and deliver to the Vendee, and the Vendee will purchase from the Builder and accept delivery of and pay for (as hereinafter provided), the Equipment, each unit of which shall be constructed in accordance with the specifications referred to in Annex B hereto and in accordance with such modifications thereof as may be agreed upon in writing between the Builder, the Vendee and the Lessee (which specifications and modifications, if any, are hereinafter called the Specifications). The design, quality

and component parts of each unit of the Equipment shall conform, on the date of completion of manufacture thereof, to all Department of Transportation and Interstate Commerce Commission requirements and specifications and to all requirements, if any, in the Manual of Standards and Recommended Practices issued by the Association of American Railroads reasonably interpreted as being applicable to railroad equipment of the character of such unit, and each such unit will be new railroad equipment.

ARTICLE 3. Inspection and Delivery. The Builder will deliver the units of Equipment to the Vendee on the several Closing Dates (as hereinafter defined) at the place specified in Annex B hereto, freight charges, if any, prepaid, in accordance with the delivery schedule set forth in Annex B hereto; provided, however, that the Builder shall have no obligation to deliver any unit of Equipment hereunder except against payment to it of an aggregate amount equal to the full Purchase Price thereof, it being contemplated that an amount equal to that portion of the Purchase Price payable hereunder in installments will be paid to the Builder on such Closing Date by the Assignee pursuant to the Assignment.

Any Unit of Equipment not delivered and accepted hereunder and paid for pursuant to the provisions of the Assignment on or prior to December 31, 1979, shall be excluded from this Agreement but the Vendee shall be obligated to purchase such excluded Equipment pursuant to the Purchase Order Agreement dated as of October 26, 1978, between the Builder and the Vendee. Such Purchase Order Agreement shall be superseded by this Conditional Sale Agreement only with respect to Units of Equipment delivered and settled for hereunder and paid for pursuant to the provisions of the Assignment.

During construction, the Equipment shall be subject to inspection and approval by the authorized inspectors of the Vendee (who may be employees of the Lessee) and the Builder shall grant to such authorized inspectors reasonable access to the plant. The Builder agrees to inspect the materials used in the construction of the Equipment in accordance with the standard quality control practices of the Builder. Prior to delivery each unit of the Equipment shall be presented to an inspector of the Vendee for inspection at the place specified for delivery or at the Builder's plant specified in Annex B hereto, and if each such unit conforms to the Specifications, requirements and standards applicable thereto, such inspector or an authorized representative of the Vendee (who may be an employee of the Lessee) shall

execute and deliver to the Builder a certificate of inspection (hereinafter called the Certificate of Inspection) stating that such unit or units have been inspected and accepted on behalf of the Vendee and are marked in accordance with Article 9 hereof; provided, however, that the Builder shall not thereby be relieved of its warranty referred to in Article 13 hereof. Vendee shall execute a certificate of acceptance (hereinafter called the Certificate of Acceptance) upon delivery of the Equipment at the place specified for delivery of the Equipment. Such Certificate of Inspection and Certificate of Acceptance shall be in the form of Exhibits 1 and 2 hereto, respectively. During construction, the Assignee shall have the right to designate any person to inspect the Equipment and the Builder shall grant to such person reasonable access to the plant; provided, however, that the Builder shall not thereby be relieved of its warranty referred to in Article 13 hereof.

Upon completion of construction of the Equipment, the Assignee shall have the right to designate any person to inspect the equipment, the builder shall grant to such person reasonable access to the plant, and if the Equipment is satisfactory to such person, he shall deliver to the Builder a Certificate so stating; provided, however, that the Builder shall not thereby be relieved of its warranty referred to in Article 13 hereof.

On delivery of the Equipment at the place specified for delivery and the execution and delivery of the Certificate of Acceptance by Vendee, the Builder will deliver a Bill or Bills of Sale for the Equipment to the Vendee and the Builder shall have no further responsibility for, nor bear any risk of, any damage to or the destruction or loss of the Equipment; provided, however, that the Builder shall not thereby be relieved of its warranty referred to in Article 13 hereof.

ARTICLE 4. Purchase Price and Payment. The base price or prices per unit of the Equipment f.o.b. Roanoke, Virginia are set forth in Annex B hereto. Such base price or prices are subject to such increase or decrease as is agreed to by the Builder, the Vendee and the Assignee. The term "Purchase Price" as used herein shall mean the base price or prices as so increased or decreased as set forth in the Builder's invoice or invoices delivered to the Vendee and, if the Purchase Price is other than the base price or prices set forth in Annex B, the invoice or invoices shall be accompanied by, or have endorsed thereon, the agreement or approval of the Lessee and the Vendee (such invoice or invoices being hereinafter called the Invoices). If on any Closing Date (as hereinafter defined in this Article) the aggregate Purchase Price of Equipment for which settlement has theretofore been and is then being made under this

Agreement would, but for the provisions of this sentence, exceed the Maximum Purchase Price specified in Item 4 of Annex A hereto (or such higher amount as the Vendee may at its option agree to prior to delivery of any unit or units of Equipment that, but for such agreement, would be excluded from this Agreement), the Builder (and any assignee of the Builder) and the Vendee will enter into an agreement excluding from this Agreement such unit or units of Equipment then proposed to be settled for and specified by the Vendee, as will, after giving effect to such exclusion, reduce such aggregate Purchase Price under this Agreement to not more than the Maximum Purchase Price specified in Item 4 of Annex A hereto (or such higher amount as aforesaid).

The Equipment shall be settled for in such number of groups of units of the Equipment delivered to and accepted by the Vendee as is provided in Item 2 of Annex A hereto (each such group being hereinafter called a Group). The term "Closing Date" with respect to any Group shall mean such business day (not later than December 31, 1979, such date being herein called the Cut-Off Date), occurring not more than 10 business days following presentation by the Builder to the Vendee of the Invoices (with copies to the Lessee) for such Group, as shall be fixed by the Vendor by written notice delivered to the Vendee and the Assignee at least three business days prior to the Closing Date designated therein. The term "business days" as used herein means calendar days, excluding Saturdays, Sundays and any other day on which banking institutions in New York, N. Y., or Philadelphia, Pennsylvania, are authorized or obligated to remain closed.

The Vendee hereby acknowledges itself to be indebted to the Vendor in the amount of, and hereby promises to pay in cash to the Vendor at such place as the Vendor may designate, the Purchase Price of the Equipment, as follows:

(a) on the Closing Date with respect to each Group an amount equal to (i) 30% of the aggregate Purchase Price of such Group up to the Maximum Purchase Price, plus, (ii) to the extent the Vendee shall have agreed, any amount by which the aggregate Purchase Price exceeds the Maximum Purchase Price; and

(b) in 150 monthly installments, as hereinafter provided, an amount equal to the aggregate Purchase Price of the units of Equipment for which settlement is made, less the aggregate amount paid or payable with respect thereto pursuant to subparagraph (a) of

this paragraph.

The portion of the Purchase Price payable pursuant to subparagraph (b) of the preceding paragraph (herein called the Conditional Sale Indebtedness) shall be payable on the first day of each calendar month beginning February 1, 1980, to and including January 1, 1992 (or if any such date is not a business day, on the next succeeding business day), each such date being hereinafter called a Payment Date. The unpaid balance of the Conditional Sale Indebtedness payable in installments on each Payment Date shall bear interest from the Closing Date in respect of which such Conditional Sale Indebtedness was incurred at the rate of 13% per annum. Such interest shall be payable, to the extent accrued, on the first day of each calendar month beginning August 1, 1979, through January 1, 1980, and on each Payment Date thereafter. The installments of principal payable on each Payment Date shall be calculated so that the amount and allocation of principal and interest payable on each Payment Date shall be substantially in proportion to the amount and allocation of principal and interest on such Payment Date set forth in Schedule I hereto which will completely amortize the Conditional Sale Indebtedness. The Vendee will furnish to the Vendor and the Lessee promptly after the Closing Date a schedule, in such number of counterparts as shall be requested by the Vendor, showing the respective amounts of principal and interest payable on each Payment Date.

Interest under this Agreement shall be determined on the basis of a 360-day year of twelve 30-day months; except that the first interest payment due on August 1, 1979, shall be determined on the actual number of business days elapsed.

The Vendee will pay, to the extent legally enforceable, interest upon all amounts remaining unpaid after the same shall have become due and payable pursuant to the terms hereof at the rate of 15% per annum.

All payments provided for in this Agreement shall be made in such coin or currency of the United States of America as at the time of payment shall be legal tender for the payment of public and private debts, and shall be made by wire transfer of Federal or other immediately available funds not later than 11:00 a.m., local time, in the city where payable. The Vendee shall have the privilege of prepaying the Conditional Sale Indebtedness prior to the date it becomes due, but only in accordance with the provisions of Article 7 hereof and as set forth below.

The Vendee may, at any time after August 1, 1979, upon not less than 30 days' prior written notice given to the

Vendor, prepay all, but not less than all, the unpaid balance of the Conditional Sale Indebtedness on the date designated for payment in such notice, together with interest accrued and unpaid to the date of payment and a premium, expressed as a percentage of the principal amount prepaid as follows:

<u>If Payment Occurs During the 12-Month Period beginning August 1</u>	<u>Premium</u>
1979	10%
1980	9%
1981	8%
1982	7%
1983	6%
1984	5%
1985	4%
1986 or thereafter	3%

Upon receipt of Vendee's election to prepay the Conditional Sale Indebtedness pursuant to the preceding paragraph, the same shall become due and payable on the date fixed in such notice.

ARTICLE 5. Security Interest in the Equipment.
The Vendor shall and hereby does retain a security interest in the Equipment until the Vendee shall have made all its payments under this Agreement and shall have kept and performed all its agreements herein contained, notwithstanding the delivery of the Equipment to and the possession and use thereof by the Vendee and the Lessee as provided in this Agreement and the Lease.

Except as otherwise specifically provided in Articles 4 and 7 hereof, when and only when the Vendor shall have been paid the full indebtedness in respect of the Purchase Price of the Equipment, together with accrued interest and all other payments as herein provided, absolute right to the possession of, title to and property in the Equipment free and clear of the security interest retained hereby shall pass to and vest in the Vendee without further transfer or action on the part of the Vendor. However, the Vendor, if so requested by the Vendee at that time, will, at the Vendee's expense, (a) execute and deliver such documents as Vendee may reasonably require to evidence the release of its security interest therein, (b) execute and deliver at the same place, for filing, recording or depositing in all necessary public offices, such instrument or instruments in writing as may be necessary or appropriate in order then to make clear upon the public records the title of the Vendee to the Equipment and (c) pay to the Vendee any money paid to the Vendor pursuant

to Article 7 hereof and not theretofore applied as therein provided. The Vendee hereby waives and releases any and all rights, existing or that may be acquired, in or to the payment of any penalty, forfeit or damages for failure to execute and deliver such bill or bills of sale or instrument or instruments or to file any certificate of payment in compliance with any law or statute requiring the filing of the same, except for failure to execute and deliver such bill or bills of sale or instrument or instruments or to file such certificate within a reasonable time after written demand by the Vendee.

ARTICLE 6. Taxes. All payments to be made by the Vendee hereunder will be free of expense to the Vendor for collection or other charges and will be free of expense to the Vendor with respect to the amount of any local, state, Federal or foreign taxes (other than gross receipts taxes [except gross receipt taxes in the nature of or in lieu of sales or use or rental taxes], taxes measured by net income, excess profits taxes and similar taxes) or license fees, assessments, charges, fines or penalties hereafter levied or imposed upon or in connection with or measured by this Agreement or any sale, rental, use, payment, shipment, delivery or transfer of title under the terms hereof (all such expenses, taxes, license fees, assessments, charges, fines and penalties being hereinafter called impositions), all of which such impositions the Vendee assumes and agrees to pay on demand in addition to the Purchase Price of the Equipment. The Vendee will also pay promptly all impositions which may be imposed upon the Equipment delivered to it or for the use or operation thereof or upon the earnings arising therefrom (except as provided above) or upon the Vendor by reason of its ownership thereof (except as provided above) and will keep at all times all and every part of the Equipment free and clear of all impositions which might in any way affect the security interest of the Vendor or result in a lien upon any part of the Equipment; provided, however, that the Vendee shall be under no obligation to pay any impositions of any kind so long as it or the Lessee is contesting in good faith and by appropriate legal or administrative proceedings such impositions and the nonpayment thereof does not, in the reasonable opinion of the Vendor, adversely affect the security interest or property or rights of the Vendor in or to the Equipment or otherwise under this Agreement. If any impositions shall have been charged or levied against the Vendor directly and paid by the Vendor, the Vendee shall reimburse the Vendor upon presentation of an invoice therefor, and any amounts so paid by the Vendor shall be secured by and under

this Agreement; provided, however, that the Vendee shall not be obligated to reimburse the Vendor for any impositions so paid unless the Vendor shall have been legally liable with respect thereto (and an opinion of counsel for the Vendor shall constitute evidence of such liability) or unless the Vendee shall have approved in writing the payment thereof.

ARTICLE 7. Maintenance; Casualty Occurrences; Insurance. The Vendee agrees that, at Vendee's own cost and expense, it will be responsible for ordinary maintenance and repairs required to maintain and keep all the Units which are subject to this Agreement in good operating order, repair and condition and eligible for interchange service. In addition, the Vendee agrees that, at Vendee's own cost and expense, it will be responsible for maintaining all governmental consents, approvals or authorizations required to keep all of the Units which are subject to this Agreement eligible for interchange service.

In the event that any unit of the Equipment shall be or become worn out, lost, stolen, destroyed, or irreparably damaged, from any cause whatsoever, or taken or requisitioned by condemnation or otherwise by the United States Government or any political subdivision thereof or other governmental entity for a stated period which shall exceed the remaining term of this Agreement or for an indefinite period, but only when such period shall exceed the term hereof, (such occurrences being herein called Casualty Occurrences), the Vendee shall, promptly after it shall have determined that such unit has suffered a Casualty Occurrence cause the Vendor to be fully informed in regard thereto. On the next succeeding date for the payment of interest on the Conditional Sale Indebtedness (each such date being hereinafter called a Casualty Payment Date), the Vendee shall pay to the Vendor a sum equal to the Casualty Value (as hereinafter defined in this Article) of such unit suffering a Casualty Occurrence as of the date of such payment and shall file, or cause to be filed, with the Vendor a certificate setting forth the Casualty Value of such unit. Any money paid to the Vendor pursuant to this paragraph shall be applied (after the payment of the interest and principal due on such date) to prepay without penalty or premium, ratably in accordance with the unpaid balance of each installment, the Conditional Sale Indebtedness and the Vendee will promptly furnish to the Vendor a revised schedule of payments of principal and interest thereafter to be made, in such number of counterparts as the Vendor may request. In the event of the requisition for use (which is not a Casualty Occurrence) by the United States Government or any political subdivision thereof of any unit of the Equipment, all the Vendee's obligations hereunder with respect to such unit shall continue to the same extent as if such requisition had not occurred.

Upon payment by the Vendee to the Vendor of the Casualty Value of any unit of the Equipment having suffered a Casualty Occurrence, absolute right to the possession of and property in such unit shall pass to and vest in the Vendee free and clear of the security interest of the Vendor, without further transfer or action on the part of the Vendor, except that the Vendor, if requested by the Vendee, will execute and deliver to the Vendee, at the expense of the Vendee, an appropriate instrument confirming such passage to the Vendee of all the Vendor's right, title and interest, and the release of the Vendor's security interest, in such unit, in recordable form, in order that the Vendee may make clear upon the public records the title of the Vendee to such unit.

The Casualty Value of each unit of the Equipment suffering a Casualty Occurrence shall be deemed to be that portion of the original Purchase Price thereof remaining unpaid on the date as of which such Casualty Value shall be determined (without giving effect to any prepayment or prepayments theretofore made under this Article with respect to any other unit), plus interest accrued thereon but unpaid as of such date. For the purpose of this paragraph, each payment of the Purchase Price in respect of Equipment made pursuant to Article 4 hereof shall be deemed to be a payment on each unit of the Equipment in like proportion as the original Purchase Price of such unit bears to the aggregate original Purchase Price of the Equipment.

If the Vendor shall receive from the Lessee's insurance coverage any insurance proceeds or condemnation payments in respect of such units suffering a Casualty Occurrence, the Vendor shall, subject to the Vendor having received payment of the Casualty Value hereunder, pay such insurance proceeds or condemnation payments to the Vendee. All insurance proceeds or condemnation payments received by the Vendor in respect of any unit or units of Equipment not suffering a Casualty Occurrence shall be paid to the Vendee upon reasonable proof satisfactory to the Vendor that any damage to such unit in respect of which such proceeds were paid has been fully repaired.

ARTICLE 8. Reports and Inspections. On or before April 30 in each year, commencing with the year 1980, the Vendee shall cause to be furnished to the Vendor an accurate statement (a) setting forth as at the preceding December 31 the amount, description and numbers of all units of the

Equipment then subject to this Agreement, the amount, description and numbers of all units of the Equipment that have suffered a Casualty Occurrence during the preceding calendar year or are then undergoing repairs (other than running repairs) or then withdrawn from use pending such repairs (other than running repairs) and setting forth such other information regarding the condition and state of repair of the Equipment as the Vendor may reasonably request and (b) stating that, in the case of all Equipment repaired or repainted during the period covered by such statement, the numbers and markings required by Article 9 hereof have been preserved or replaced. The Vendor shall have the right, by its agents, to inspect the Equipment and the Lessee's records with respect thereto at such reasonable times as the Vendor may request during the term of this Agreement.

ARTICLE 9. Marking of Equipment. The Vendee will cause each unit of the Equipment to be kept numbered with the road number of the Lessee as set forth in Annex B hereto, or, in the case of Equipment not there listed, such road number as shall be set forth in any amendment or supplement hereto extending this Agreement to cover such Equipment, and will keep and maintain, plainly, distinctly, permanently and conspicuously marked on each side of each unit, in letters not less than one inch in height, the words "Ownership subject to a Security Agreement filed with the Interstate Commerce Commission", or the words "Ownership Subject to a Security Agreement Filed Under the Interstate Commerce Act, Section 20c" or other appropriate words designated by the Vendor, with appropriate changes thereof and additions thereto as from time to time may be required by law in order to protect the Vendor's interest in the Equipment and its rights under this Agreement. The Vendee will not permit any such unit to be placed in operation or exercise any control or dominion over the same until such markings shall have been made thereon and will replace or will cause to be replaced promptly any such markings which may be removed, defaced or destroyed. The Vendee will not permit the identifying number of any unit of the Equipment to be changed except in accordance with a statement of new number or numbers to be substituted therefor, which statement previously shall have been filed with the Vendor and filed, recorded and deposited by the Vendee in all public offices where this Agreement shall have been filed, recorded and deposited.

Except as provided in the immediately preceding paragraph, the Vendee will not allow the name of any person,

association or corporation to be placed on any unit of the Equipment as a designation that might be interpreted as a claim of ownership; provided, however, that the Equipment may be lettered with the names or initials or other insignia customarily used by the Lessee or its affiliates.

ARTICLE 10. Compliance with Laws and Rules.

During the term of this Agreement, the Vendee will comply, and will cause every lessee or user of the Equipment to comply, in all respects (including, without limitation, with respect to the use, maintenance and operation of the Equipment) with all laws of the jurisdictions in which its or such lessee's or user's operations involving the Equipment may extend, with all lawful rules of the Department of Transportation, the Interstate Commerce Commission and any other legislative, executive, administrative or judicial body exercising any power or jurisdiction over the Equipment, and with all applicable interchange rules, to the extent that such laws and rules affect the title, operation or use of the Equipment, and in the event that such laws or rules require any alteration, replacement or modification of or to any part on any unit of the Equipment, the Vendee will conform therewith at its own expense; provided, however, that the Vendee or the Lessee may, in good faith, contest the validity or application of any such law or rule in any reasonable manner which does not, in the reasonable opinion of the Vendor, adversely affect the property or rights of the Vendor under this Agreement.

ARTICLE 11. Possession and Use. The Vendee, so long as an event of default shall not have occurred and be continuing under this Agreement, shall be entitled, from and after delivery of the Equipment by the Builder to the Vendee, to the possession of the Equipment and the use thereof, but only upon and subject to all the terms and conditions of this Agreement.

The parties hereto acknowledge that the Vendee simultaneously is leasing the Equipment to the Lessee as provided in the Lease, and the rights of the Lessee and its permitted assigns under the Lease shall be subordinated and junior in rank to the rights, and shall be subject to the remedies, of the Vendor under this Agreement. The Lease shall not be amended or terminated (except in accordance with its terms) without the prior written consent of the Vendor.

ARTICLE 12. Prohibition Against Liens. The Vendee will pay or discharge any and all sums claimed by any party from, through or under the Vendee or its successors or assigns (including the Owner) which, if unpaid, might become a lien, charge or security interest on or with respect to the Equipment, or any unit thereof, or the Vendee's interests in the Lease and the payments to be made thereunder equal or superior to the Vendor's security interest therein, and will promptly discharge any such lien, charge or security interest which arises, but shall not be required to pay or discharge any such claim so long as the validity thereof shall be contested in good faith and by appropriate legal or administrative proceedings in any reasonable manner and the nonpayment thereof does not, in the reasonable opinion of the Vendor, adversely affect the security interest of the Vendor in or to the Equipment or otherwise under this Agreement. Any amounts paid by the Vendor in discharge of such liens, charges or security interests upon the Equipment shall be secured by and under this Agreement.

This covenant will not be deemed breached by reason of liens for taxes, assessments or governmental charges or levies, in each case not due and delinquent, or undetermined or inchoate materialmen's, mechanics', workmen's, repairmen's or other like liens arising in the ordinary course of business and, in each case, not delinquent.

ARTICLE 13. Indemnities and Warranties. The Vendee agrees to indemnify, protect and hold harmless the Vendor from and against all losses, damages, injuries, liabilities, claims (including without limitation claims for strict liability in tort) and demands whatsoever, regardless of the cause thereof, and expenses in connection therewith, including but not limited to counsel fees and expenses, penalties and interest, arising out of or as the result of the entering into or the performance of this Agreement, the retention by the Vendor of a security interest in the Equipment, the ordering, acquisition, use, operation, condition, purchase, delivery, rejection, storage or return of any of the Equipment, any accident in connection with the operation, use, condition, possession, storage or return of any of the Equipment resulting in damage to property or injury or death to any person during the period when title thereto remains in the Vendor or the transfer of title to the Equipment by the Vendor pursuant to any of the provisions of this Agreement, except however, in the case of the Builder, any losses,

damages, injuries, liabilities, claims and demands whatsoever arising out of any tort, breach of warranty or failure to perform any covenant hereunder by the Builder. This covenant of indemnity shall continue in full force and effect notwithstanding the full payment of the indebtedness in respect of the Purchase Price of, and the release of the security interest in, the Equipment, as provided in Article 5 hereof, or the termination of this Agreement in any manner whatsoever.

The Vendee will bear the responsibility for and risk of, and shall not be released from its obligations hereunder in the event of, any damage to or the destruction or loss of any unit of or all the Equipment.

The Builder represents and warrants to the Vendee that, at the time of delivery and acceptance of each unit of the Equipment under this Agreement, it will transfer to the Vendee good and marketable title to such unit, free and clear of all claims, liens, security interests and other encumbrances of any nature of any party claiming by, through or under the Builder, except only the rights of the Vendor under this Agreement and the rights of the Lessee under the Lease.

The Builder further represents and warrants to the Vendee, its successors and assigns, that at the time of delivery of each unit of Equipment to the Vendee, such units will constitute "new Section 38 property" within the meaning of Section 48(b) of the Internal Revenue Code of 1954, as amended (the "Code"), and will not have been used by any person so as to preclude "the original use of such property" within the meaning of Sections 48(b) and 167(c)(2) of the Code from commencing with the Vendee.

The agreement of the parties relating to the Builder's warranty of material and workmanship and the agreement of the parties relating to patent indemnification are set forth in Item 3 of Annex A hereto.

ARTICLE 14. Assignments. The Vendee will not (a) except as provided in Article 11 hereof, transfer the right to possession of any unit of the Equipment or (b) sell, assign, transfer or otherwise dispose of its rights under this Agreement unless such sale, assignment, transfer or disposition is made expressly subject in all respects to the rights and remedies of the Vendor hereunder.

All or any of the rights, benefits and advantages of the Vendor under this Agreement, including the right to receive the payments herein provided to be made by the Vendee, may be assigned by the Vendor and reassigned by any assignee at any time or from time to time. No such assignment shall subject any assignee to, or relieve the Builder from, any of the obligations of the Builder to construct and deliver the Equipment in accordance herewith or to respond to its warranties and indemnities referred to in Article 13 hereof, or relieve the Vendee of its obligations to the Builder contained in Articles 2, 3, 4, 6 and 13 hereof, Annex A hereto and this Article 14, or any other obligation which, according to its terms or context, is intended to survive an assignment.

Upon any such assignment, the assignor shall give written notice to the Vendee and the Lessee, together with a counterpart or copy of such assignment, stating the identity and post office address of the assignee, and such assignee shall, by virtue of such assignment, acquire all the assignor's right, title and interest in and to the Equipment and this Agreement, or in and to a portion thereof, as the case may be, subject only to such reservations as may be contained in such assignment. From and after the receipt by the Vendee of the notification of any such assignment, all payments thereafter to be made by the Vendee under this Agreement shall, to the extent so assigned, be made to the assignee in such manner as it may direct.

The Vendee recognizes that this Agreement will be assigned to the Assignee as provided in the Assignment. The Vendee expressly represents, for the purpose of assurance to any person, firm or corporation considering the acquisition of this Agreement or of all or any of the rights of the Vendor hereunder, and for the purpose of inducing such acquisition, that the rights of the Assignee to the entire unpaid indebtedness in respect of the Purchase Price of the Equipment or such part thereof as may be assigned together with interest thereon, as well as any other rights hereunder which may be so assigned, shall not be subject to any defense, setoff, counterclaim or recoupment whatsoever arising out of any breach of any obligation of the Builder with respect to the Equipment or the manufacture, construction, delivery or warranty thereof, or with respect to any indemnity herein contained, nor subject to any defense, setoff, counterclaim or recoupment whatsoever arising by reason of any other indebtedness or liability at any time owing to the Vendee

or the Lessee by the Builder. Any and all such obligations, howsoever arising, shall be and remain enforceable by the Vendee or the Lessee, as the case may be, against and only against the Builder.

ARTICLE 15. Defaults. In the event that any one or more of the following events of default shall occur and be continuing, to wit:

(a) the Vendee shall fail to pay in full any sum payable by the Vendee when payment thereof shall be due hereunder and such default shall continue for five business days after the date such payment is due and payable; or

(b) the Vendee or the Lessee shall, for more than 30 days after the earlier of (x) the date the Vendor shall have demanded in writing performance thereof or (y) the date a corporate officer of the Vendee or the Lessee first has knowledge of such failure to comply, fail or refuse to comply with any other covenant, agreement, term or provision of this Agreement, or of any agreement entered into concurrently herewith relating to the financing of the Equipment, on its part to be kept and performed or to make provision satisfactory to the Vendor for such compliance; or

(c) Guarantor, Vendee, Owner or Lessee shall consent to the appointment of a receiver, trustee or liquidator of itself or substantially all of its property, or Guarantor, Vendee, Owner or Lessee shall admit in writing its inability to pay its debts generally as they become due; or

(d) a petition for reorganization under Title 11 of the United States Code, as now constituted or as hereafter amended, shall be filed by or against the Guarantor, Vendee, Owner or Lessee and, unless such petition shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Guarantor, Vendee, Owner or Lessee, as the case may be, under this Agreement, the Lease Assignment, Lease, the Consent and/or the Participation Agreement shall not have been and shall not continue to have been duly assumed in writing, pursuant to a court order or decree,

by a trustee or trustees appointed (whether or not subject to ratification) in such proceedings in such manner that such obligations shall have the same status as obligations incurred by such trustee or trustees within 60 days after such petition shall have been filed; or

(e) any proceeding shall be commenced by or against the Guarantor, Vendee, Owner or Lessee for any relief under any bankruptcy or insolvency laws, or laws relating to the relief of debtors, readjustment of indebtedness, reorganizations, arrangements, compositions or extensions (other than a law which does not permit any readjustment of the obligations hereunder or under the Lease, the Lease Assignment, the Consent or the Participation Agreement of such party, as the case may be), and, unless such proceedings shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of such party under this Agreement, the Lease, the Lease Assignment, the Consent and/or the Participation Agreement, as the case may be, shall not have been (and shall not continue to be), duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees or receiver or receivers appointed (whether or not subject to ratification) for such party, as the case may be, or for its or their property in connection with any such proceedings in such manner that such obligations have the same status as expenses of administration and obligations incurred by such trustee or trustees or receiver or receivers within 60 days after such proceedings shall have been commenced; or

(f) the Vendee shall make or permit any unauthorized assignment or transfer of this Agreement or any interest herein or any unauthorized transfer of the right to possession of any unit of the Equipment; or

(g) an Event of Default shall have occurred under the Lease;

then at any time after the occurrence of such an event of default the Vendor may, upon written notice to the Vendee and the Owner and upon compliance with any legal requirements then in force and applicable to such action by the Vendor, (i) cause the Lease immediately upon such notice to terminate

(and the Vendee acknowledges the right of the Vendor to terminate the Lease), but without affecting the indemnities which by the provisions of the Lease survive its termination and/or (ii) declare (hereinafter called a Declaration of Default) the entire unpaid Conditional Sale Indebtedness, together with the interest thereon then accrued and unpaid, (together with a premium, except upon an event of default as provided by subparagraphs (c), (d) and (e) of this Article, equal to the prepayment premium, if any, which would be applicable pursuant to Article 4 upon the then prepayment of the Conditional Sale Indebtedness), immediately due and payable, without further demand, and thereafter the aggregate of the unpaid balance of such indebtedness and interest shall bear interest from the date of such Declaration of Default at the rate per annum specified in Article 4 hereof as being applicable to amounts remaining unpaid after becoming due and payable, to the extent legally enforceable. Upon a Declaration of Default, subject to Article 4 hereof, the Vendor shall be entitled to recover judgment for the entire unpaid balance of the Conditional Sale Indebtedness so payable, with interest as aforesaid, and to collect such judgment out of any property of the Vendee, subject to the provisions of Articles 4 and 21 hereof, wherever situated. The Vendee shall promptly notify the Vendor of any event of which the Vendee has actual knowledge which constitutes, or with the giving of notice and/or lapse of time could constitute, an event of default under this Agreement.

The Vendor may, at its election, waive any such event of default and its consequences and rescind and annul any Declaration of Default or notice of termination of the Lease by notice to the Vendee and the Owner in writing to that effect, and thereupon the respective rights of the parties shall be as they would have been if no such event of default had occurred and no Declaration of Default or notice of termination of the Lease had been made or given. Notwithstanding the provisions of this paragraph, it is expressly understood and agreed by the Vendee that time is of the essence of this Agreement and that no such waiver, rescission or annulment shall extend to or affect any other or subsequent default or impair any rights or remedies consequent thereon.

ARTICLE 16. Remedies. At any time during the continuance of a Declaration of Default, the Vendor may, upon such further notice, if any, as may be required for compliance with any mandatory legal requirements then in force and applicable to the action to be taken by the Vendor, take or cause to be taken, by its agent or agents, immediate possession of the Equipment, or one or more of the units thereof, without liability to return to the Vendee any

sums theretofore paid and free from all claims whatsoever, except as hereinafter in this Article 16 expressly provided, and may remove the same from possession and use of the Vendee or any other person and for such purpose may enter upon the premises of the Vendee or any other premises where the Equipment may be located and may use and employ in connection with such removal any supplies, services and aids and any available trackage and other facilities or means of the Vendee, subject to all mandatory requirements of due process of law.

In case the Vendor shall demand possession of the Equipment pursuant to this Agreement and shall designate a reasonable point or points for the delivery of the Equipment to the Vendor, the Vendee shall, at its own expense and risk:

(a) forthwith and in the usual manner cause the Equipment to be placed upon such storage tracks of the Lessee or any of its affiliates as the Vendor reasonably may designate;

(b) permit the Vendor to store the Equipment on such tracks at the risk of the Vendee without charge for rent or storage until the Equipment has been sold, leased or otherwise disposed of by the Vendor; and

(c) cause the Equipment to be transported to any reasonable place on the lines of railroad operated by the Lessee or any of its affiliates or to any connecting carrier for shipment, all as directed by the Vendor.

During any storage period, the Vendee will, at its own cost and expense, insure, maintain and keep each such unit in good order and repair and will permit the inspection of the Equipment by the Vendor, the Vendor's representatives and prospective purchasers, lessees and users. This agreement to deliver the Equipment and furnish facilities as hereinbefore provided is of the essence of the agreement between the parties, and, upon application to any court of equity having jurisdiction in the premises, the Vendor shall be entitled to a decree against the Vendee requiring specific performance hereof. The Vendee hereby expressly waives any and all claims against the Vendor and its agent or agents for damages of whatever nature in connection with any retaking of any unit of the Equipment in any reasonable manner.

At any time during the continuance of a Declaration of Default, the Vendor (after retaking possession of the Equipment as hereinbefore in this Article 16 provided) may, at its election and upon such notice as is hereinafter set forth, retain the Equipment in satisfaction of the entire Conditional Sale Indebtedness and make such disposition thereof as the Vendor shall deem fit. Written notice of the Vendor's election to retain the Equipment shall be given to the Vendee and the Owner by telegram or registered mail, addressed as provided in Article 20 hereof, and to any other persons to whom the law may require notice, within 30 days after such Declaration of Default. In the event that the Vendor should elect to retain the Equipment and no objection is made thereto within the 30-day period described in the second proviso below, all the Vendee's rights in the Equipment shall thereupon terminate and all payments made by the Vendee or for its account may be retained by the Vendor as compensation for the use of the Equipment and the Vendee, Guarantor and Lessee will have no further obligations to Vendor or its assigns whether under this Agreement, the Guarantee Agreement or the Lease; provided, however, that if the Vendee, before the expiration of the 30-day period described in the proviso below, should pay or cause to be paid to the Vendor the total unpaid balance of the Conditional Sale Indebtedness, together with interest thereon accrued and unpaid and all other payments due under this Agreement, then in such event absolute right to the possession of, title to and property in the Equipment free and clear of the security interest retained hereby shall pass to and vest in the Vendee; provided, further, that if the Vendee, the Lessee or any other persons notified under the terms of this paragraph object in writing to the Vendor within 30 days from the receipt of notice of the Vendor's election to retain the Equipment, then the Vendor may not so retain the Equipment, but shall sell, lease or otherwise dispose of it or continue to hold it pending sale, lease or other disposition as hereinafter provided or as may otherwise be permitted by law. If the Vendor shall not have given notice to retain as hereinabove provided or notice of intention to dispose of the Equipment in any other manner, it shall be deemed to have elected to sell the Equipment in accordance with the provisions of this Article 16.

At any time during the continuance of a Declaration of Default, the Vendor, with or without retaking possession thereof, at its election and upon reasonable notice to the Vendee, the Owner and any other persons to whom the law may require notice of the time and place, may sell the

Equipment, or one or more of the units thereof, free from any and all claims of the Vendee, the Lessee, the Owner or any other party claiming from, through or under the Vendee, the Owner or the Lessee, at law or in equity, at public or private sale and with or without advertisement as the Vendor may determine; provided, however, that if, prior to such sale and prior to the making of a contract for such sale, the Vendee should tender full payment of the total unpaid balance of the Conditional Sale Indebtedness, together with interest thereon accrued and unpaid and all other payments due under this Agreement as well as expenses of the Vendor in retaking possession of, removing, storing, holding and preparing the Equipment for, and otherwise arranging for, the sale and the Vendor's reasonable attorneys' fees, then upon receipt of such payment, expenses and fees by the Vendor, absolute right to the possession of, title to and property in the Equipment shall pass to and vest in the Vendee. The proceeds of such sale or other disposition, less the attorneys' fee and any other expenses incurred by the Vendor in retaking possession of, removing, storing, holding, preparing for sale and selling or otherwise disposing of the Equipment, shall be credited on the amount due to the Vendor under the provisions of this Agreement.

Any sale hereunder may be held or conducted at such place or places and at such time or times as the Vendor may specify, in one lot and as an entirety or in separate lots and without the necessity of gathering at the place of sale the property to be sold, and in general in such manner as the Vendor may determine, so long as such sale shall be in a commercially reasonable manner. The Vendor or the Vendee may bid for and become the purchaser of the Equipment, or any unit thereof, so offered for sale. The Vendee and the Owner shall be given written notice of such sale or the making of a contract for such sale not less than 10 days prior thereto, by telegram or registered mail addressed as provided in Article 20 hereof. If such sale shall be a private sale (which shall be deemed to mean only a sale where an advertisement for bids has not been published in a newspaper of general circulation or a sale where less than 40 offerees have been solicited in writing to submit bids), it shall be subject to the rights of the Owner and the Vendee to purchase or provide a purchaser, within 10 days after notice of the proposed sale price, at the same price offered by the intending purchaser or a better price. In the event that the Vendor shall be the purchaser of the Equipment, it shall not be accountable to the Vendee or the

Owner (except to the extent of surplus money received as hereinafter provided in this Article 16), and in payment of the purchase price therefor the Vendor shall be entitled to have credited on account thereof all or any part of sums due to the Vendor hereunder.

Each and every power and remedy hereby specifically given to the Vendor shall be in addition to every other power and remedy hereby specifically given or now or hereafter existing at law or in equity, and each and every power and remedy may be exercised from time to time and simultaneously and as often and in such order as may be deemed expedient by the Vendor. All such powers and remedies shall be cumulative, and the exercise of one shall not be deemed a waiver of the right to exercise any other or others. No delay or omission of the Vendor in the exercise of any such power or remedy and no renewal or extension of any payments due hereunder shall impair any such power or remedy or shall be construed to be a waiver of any default or an acquiescence therein. Any extension of time for payment hereunder or other indulgence duly granted to the Vendee or the Lessee shall not otherwise alter or affect the Vendor's rights or the Vendee's obligations hereunder. The Vendor's acceptance of any payment after it shall have become due hereunder shall not be deemed to alter or affect the Vendee's obligations or the Vendor's rights hereunder with respect to any subsequent payments or default therein.

If, after applying all sums of money realized by the Vendor under the remedies herein provided, there shall remain any amount due to it under the provisions of this Agreement, the Vendee shall pay the amount of such deficiency to the Vendor upon demand, together with interest thereon from the date of such demand to the date of payment at the rate per annum specified in Article 4 hereof as being applicable to amounts remaining unpaid after becoming due and payable, and, if the Vendee shall fail to pay such deficiency, the Vendor may bring suit therefor and shall be entitled to recover a judgment therefor against the Vendee. If, after applying as aforesaid all sums realized by the Vendor, there shall remain a surplus in the possession of the Vendor, such surplus shall be paid to the Vendee.

The Vendee will pay all reasonable expenses, including attorneys' fees, incurred by the Vendor in enforcing its remedies under the terms of this Agreement. In the event that the Vendor shall bring any suit to enforce any

of its rights hereunder and shall be entitled to judgment, then in such suit the Vendor may recover reasonable expenses, including reasonable attorneys' fees, and the amount thereof shall be included in such judgment.

The foregoing provisions of this Article 16 are subject in all respects to all mandatory legal requirements at the time in force and applicable thereto.

ARTICLE 17. Applicable State Laws. Any provision of this Agreement prohibited by any applicable law of any jurisdiction shall as to such jurisdiction be ineffective, without modifying the remaining provisions of this Agreement. Where, however, the conflicting provisions of any such applicable law may be waived, they are hereby waived by the Vendee and the Guarantor to the full extent permitted by law, it being the intention of the parties hereto that this Agreement shall be deemed to be a conditional sale and enforced as such.

Except as otherwise provided in this Agreement, the Vendee, to the full extent permitted by law, hereby waives all statutory or other legal requirements for any notice of any kind, notice of intention to take possession of or to sell or lease the Equipment, or any one or more units thereof, and any other requirements as to the time, place and terms of the sale or lease thereof, any other requirements with respect to the enforcement of the Vendor's rights under this Agreement and any and all rights of redemption.

ARTICLE 18. Recording. The Vendee will cause this Agreement, any assignments hereof and any amendments or supplements hereto or thereto to be filed and recorded with the Interstate Commerce Commission pursuant to 49 U.S.C. § 11303; and the Vendee will from time to time do and perform any other act and will execute, acknowledge, deliver, file, register, deposit and record any and all further instruments required by law or reasonably requested by the Vendor for the purpose of proper protection, to the satisfaction of counsel for the Vendor, of its interest in the Equipment and its rights under this Agreement or for the purpose of carrying out the intention of this Agreement; and the Vendee will promptly furnish to the Vendor certificates or other evidence of such filing, registering, depositing and recording satisfactory to the Vendor.

ARTICLE 19. Article Headings; Effect and Modification of Agreement. All article headings are inserted for convenience only and shall not affect any construction or interpretation of this Agreement.

Except for the Participation Agreement, the Assignment and except as provided in Article 3 hereof, this Agreement, including the Annexes hereto, exclusively and completely states the rights of the Vendor and the Vendee with respect to the Equipment and supersedes all other agreements, oral or written, with respect to the Equipment. No variation or modification of this Agreement and no waiver of any of its provisions or conditions shall be valid unless in writing and signed by duly authorized representatives of the Vendor and the Vendee.

ARTICLE 20. Notice. Any notice hereunder to any of the parties designated below shall be deemed to be properly served if delivered or mailed to it by first class mail, postage prepaid, at the following addresses:

(a) to the Lessee, P. O. Box 404, Conshohocken, Pennsylvania 19428, Attention of President;

(b) to the Vendee, 1000 RIDC Plaza, Pittsburgh, Pennsylvania, 15238, Attention of President;

(c) to the Vendor, Aetna Business Credit, Inc., P.O. Box 118, Hartford, Connecticut 06101, Attention of Intermediate Term Lending-Commercial Division;

(d) to the Builder, at the address specified in Item 1 of Annex A hereto;

(g) to any assignee of the Vendor or of the Vendee, at such address as may have been furnished in writing to the other parties listed above by such assignee;

or at such other address as may have been furnished in writing by such party to the other parties to this Agreement.

ARTICLE 21. Law Governing. The terms of this Agreement and all rights and obligations hereunder shall be governed by the laws of the Commonwealth of Pennsylvania; provided, however, that the parties shall be entitled to all rights conferred by 49 U.S.C. § 11303 and such additional rights arising out of the filing, recording or deposit hereof, if any, and of any assignment hereof as shall be conferred by the laws of the several jurisdictions in which this Agreement or any assignment hereof shall be filed, recorded or deposited. The Vendee warrants that its principal place of business is located in the Commonwealth of Pennsylvania.

ARTICLE 22. Execution. This Agreement may be executed in any number of counterparts, such counterparts together constituting but one and the same contract. Although for convenience this Agreement is dated as of the date first above written, the actual date or dates of execution hereof by the parties hereto is or are, respectively, the date or dates stated in the acknowledgments hereto annexed.

IN WITNESS WHEREOF, the parties hereto have executed or caused this instrument to be executed all as of the date first above written.

Schedule 1--Schedule of Equipment

Schedule 2--Casualty Values

LEASE OF RAILROAD EQUIPMENT dated as of May 1, 1979, between FUNDING SYSTEMS RAILCARS, INC., a Delaware corporation (hereinafter called the Lessor), and UPPER MERION AND PLYMOUTH RAILROAD COMPANY, a Pennsylvania corporation (hereinafter called the Lessee).

The Lessor has entered into a Conditional Sale Agreement No. 2 dated as of October 26, 1978, with Shenandoah-Virginia Corporation (hereinafter called the Builder) (such agreement being hereinafter called the Security Documentation), wherein the Builder has agreed to arrange to have manufactured, sold and delivered to the Lessor the units of railroad equipment described in Schedule 1 hereto (hereinafter called the Equipment);

The Builder is assigning its interests in the Security Documentation to Aetna Business Credit, Inc., (hereinafter, together with its successors and assigns, called the Vendor) pursuant to a Participation Agreement dated as of the date hereof (hereinafter called the Participation Agreement) with the Lessor, Lessee, FSC Corporation, Refco Rail Equipment, Inc. ("Refco"), and the Vendor;

The Lessee desires to lease such number of units of the Equipment as are delivered and accepted and settled for under the Security Documentation (hereinafter called the Units) at the rentals and for the terms and upon the conditions hereinafter provided;

The Lessor will sell to, and lease back from, Refco each unit of Equipment immediately after delivery and acceptance under the Security Documentation and prior to the acceptance by Lessee under this Lease, the rights of Refco being subject and subordinate in all respects to the rights of the Vendor under the Security Documentation and the Lessee under this Lease.

NOW, THEREFORE, in consideration of the premises and of the rentals to be paid and the covenants hereinafter mentioned to be kept and performed by the Lessee, the Lessor hereby leases the Units to the Lessee upon the following terms and conditions:

§ 1. Net Lease. This Lease is a net lease and the Lessee shall not be entitled to any abatement of rent, reduction thereof or setoff against rent, including, but not limited to, abatements, reductions or setoffs due or alleged to be due by reason of any past, present or future claims of the Lessee against the Lessor under this Lease or under the Security Documentation, or against the Builder or the Vendor or otherwise; nor, except as otherwise expressly provided herein, shall this Lease terminate, or the respective obligations of the Lessor or the Lessee be otherwise affected, by reason of any defect in or damage to or loss of possession or loss of use or destruction of all or any of the Units from whatsoever cause, any liens, encumbrances or rights of others with respect to any of the Units, the prohibition of or other restriction against the Lessee's use of all or any of the Units, the interference with such use by any person or entity, the invalidity or unenforceability or lack of due authorization of this Lease, any insolvency of or any bankruptcy, reorganization or similar proceeding against the Lessee, or for any other cause whether similar or dissimilar to the foregoing, any present or future law to the contrary notwithstanding, it being the intention of the parties hereto that the rents and other amounts payable by the Lessee hereunder shall continue to be payable in all events in the manner and at the times herein provided unless the obligation to pay the same shall be terminated pursuant to the express provisions of this Lease. To the extent permitted by applicable law, the Lessee hereby waives any and all rights which it may now have or which at any time hereafter may be conferred upon it, by statute or otherwise, to terminate, cancel, quit or surrender the lease of any of the Units except in accordance with the express terms hereof. Each rental or other payment made by the Lessee hereunder shall be final and the Lessee shall not seek to recover all or any part of such payment from the Lessor for any reason whatsoever.

§ 2. Delivery and Acceptance of Units. The Lessor hereby appoints the Lessee its agent for inspection and acceptance of the Units pursuant to the Security Documentation. The Lessor will cause the Units to be delivered to the Lessee at the point within the United States of America at which the Units are delivered to the Lessor under the Security Documentation. Upon such delivery, the Lessee will cause an employee or agent of the Lessee to inspect the same, and if such Unit is found to be acceptable, the Lessee or its agent shall execute and deliver to the Lessor a certificate of inspection

(hereinafter called the Certificate of Inspection) and upon the acceptance of a unit of Equipment the Lessee shall execute and deliver to the Lessor a certificate of acceptance (hereinafter called the Certificate of Acceptance) each in accordance with the provisions of Article 3 of the Security Documentation. The Certificate of Inspection shall state that such Unit has been inspected and accepted on behalf of the Lessee and the Lessor on the date of such Certificate of Inspection and is marked in accordance with § 5 hereof, whereupon, except as provided in the next sentence hereof, such Unit shall be deemed to have been delivered to and accepted by the Lessee (which acceptance shall be reflected by a certificate executed by the Lessee and delivered to the Lessor, such certificate hereinafter called Lessee's Certificate) and shall be subject thereafter to all the terms and conditions of this Lease. The delivery, inspection and acceptance hereunder of any unit of Equipment excluded from the Security Documentation pursuant to the first paragraph of Article 4 thereof shall be null and void and ineffective to subject such unit to this Lease.

§ 3. Rentals. The Lessee agrees to pay to the Lessor as rental for each Unit subject to this Lease interim rental payments on the first day of each calendar month commencing August 1, 1979, through January 1, 1980, and, thereafter, 144 monthly payments. Each interim rental payment shall be in an amount equal to .0252777% of the Purchase Price of each such Unit subject to this Lease for each day elapsed from and including the Closing Date, as defined in Article 4 of the Security Documentation, or the date of the previous interim rent payment in respect of such Unit, to the date of payment. The first 143 monthly payments shall each be in an amount equal to .931847% of the Purchase Price of each such Unit then subject to this Lease and the 144th monthly payment shall be in an amount equal to 11.3649018% of the Purchase Price of each such Unit then subject to this Lease; it being understood, however, that the rentals payable pursuant to this Section 3 on each rental payment date shall be in no event less than the principal and interest due on each such date pursuant to Article 4 of the Security Documentation.

Notwithstanding any other provision hereof, to the extent that the Lessee shall be denied possession of a Unit or Units because of the occurrence of a default under the Security Documentation which is not an Event of Default (as such term is hereinafter defined) under this Lease, the Lessee shall have no further obligation to make any additional rental payments for such Unit or Units with regard to periods subsequent to its loss of possession of such Unit or Units.

If any of the rental payment dates referred to above is not a business day the rental payment otherwise payable on such date shall be payable on the next succeeding business day. The term "business day" as used herein means a calendar day, excluding Saturdays, Sundays and any other day on which banking institutions in the city where rental payments are payable, are authorized or obligated to remain closed.

The Lessor irrevocably instructs the Lessee to make all the payments provided for in this Lease, including, but not limited to, the payments provided for in this § 3 and in § 7 hereof, at the principal office of the Vendor, for the account of the Lessor in care of the Vendor, with instructions to the Vendor first, to apply such payments to satisfy the obligations of the Lessor under the Security Documentation, and second, so long as no event of default or event which with the lapse of time and/or demand provided for in the Security Documentation could constitute an event of default under the Security Documentation shall have occurred and be continuing, to pay any balance promptly to the Lessor at such place as the Lessor shall specify in writing. The Lessee agrees to make each payment provided for herein as contemplated by this paragraph in Federal or other funds immediately available to the Vendor by 11:00 a.m., local time, in the city where payable, on the date such payment is due.

§ 4. Term of Lease. The term of this Lease as to each Unit shall begin on the date of delivery and acceptance of such Unit hereunder and, subject to the provisions of §§ 7 and 10 hereof, shall terminate on the date on which the final payment of rent in respect thereof is due pursuant to § 3 hereof. The obligations of the Lessee hereunder (including, but not limited to, the obligations under §§ 6, 7, 9 and 14 hereof) shall survive the expiration of the term of this Lease.

Notwithstanding anything to the contrary contained herein, all rights and obligations of the Lessee under this Lease and in and to the Units are subject to the rights of the Vendor under the Security Documentation. If an event of default should occur under the Security Documentation, the Vendor may terminate this Lease (or rescind its termination), all as provided therein.

§ 5. Identification Marks. The Lessee (at its own expense) will cause each Unit to be kept numbered with the

road number set forth in Schedule 1 hereto, or in the case of any Unit not there listed, such road number as shall be set forth in any amendment or supplement hereto extending this Lease to cover such Unit, and will keep and maintain, plainly, distinctly, permanently and conspicuously marked on each side of each Unit, in letters not less than one inch in height, the words "Ownership subject to a Security Agreement filed with the Interstate Commerce Commission", or the words "Ownership Subject to a Security Agreement Filed Under the Interstate Commerce Act, Section 20c" or other appropriate words designated by the Vendor, with appropriate changes thereof and additions thereto as from time to time may be required by law in order to protect the Lessor's and Vendor's title to and interest in such Unit and the rights of the Lessor under this Lease and of the rights of the Vendor under the Security Documentation. The Lessee will not place any such Unit in operation or exercise any control or dominion over the same until such words shall have been so marked and will replace promptly any such markings which may be removed, defaced or destroyed. The Lessee will not change the road number of any Unit unless and until (i) a statement of new number or numbers to be substituted therefor shall have been filed with the Vendor and the Lessor and duly filed, recorded and deposited by the Lessee in all public offices where this Lease and the Security Documentation shall have been filed, recorded and deposited and (ii) the Lessee shall have furnished the Vendor and the Lessor an opinion of counsel to such effect. The Units may be lettered with the names or initials or other insignia customarily used by the Lessee or its affiliates.

Except as provided in the immediately preceding paragraph, the Lessee will not allow the name of any person, association or corporation to be placed on any Unit as a designation that might be interpreted as a claim of ownership.

§ 6. Taxes. All payments to be made by the Lessee hereunder will be free of expense to the Lessor for collection or other charges and will be free of expense to the Lessor with respect to the amount of any local, state, Federal, or foreign taxes (other than any United States Federal income tax payable by the Lessor in consequence of the receipt of payments provided for herein and other than the aggregate of all state or local taxes measured by net income based on such receipts, value added taxes in lieu of such net income taxes and any state franchise tax which is not based on or measured by net income up to the amount of

any such taxes which would be payable to the state and city in which the Lessor has its principal place of business without apportionment to any other state, except any such tax which is in substitution for or relieves the Lessee from the payment of taxes which it would otherwise be obligated to pay or reimburse as herein provided) or license fees, ad valorem property taxes, taxes and charges (federal, state and local), fines or penalties and interest (all such expenses, taxes, license fees, ad valorem property taxes, taxes and charges (federal, state and local), fines and penalties and interest being hereinafter called impositions) hereafter levied or imposed upon or in connection with or measured with respect to this Lease or any sale, rental, use, payment, shipment, delivery or transfer of title under the terms hereof or the Security Documentation, all of which impositions the Lessee assumes and agrees to pay on demand in addition to the payments to be made by it provided for herein. The Lessee will also pay promptly all impositions which may be imposed upon any Unit or for the use or operation thereof or upon the earnings arising therefrom (except as provided above) or upon the Lessor by reason of its ownership thereof and will keep at all times all and every part of such Unit free and clear of all impositions which might in any way affect the title of the Lessor or the interest of the Lessor or result in a lien upon any such Unit; provided, however, that the Lessee shall be under no obligation to pay any impositions of any kind so long as such imposition remains unpaid and Lessee is contesting in its own name and in good faith and by appropriate legal or administrative proceedings such impositions, or the Lessor is required to contest such impositions as provided in this § 6, and the nonpayment thereof does not, in the reasonable opinion of the Lessor, adversely affect the title, property or rights of the Lessor hereunder or the Lessor or the Vendor under the Security Documentation. The Lessee agrees to give the Lessor notice of such contest brought in Lessee's name within 30 days after institution thereof and the Lessor agrees to provide such information as may be reasonably requested by the Lessee in furtherance of such contest. If any impositions shall have been charged or levied against the Lessor directly and paid by the Lessor, the Lessee shall pay the Lessor on presentation of an invoice therefor if the Lessor shall have been legally liable with respect thereto (as evidenced by an opinion of counsel for the Lessor) or the Lessee shall have approved the payment thereof, and the Lessor agrees to give the Lessee written notice promptly after it first obtains knowledge of the making of such charge or levy, and agrees to take such other action as may reasonably be requested by

the Lessee for the purpose of contesting payment or obtaining refund of all or a portion of such imposition, as hereinafter provided in this § 6.

In the event that the Lessor shall become obligated to make any payment to the Builder or the Vendor or otherwise pursuant to any correlative provision of the Security Documentation not covered by the foregoing paragraph of this § 6, the Lessee shall pay such additional amounts (which shall also be deemed impositions hereunder) to the Lessor to fulfill completely its obligations pursuant to said provision; provided, however, that the Lessor shall have contested (if required to do so under this § 6) such impositions in good faith and to the extent permitted under the Security Documentation.

In the event any returns, statements or reports with respect to impositions involving any Unit are required to be made, the Lessee will make such returns, statements and reports in such manner as to show the interest of the Lessor and the Vendor in such Units, as shall be satisfactory to the Lessor and the Vendor or, where not so permitted, will notify the Lessor and the Vendor of such requirement and will prepare and deliver such reports to the Lessor and the Vendor within a reasonable period of time prior to the time such reports are to be filed in such manner as shall be satisfactory to the Lessor and the Vendor.

In the event that, during the continuance of this Lease, the Lessee becomes liable for the payment or reimbursement of any imposition, pursuant to this § 6, such liability shall continue, notwithstanding the expiration of this Lease, until all such impositions are paid or reimbursed by the Lessee.

In the event the Lessee may be prohibited by law or is impaired from contesting in its own name any imposition covered by this § 6 in respect of which the Lessee would otherwise be required to make payments to the Lessor pursuant hereto, the Lessor shall, upon request and at the expense of the Lessee, take all legal and other appropriate action reasonably requested by the Lessee to contest such imposition. The Lessor shall not be obligated to take any such legal or other appropriate action unless the Lessee shall first have indemnified the Lessor for all liabilities and expenses which may be entailed therein. Further, the Lessee shall indemnify and hold the Lessor harmless from and against any and all claims, costs, expenses, damages, losses and liabilities

incurred in connection therewith as a result of, or incident to, any action taken by the Lessor or Lessee under this § 6. The Lessee shall be entitled to any refund received by the Lessor or the Lessee in respect of any imposition paid by the Lessee, provided no Event of Default (or other event which after notice or lapse of time or both would become an Event of Default) shall have occurred and be continuing.

The Lessee shall, whenever reasonably requested by the Lessor, submit to the Lessor copies of returns, statements, reports, billings and remittances, or furnish other evidence satisfactory to the Lessor of the Lessee's performance of its duties under this § 6. The Lessee shall also furnish promptly upon request such data as the Lessor reasonably may require to permit the Lessor's compliance with the requirements of taxing jurisdictions.

The amount which the Lessee shall be required to pay with respect to any imposition which is subject to indemnification under this § 6 shall be an amount sufficient to restore the Lessor to the same net after-tax rate of return and after-tax cash position, after considering the effect of such payment on its United States Federal income taxes and state and city income taxes or franchise taxes based on net income, that the Lessor would have been in had such imposition not been imposed.

§ 7. Maintenance; Casualty Occurrences; Insurance. The Lessee agrees that, at Lessee's own cost and expense, it will be responsible for ordinary maintenance and repairs required to maintain and keep all of the Units which are subject to this Lease in good operating order, repair and condition and eligible for interchange service. In addition, the Lessee agrees that, at Lessee's own cost and expense, it will be responsible for maintaining all governmental consents, approvals or authorizations required to keep all of the Units which are subject to this Lease eligible for interchange service.

In order to insure that there are sufficient moneys available for the ordinary maintenance and repairs required to be made pursuant to the first sentence of the immediately preceding paragraph, the Lessor agrees to deposit with the Vendor (the fund so created hereinafter called the Maintenance Escrow) on each rent payment date specified in Section 3 hereof, a sum of money equal to two dollars per day for the rental period in question for each unit of Equipment subject to this Lease on any such rent payment date. The Vendor will reimburse or pay the Lessor out of funds on deposit in the

Maintenance Escrow the reasonable cost and expenses incurred by the Lessee in maintaining the Equipment in accordance with the first sentence of the immediately preceding paragraph against presentment to it of evidence, to the satisfaction of the Vendor, of such actual expenditures, or a bill for such cost and expenses, as the case may be. In the event the amount on deposit in the Maintenance Escrow is not sufficient to reimburse the Lessor for, or pay for such repairs, the Lessee agrees to reimburse the Lessor for any such deficiency. In the event that at the end of the lease term, there are funds remaining in the Maintenance Escrow, the Vendor shall distribute such funds to the Lessor. Notwithstanding anything to the contrary contained herein, if a Declaration of Default (as defined in the Security Documentation) is in effect, all moneys held by the Vendor pursuant to this paragraph, shall be distributed by the Vendor to satisfy the obligations of the Lessor under the Security Documentation.

In the event that any Unit shall be or become worn out, lost, stolen, destroyed, or irreparably damaged, from any cause whatsoever, returned to the Builder pursuant to the patent indemnity provisions of the Security Documentation, or taken or requisitioned by condemnation or otherwise by the United States Government or any political subdivision thereof for a stated period which shall exceed the then remaining term of the Security Documentation or for an indefinite period, but only when such period shall exceed the term hereof, or by any other governmental entity resulting in loss of possession by the Lessee for a stated period which shall exceed the remaining term of the Security Documentation or for an indefinite period, but only when such period shall exceed the term hereof (such occurrences being hereinafter called Casualty Occurrences), prior to the return of such Unit in the manner set forth in § 14 hereof, the Lessee shall promptly and fully notify the Lessor and the Vendor with respect thereto. On the November 1, February 1, May 1 or August 1 next succeeding such notice the Lessee shall pay to the Lessor an amount equal to the rental payment or payments, if any, in respect of such Unit due and payable on such date plus a sum equal to the Casualty Value (as hereinafter defined) of such Unit as of the date of such payment in accordance with the schedule referred to below. Upon the making of such payment by the Lessee in respect of any Unit, the rental for such Unit shall cease to accrue, the term of this Lease as to such Unit shall terminate and (except in the case of the loss, theft, complete destruction or return to the Builder of such Unit) the Lessor shall be entitled to recover possession of such Unit and the Lessee shall pay all costs of removal of such Unit and of freight to the place designated pursuant to § 14 hereof.

The Casualty Value of each Unit as of the payment date on which payment is to be made as aforesaid shall be that percentage of the Purchase Price of such Unit as is set forth in Schedule 2 hereto opposite such date.

Whenever any Unit shall suffer a Casualty Occurrence after termination of this Lease at the expiration of the original or extended term hereof and before such Unit shall have been returned in the manner provided in § 14 hereof, the Lessee shall promptly and fully notify the Lessor with respect thereto and pay to the Lessor an amount equal to the Casualty Value of such Unit, which shall be not less than 25% of the Purchase Price of such Unit (unless such termination occurs after the term of this Lease has been extended pursuant to § 13 hereof, in which case the amount of such Casualty Value shall be as agreed upon between the Lessor and the Lessee at the time of such extension). Upon the making of any such payment by the Lessee in respect of any Unit (except in the case of the loss, theft or complete destruction of such Unit), the Lessee shall be entitled to recover possession of such Unit.

The Lessor hereby irrevocably appoints the Lessee its agent to dispose of any Unit suffering a Casualty Occurrence or any component thereof, at the best price obtainable on an "as is, where is" basis. Provided that the Lessee has previously paid the Casualty Value to the Lessor, the Lessee shall be entitled to the proceeds of such sale to the extent they do not exceed the Casualty Value of such Unit, and shall pay any excess to the Lessor.

In the event of the requisition for use (which is not a Casualty Occurrence) by the United States Government or any political subdivision thereof (hereinafter called the Government) of any Unit during the term of this Lease all of the Lessee's obligations under this Lease with respect to such Unit shall continue to the same extent as if such requisition had not occurred, except that if such Unit is returned by the Government at any time after the end of the term of this Lease, the Lessee shall be obligated to return such Unit to the Lessor pursuant to § 11 or 14 hereof, as the case may be, promptly upon such return by the Government rather than at the end of the term of this Lease, but the Lessee shall in all other respects comply with the provisions of said § 11 or 14, as the case may be, with respect to such Unit. All payments received by the Lessor or the Lessee from the Government for the use of such Unit during the term of this Lease shall be paid over to, or retained by, the Lessee provided no Event of Default (or other

event which after notice or lapse of time or both would become an Event of Default) shall have occurred and be continuing; and all payments received by the Lessor or the Lessee from the Government for the use of such Unit after the term of this Lease, shall be paid over to, or retained by, the Lessor.

Except as hereinabove in this § 7 provided, the Lessee shall not be released from its obligations hereunder in the event of, and shall bear the risk of, any Casualty Occurrence to any Unit from and after delivery and acceptance thereof by the Lessee hereunder.

The Lessee will, at all times prior to the return of the Equipment to the Lessor, at its own expense, cause to be carried and maintained property insurance and public liability insurance in respect of the Units at the time subject hereto, in amounts (subject to customary deductibles) and against risks customarily insured against by railroad companies in respect of similar equipment, and, in any event, comparable in amounts and against risks customarily insured against by the Lessee in respect of similar equipment owned by it. If the Lessor shall receive any insurance proceeds or condemnation payments in respect of a Unit suffering a Casualty Occurrence, the Lessor shall, subject to the Lessee's having made payment of the Casualty Value in respect of such Unit, pay such proceeds or condemnation payments to the Lessee up to an amount equal to the Casualty Value with respect to a Unit paid by the Lessee and any balance of such proceeds or condemnation payments shall remain the property of the Lessor. Insurance proceeds received by the Lessor from the Lessee's insurance coverage in respect of any Unit not suffering a Casualty Occurrence shall be paid to the Lessee upon proof satisfactory to the Lessor that any damage to such Unit in respect of which such proceeds were paid has been fully repaired, but only to the extent of the Lessee's costs (including overhead and profit, if applicable) in effecting such repairs. Except as aforesaid, all such insurance proceeds shall be retained by the Lessor.

§ 8. Reports and Inspection. On or before April 30 in each year, commencing with the calendar year 1980, the Lessee will furnish to the Lessor and the Vendor (a) an accurate statement (i) setting forth as at the preceding December 31 the amount, description and numbers of all Units then leased hereunder and covered by the Security Documentation, the amount, description and numbers of all Units that have suffered a Casualty Occurrence during the preced-

ing calendar year or are then undergoing repairs (other than running repairs) or then withdrawn from use pending such repairs (other than running repairs) and such other information regarding the condition and state of repair of the Units as the Lessor or the Vendor may reasonably request, (ii) stating that, in the case of all Units repainted or repaired during the period covered by such statement, the numbers and markings required by § 5 hereof and by the Security Documentation have been preserved or replaced and (iii) stating that the Lessee is in compliance with the insurance provisions of § 7 hereof and setting forth a description of the insurance, if any, in effect with respect to the Equipment pursuant to § 7 hereof and (b) a certification of insurance coverage from the Lessee's independent broker stating the amounts, if any, of such insurance in effect and the amount of deductible. The Lessor, at its sole cost and expense, shall have the right by its agents, to inspect the Units and the Lessee's records with respect thereto at such reasonable times as the Lessor may request during the continuance of this Lease. The Lessee shall promptly notify the Lessor and the Vendor of any material changes or any material proposed changes of which the Lessee has knowledge in its insurance coverage in effect with respect to the Equipment pursuant to § 7 hereof.

The Lessee shall furnish to the Lessor the reports required to be furnished to the Lessor pursuant to Paragraph 9 of the Participation Agreement.

§ 9. Disclaimer of Warranties; Compliance with Laws and Rules; Indemnification. THE LESSOR MAKES NO WARRANTY OR REPRESENTATION, EITHER EXPRESS OR IMPLIED, AS TO THE DESIGN OR CONDITION OF, OR AS TO THE QUALITY OF THE MATERIAL, EQUIPMENT OR WORKMANSHIP IN, THE UNITS DELIVERED TO THE LESSEE HEREUNDER, AND THE LESSOR MAKES NO WARRANTY OF MERCHANTABILITY OR FITNESS OF THE UNITS FOR ANY PARTICULAR PURPOSE OR AS TO TITLE TO THE UNITS OR ANY COMPONENT THEREOF, OR AS TO THE LESSEE'S RIGHT TO QUIET ENJOYMENT THEREOF (EXCEPT AS TO ACTS OF THE LESSOR), OR ANY OTHER REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, WITH RESPECT TO ANY UNIT, EITHER UPON DELIVERY THEREOF TO THE LESSEE OR OTHERWISE NOR SHALL THE LESSOR (EXCEPT AS TO VOLUNTARY ACTS OF LESSOR) BE RESPONSIBLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES (INCLUDING STRICT LIABILITY IN TORT), it being agreed that all such risks, as between the Lessor and the Lessee, are to be borne by the Lessee; but the Lessor hereby irrevocably appoints and constitutes the Lessee its agent and attorney-in-fact during the term of this Lease to assert and enforce from

time to time, in the name of and for the account of the Lessor and/or the Lessee, as their interests may appear, at the Lessee's sole cost and expense, whatever claims and rights the Lessor may have against the Builder under the provisions of Item 3 of Annex A of the Security Documentation; provided, however, that if at any time an Event of Default shall have occurred and be continuing, the Lessor may assert and enforce, at the Lessee's sole cost and expense, such claims and rights. The Lessor shall have no responsibility or liability to the Lessee or any other person with respect to any of the following: (i) any liability, loss or damage caused or alleged to be caused directly or indirectly by any Units or by any inadequacy thereof or deficiency or defect therein or by any other circumstances in connection therewith; (ii) the use, operation or performance of any Units or any risks relating thereto; or (iii) the delivery, operation, servicing, maintenance, repair, improvement or replacement of any Units. The Lessee's delivery of the Certificate of Acceptance, Certificate of Inspection and Lessee's Certificate shall be conclusive evidence as between the Lessee and the Lessor that the Units described therein are in all the foregoing respects satisfactory to the Lessee, and the Lessee will not assert any claim of any nature whatsoever against the Lessor based on any of the foregoing matters.

The Lessee agrees, for the benefit of the Lessor and the Vendor, to comply in all respects (including without limitation, with respect to the use, maintenance and operation of each Unit) with all applicable laws of the jurisdictions in which its operations involving the Units may extend, with all lawful rules of the Department of Transportation, the Interstate Commerce Commission and any other legislative, executive, administrative or judicial body exercising any power or jurisdiction over the Units and with all applicable interchange rules, to the extent that such laws and rules affect the title, operation or use of the Units, and in the event that, prior to the expiration of this Lease or any renewal thereof, such laws or rules require any alteration, replacement, addition or modification of or to any part on any Unit, the Lessee will conform therewith at its own expense; provided, however, that the Lessee may at its own expense, in good faith, contest the validity or application of any such law or rule in any reasonable manner which does not, in the reasonable opinion of the Lessor or the Vendor, adversely affect the property or rights of the Lessor or the Vendor under this Lease or under the Security Documentation.

The Lessee, at its own cost and expense, may furnish other additions, modifications and improvements to the Units during the term of this Lease. Any additions, modifications and improvements made by the Lessee which are readily removable without causing material damage to the Units shall be owned by the Lessee and may be removed by the Lessee at any time during the term of this Lease or any renewal thereof and prior to the return thereof to the Lessor pursuant to § 11 or 14 hereof, except additions, modifications and improvements required to maintain each Unit's eligibility for interchange service or to comply with the provisions of the first paragraph of § 7 or the first sentence of this paragraph.

The Lessee agrees to indemnify, protect and hold harmless the Lessor (in both its individual and fiduciary capacities) and the Vendor from and against all losses, damages, injuries, liabilities, claims (including without limitation claims for strict liability in tort) and demands whatsoever, regardless of the cause thereof, and expenses in connection therewith, including, but not limited to, counsel fees and expenses, patent liabilities, penalties and interest, arising out of or as the result of the entering into or the performance of or the occurrence of a default, an event of default or an Event of Default under the Security Documentation, the Participation Agreement, this Lease, or any sublease entered into pursuant to § 12 hereunder, the ownership of any Unit, the ordering, acquisition, use, operation, condition, purchase, delivery, rejection, storage or return of any Unit or any accident in connection with the operation, use, condition, possession, storage or return of any Unit resulting in damage to property or injury or death to any person, except as otherwise provided in § 14 of this Lease, or the transfer of title to the Equipment by the Vendor pursuant to any provision of the Security Documentation. The indemnities arising under this paragraph shall continue in full force and effect with respect to all events, facts, conditions or other circumstances occurring or existing prior to the expiration or termination of the term of this Lease and return of the Units as provided in § 14 of this Lease; provided, however, that the foregoing indemnification shall not apply to any failure of payment of the principal of or interest on the Conditional Sale Indebtedness and shall not be deemed to operate as a guaranty of the residual value of any Unit. The amount the Lessee shall be required to pay with respect to any of its obligations under this paragraph shall include a payment to the indemnified party sufficient to restore such party to the same position, after considering the effect of

such payment on its United States Federal income taxes and state and city income taxes or franchise taxes based on net income, that the indemnified party would have been in had the liability or expense indemnified against not been incurred.

The Lessee further agrees to indemnify, protect and hold harmless the Vendor and the Builder as third party beneficiaries hereof from and against any and all liability, claims, costs, charges and expenses, including royalty payments and counsel fees, in any manner imposed upon or accruing against the Vendor or the Builder because of the use in or about the construction or operation of any of the Units of any article of material specified by the Lessee and not manufactured by the Builder or of any design, system, process, formula or combination specified by the Lessee and not developed or purported to be developed by the Builder which infringes or is claimed to infringe on any patent or other right. The Lessee will give notice to the Builder of any claim known to the Lessee from which liability may be charged against the Builder under the Security Documentation.

The Lessee shall not be released from its obligations hereunder in the event of any damage to or the destruction or loss of any or all of the Units.

The Lessee agrees to prepare and deliver to the Lessor within a reasonable time prior to the required date of filing (or, to the extent permissible, file on behalf of the Lessor) any and all reports (other than tax returns) to be filed by the Lessor with any federal, state or other regulatory authority by reason of the ownership by the Lessor or the Vendor of the Units or the leasing thereof to the Lessee.

§ 10. Default. If, during the continuance of this Lease, one or more of the following events (each such event being herein sometimes called an Event of Default) shall occur:

(A) default shall be made in payment of any amount provided for in § 3 or § 7 of this Lease and such default shall continue for five business days, or default shall be made in payment of any other amount provided for in this Lease and such default shall continue for five business days;

(B) the Lessee shall make or permit any unautho-

rized assignment or transfer of this Lease, or any interest herein, or of the right to possession of the Units, or any thereof;

(C) default shall be made in the observance or performance of any other of the covenants, conditions and agreements on the part of the Lessee contained herein or in the Participation Agreement, and such default shall continue for 30 days after the earlier of (x) the date of written notice from the Lessor or the Vendor to the Lessee specifying the default and demanding that the same be remedied, or (y) the date a corporate officer of the Lessee first has knowledge of such failure to comply;

(D) a petition for reorganization under Title 11 of the United States Code, as now constituted or hereafter amended, shall be filed by or against the Lessee and, unless such petition shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Lessee under this Lease and the Consent (as defined in the Security Documentation) shall not have been and shall not continue to have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees appointed (whether or not subject to ratification) in such proceedings in such manner that such obligations shall have the same status as obligations incurred by such trustee or trustees within 60 days after such petition shall have been filed;

(E) any other proceedings shall be commenced by or against the Lessee for any relief which includes, or might result in, any modification of the obligations of the Lessee hereunder, under any bankruptcy or insolvency laws, or laws relating to the relief of debtors, readjustments of indebtedness, reorganizations, arrangements, compositions or extensions (other than a law which does not permit any readjustments of the obligations of the Lessee hereunder or under the Consent), and, unless such proceedings shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Lessee under this Lease and the Consent shall not have been and

shall not continue to have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees or receiver or receivers appointed (whether or not subject to ratification) for the Lessee or for the property of the Lessee in connection with any such proceedings in such manner that such obligations shall have the same status as obligations incurred by such a trustee or trustees or receiver or receivers within 60 days after such proceedings shall have been commenced; or

(F) an Event of Default shall have occurred under the Security Documentation;

then, in any such case, the Lessor, at its option, may:

(a) proceed by appropriate court action or actions either at law or in equity, to enforce performance by the Lessee of the applicable covenants of this Lease or to recover damages for the breach thereof; or

(b) by notice in writing to the Lessee terminate this Lease, whereupon all rights of the Lessee to the use of the Units shall absolutely cease and terminate as though this Lease had never been made, but the Lessee shall remain liable as herein provided; and thereupon the Lessor may by its agents enter upon the premises of the Lessee or other premises where any of the Units may be located and take possession of all or any of such Units and thenceforth hold, possess and enjoy the same free from any right of the Lessee, or its successors or assigns, to use the Units for any purpose whatever and the Lessor may, if it so chooses, sell the Units or any Unit or part thereof at public or private sale as the Lessor may determine, free and clear of any right or rights of the Lessee or its successors or assigns, and the Lessor shall, without regard to whether or not Lessor shall have exercised any of the above provided for rights, have a right to recover from the Lessee any and all amounts which may have accrued to the date of such termination (computing the rental for any number of days less than a full rental period by multiplying the rental for such full rental period by a fraction of which the numerator is such accrued number of days in such full rental period and the denominator is the total number of days in such full rental period) and also to recover forthwith from the Lessee (i) as liquidated damages for loss of the bargain and not as a penalty the greater of

(x) a sum, with respect to each Unit, which represents the excess of the present worth, at the time of such termination, of all rentals for such Unit which would otherwise have accrued hereunder from the date of such termination to the end of the term of this Lease over the then present worth of the then Fair Market Rental Value of such Unit for such period (computed by discounting, from the end of such term to the date of such termination, rentals which the Lessor reasonably estimates to be obtainable for the use of the Unit during such period), such present worth to be computed in each case on the basis of a 6% per annum discount, compounded annually from the respective dates upon which rentals would have been payable hereunder had this Lease not been terminated; or (y) a sum, with respect to each Unit, which represents the excess of the Casualty Value, at the time of such termination, over the actual sale price of such Unit (if such Unit has theretofore been sold as above provided for) or the Fair Market Sale Value of such Unit (computed on the basis of the value which would obtain in an arm's length transaction between an informed and willing buyer/user [other than (i) a lessee currently in possession or (ii) a used equipment dealer] and an informed and willing seller under no compulsion to sell); plus (in the case of either (x) or (y) above) interest (to the extent allowed by law) at the rate of 15% per annum on any sum due pursuant to subparagraph (x) or subparagraph (y) above from the time of such termination to the date of payment, and (ii) any damages and expenses (in addition to any recovered with respect to the loss of the bargain, as specifically provided for above) including, but not limited to, all costs related to the collection of any sum due hereunder (including reasonable attorneys' fees), maintenance and sale of the Units, appraisers' fees, etc., which the Lessor shall have sustained by reason of the breach of any covenant or covenants of this Lease. The "Fair Market Rental Value" or the "Fair Market Sales Value" of any Unit shall be as specified in an appraisal by a recognized independent railroad equipment appraiser chosen by the Lessor; or

(c) recover from the Lessee, for application towards any amount due hereunder, any and all per diem payments and incentive per diem payments made to the Lessee for use of the Units and any and all rental payments paid to the Lessee by any sublessee of the

Units, any and all of which the Lessee agrees it will hold in trust for the Lessor upon any Event of Default hereunder.

The Lessee acknowledges that the right of the Lessor to repossess the Equipment shall not be affected by the filing of a petition by or against the Lessee for reorganization under Title 11 of the United States Code, as now constituted or hereafter amended, or by the commencement by or against the Lessee, of any other proceeding for any relief under any bankruptcy or insolvency laws, or laws relating to the relief of debtors, readjustments of indebtedness, reorganizations, arrangements, compositions or extensions except to the extent provided under Title 11 of the United States Code, as now constituted or hereafter amended.

The remedies in this Lease provided in favor of the Lessor shall not be deemed exclusive, but shall be cumulative and may be exercised concurrently or consecutively, and shall be in addition to all other remedies in its favor existing at law or in equity. The Lessee hereby waives any mandatory requirements of law, now or hereafter in effect, which might limit or modify the remedies herein provided, to the extent that such waiver is not, at the time in question, prohibited by law. The Lessee hereby waives any and all existing or future claims to any offset against the rental payments due hereunder, and agrees to make such payments regardless of any offset or claim which may be asserted by the Lessee or on its behalf.

The failure of the Lessor to exercise the rights granted it hereunder upon the occurrence of any of the contingencies set forth herein shall not constitute a waiver of any such right upon the continuation or recurrence of any such contingencies or similar contingencies.

§ 11. Return of Units Upon Default. If this Lease shall terminate pursuant to § 10 hereof, the Lessor may, upon such further notice, if any, as may be required for compliance with any mandatory legal requirements then in force and applicable to the action to be taken by the Lessor, take or cause to be taken by its agent or agents, immediate possession of each of the Units, or one or more of the Units and may remove the same from possession and use of the Lessee or any other person and for such purpose may enter upon the premises of the Lessee or any other premises where the Units may be located and may use and employ in connection with such removal any supplies, services and aids and any available

trackage and other facilities or means of the Lessee, subject to all mandatory requirements of due process of law.

If this Lease shall terminate pursuant to § 10 hereof, the Lessee shall forthwith deliver possession of the Units to the Lessor. Each Unit so delivered shall be in the same operating order, repair and condition as when originally delivered to the Lessee, ordinary wear and tear excepted. For the purpose of delivering possession of any Unit or Units to the Lessor as above required, the Lessee shall at its own cost, expense and risk:

(a) forthwith and in the usual manner place such Units upon such storage tracks of the Lessee or any of its affiliates as the Lessor reasonably may designate;

(b) permit the Lessor to store such Units on such tracks at the risk of the Lessee without charge for insurance, rent or storage until such Units have been sold, leased or otherwise disposed of by the Lessor; and

(c) transport the same to any place on the lines of railroad operated by the Lessee or any of its affiliates or to any connecting carrier for shipment, all as directed by the Lessor.

The assembling, delivery, storage, insurance and transporting of the Units as hereinbefore provided shall be at the expense and risk of the Lessee and are of the essence of this Lease, and upon application to any court of equity having jurisdiction in the premises the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so to assemble, deliver, store and transport the Units. During any storage period, the Lessee will, at its own cost and expense, maintain and keep the Equipment in good order and repair and will permit the Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser, lessee or user of any such Unit, to inspect the same. All amounts earned in respect of the Units after the date of termination of this Lease shall belong to the Lessor and, if received by the Lessee, shall be promptly turned over to the Lessor. In the event any Unit is not assembled, delivered and stored, as hereinabove provided, within 60 days after such termination the Lessee shall, in addition, pay to the Lessor for each day thereafter an amount equal to the amount, if any, by which the product of (i) a fraction the numerator of which is 14% and the denominator

of which is 360, and (ii) the Purchase Price of such Unit for each such day exceeds the actual earnings received by the Lessor on such Unit for each such day; such payment shall not affect the obligation of the Lessee to redeliver the Equipment pursuant to the first sentence of this paragraph.

Without in any way limiting the obligation of the Lessee under the foregoing provisions of this § 11, the Lessee hereby irrevocably appoints the Lessor as the agent and attorney of the Lessee, with full power and authority, at any time while the Lessee is obligated to deliver possession of any Unit to the Lessor, to demand and take possession of such Unit in the name and on behalf of the Lessee from whomsoever shall be in possession of such Unit at the time.

§ 12. Assignment; Possession and Use. This Lease shall be assignable in whole or in part by the Lessor without the consent of the Lessee, but the Lessee shall be under no obligation to any assignee of the Lessor except upon written notice of such assignment from the Lessor, provided that no assignment for other than security purposes shall be made without the consent of the Lessee, which consent shall not be unreasonably withheld. All the rights of the Lessor hereunder (including, but not limited to, the rights under §§ 6, 7 and 10 and the rights to receive the rentals payable under this Lease) shall inure to the benefit of the Lessor's assigns.

So long as the Lessee shall not be in default under this Lease and the Lessee shall have fully complied with the provisions of the fourth paragraph of this § 12, the Lessee shall be entitled to the possession and use of the Units and, without the Lessor's consent, to sublease the Units to, or to permit their use by, a user incorporated in the United States of America (or any State thereof or the District of Columbia), upon lines of railroad owned or operated by the Lessee or such user or by a railroad company or companies incorporated in the United States of America (or any State thereof or the District of Columbia), or over which the Lessee, such user, or such railroad company or companies have trackage rights or rights for operation of their trains, and upon the lines of railroad of connecting and other carriers in the usual interchange of traffic or in through or run-through service, but only upon and subject to all the terms and conditions of this Lease; provided, however, that the Lessor's consent, not to be unreasonably withheld, must be obtained for any sublease or user agreement that is not terminable on demand; provided further, however, that the

Lessee shall not sublease or permit the sublease or use of any Unit to service involving regular operation and maintenance outside the United States of America; and provided further, however, that any such sublease or use shall be consistent with the provisions of Paragraph 11 of the Participation Agreement. No such assignment or sublease shall relieve the Lessee of its obligations hereunder which shall be and remain those of principal and not a surety.

Any such sublease may provide that the sublessee, so long as it shall not be in default under such sublease, shall be entitled to the possession of the Units included in such sublease and the use thereof; provided, however, that every such sublease shall be subject to the rights and remedies of the Vendor under the Security Documentation and the Lessor under this Lease in respect of the Units covered by such sublease upon the occurrence of an Event of Default thereunder or hereunder.

The Lessee, at its own expense, will as soon as possible cause to be duly discharged any lien, charge, security interest or other encumbrance (except any sublease as aforesaid and other than an encumbrance resulting from claims against the Lessor, the Vendee or the Vendor not related to the ownership or leasing of, or the security title of the Vendor to, the Units) which may at any time be imposed on or with respect to any Unit including any accession thereto or the interest of the Lessor, the Vendor or the Lessee therein; except that this covenant will not be breached by reason of liens for taxes, assessments or governmental charges or levies, in each case not due and delinquent or undetermined or inchoate materialmen's, mechanics', workmen's, repairmen's or other like liens arising in the ordinary course of business and, in each case, not delinquent; and, furthermore, the Lessee shall be under no obligation to discharge any such lien, charge, security interest or encumbrance so long as it is contesting the same in good faith and by appropriate legal proceedings and the failure to discharge the same does not, in the reasonable opinion of the Lessor and the Vendor, adversely affect the title, property or rights of the Lessor hereunder or the Vendor under the Security Documentation.

Nothing in this § 12 shall be deemed to restrict the right of the Lessee to assign or transfer its leasehold interest under this Lease in the Units or possession of the Units to any railroad corporation incorporated under the laws

of any state of the United States of America or the District of Columbia (which shall have duly assumed the obligations of the Lessee hereunder) into or with which the Lessee shall have become merged or consolidated or which shall have acquired or leased all or substantially all the lines of railroad of the Lessee; provided, however, that such assignee, lessee or transferee will not, upon the effectiveness of such merger, consolidation, lease or acquisition be in default under any provision of this Lease and that such acquisition or lease of railroad lines of the Lessee shall not alter in any way the Lessee's obligation to the Lessor and Vendor hereunder which shall be and remain those of a principal and not a surety.

§ 13. Renewal Options. Provided that this Lease has not been earlier terminated and the Lessee is not in default hereunder, the Lessee may by written notice delivered to the Lessor not less than six months prior to the end of the original term of this Lease elect to extend the term of this Lease in respect of all but not fewer than all of the Units then covered by this Lease, for a five-year period commencing on the scheduled expiration of the original term of this Lease. Such extension shall be on the same terms and conditions as are contained in this Lease.

§ 14. Return of Units upon Expiration of Lease Term. As soon as practicable on or after the expiration of the original term or the extended term of this Lease, the Lessee will, at its own cost and expense, at the request of the Lessor, deliver possession of such Unit to the Lessor upon such storage tracks of the Lessee as the Lessee may reasonably designate, in such city on the lines of Lessee as Lessor may reasonably designate, or in the absence of Lessor's designation, in such city on the lines of Lessee as Lessee may designate, and permit the Lessor to store such Unit on such tracks for a period not exceeding sixty days and transport the same, at any time within such sixty day period, to any reasonable place on the lines of railroad operated by the Lessee, or to any connecting carrier for shipment, all as directed by the Lessor, the movement and storage of such Units to be at the expense and risk of the Lessee. During any such storage period the Lessee will permit the Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser, lessee or user of such Unit, to inspect the same; provided, however, that the Lessee shall not be liable, except in the case of negligence of the Lessee or of its employees or

agents, for any injury to, or the death of, any person exercising, either on behalf of the Lessor or any prospective purchaser, lessee or user, the rights of inspection granted under this sentence. Each Unit returned to the Lessor pursuant to this § 14 shall (i) be in the same operating order, repair and condition as when originally delivered to the Lessee, ordinary wear and tear excepted, and (ii) except for additions, modifications and improvements which the Lessee is entitled to remove under the provisions of § 9 of this Lease, meet all operating standards then in effect under the applicable rules of any governmental agency or other organization with jurisdiction. The assembling, delivery, storage and transporting of the Units as hereinbefore provided are of the essence of this Lease, and upon application to any court of equity having jurisdiction in the premises, the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so to assemble, deliver, store and transport the Units. All amounts earned in respect of the Units after the date of termination of this Lease shall belong to the Lessor and, if received by the Lessee, shall be promptly turned over to the Lessor. In the event any Unit is not assembled, delivered and stored, as hereinabove provided, within 60 days after such termination, the Lessee shall, in addition, pay to the Lessor for each day thereafter an amount equal to the amount, if any, by which the product of (i) a fraction the numerator of which is 13.125% and the denominator of which is 360, and (ii) the Purchase Price of such Unit for each such day, exceeds (iii) the actual earnings received by the Lessor on such Unit for each such day.

§ 15. Recording. The Lessee, at its own expense, will cause this Lease, the Security Documentation and any assignment hereof or thereof to be filed and recorded with the Interstate Commerce Commission pursuant to 49 U.S.C. § 11303. The Lessee will undertake the filing, registering, deposit, and recording required of the Lessor under the Security Documentation and will from time to time do and perform any other act and will execute, acknowledge, deliver, file, register, record (and will refile, reregister, deposit and redeposit or rerecord whenever required) any and all further instruments required by law or reasonably requested by the Lessor or the Vendor for the purpose of proper protection, to their satisfaction, of the Vendor's and the Lessor's respective interests in the Units, or for the purpose of carrying out the intention of this Lease, the Security Documentation and the assignment thereof to the Vendor; and

the Lessee will promptly furnish to the Vendor and the Lessor evidence of all such filing, registering, depositing or recording, and an opinion or opinions of counsel for the Lessee with respect thereto satisfactory to the Vendor and the Lessor. This Lease and the Security Documentation shall be filed and recorded with the Interstate Commerce Commission prior to the delivery and acceptance hereunder of any Unit.

§ 16. Interest on Overdue Rentals. Anything to the contrary herein contained notwithstanding, any nonpayment of rentals and other obligations due hereunder shall result in the obligation on the part of the Lessee promptly to pay, to the extent legally enforceable, interest at a rate per annum equal to 15% on the overdue rentals and other obligations for the period of time during which they are overdue or such lesser amount as may be legally enforceable.

§ 17. Notices. Any notice required or permitted to be given by either party hereto to the other shall be deemed to have been given when mailed, first class, postage prepaid, addressed as follows:

(a) if to the Lessor,

1000 RIDC Plaza,
Pittsburgh, Pennsylvania 15238
Attention of President.

(b) if to the Lessee,

P. O. Box 404
Conshohocken, Pennsylvania 19428
Attention of President.

or addressed to either party at such other address as such party shall hereafter furnish to the other party in writing. Copies of each such notice shall be given to the Vendor at P.O. Box 118, Hartford, Connecticut 06101, Attention of Intermediate Term Lending-Commercial Division.

§ 18. Severability; Effect and Modification of Lease. Any provision of this Lease which is prohibited or unenforceable in any jurisdiction, shall be, as to such jurisdiction, ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability

in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Except for the Participation Agreement, this Lease exclusively and completely states the rights of the Lessor and the Lessee with respect to the leasing of the Units and supersedes all other agreements, oral or written, with respect thereto. No variation or modification of this Lease and no waiver of any of its provisions or conditions shall be valid unless in writing and signed by duly authorized signatories for the Lessor and the Lessee.

§ 19. Execution. This Lease may be executed in several counterparts, such counterparts together constituting but one and the same instrument, but the counterpart delivered to the Vendor pursuant to the assignment hereof to the Vendor shall be deemed to be the original and all other counterparts shall be deemed duplicates thereof. Although for convenience this Lease is dated as of the date first set forth above, the actual date or dates of execution hereof by the parties hereto is or are, respectively, the date or dates stated in the acknowledgments hereto annexed.

§ 20. Law Governing. The terms of this Lease and all rights and obligations hereunder shall be governed by the laws of the Commonwealth of Pennsylvania; provided, however, that the parties shall be entitled to all rights conferred by 49 U.S.C. § 11303.

IN WITNESS WHEREOF, the parties hereto have executed or caused this instrument to be executed as of the date first above written.

ASSIGNMENT OF LEASE AGREEMENT

Dated as of May 1, 1979

between

FUNDING SYSTEMS RAILCARS, INC.

and

AETNA BUSINESS CREDIT, INC.

ASSIGNMENT OF LEASE AND AGREEMENT dated as of May 1, 1979, by and between FUNDING SYSTEMS RAILCARS, INC. (hereinafter called the Lessor or the Vendee), and AETNA BUSINESS CREDIT, INC. (hereinafter called the Vendor).

The Vendee has entered into a Conditional Sale Agreement No. 2 dated as of October 26, 1978 (hereinafter called the Security Documentation), with Shenandoah-Virginia Corporation (hereinafter called the Builder), providing for the sale to the Vendee of such units of railroad equipment (hereinafter called the Units) described in Annex B thereto as are delivered to and accepted by the Vendee thereunder.

The Lessor and Upper Merion and Plymouth Railroad Company (hereinafter called the Lessee) have entered into a Lease of Railroad Equipment dated as of the date hereof (hereinafter called the Lease), providing for the leasing by the Lessor to the Lessee of the Units.

In order to provide security for the obligations of the Lessor under the Security Documentation and as an inducement to the Vendor to invest in the Conditional Sale Indebtedness (as that term is defined in the Security Documentation), the Lessor agrees to assign for security purposes its rights in, to and under the Lease to the Vendor.

In addition, the Vendee will assign to the Vendor as further collateral security for the obligations of the Vendee under the Security Documentation, its leasehold interest in the Units as lessee arising under the Agreement of Lease dated October 30, 1978 (hereinafter called the "Leaseback"), between Refco Rail Equipment, Inc. (hereinafter called "Refco"), and the Vendee, the Vendee having transferred to Refco its interest in the Units subject and subordinate to the prior rights of the Vendor under the Security Documentation and the Lessee under the Lease.

NOW, THEREFORE, in consideration of the premises and of the payments to be made and the covenants hereinafter mentioned to be kept and performed, the parties hereto agree as follows:

1. The Lessor hereby assigns, transfers and sets over unto the Vendor, as collateral security for the payment

and performance of the obligations of the Lessor as Vendee under the Security Documentation, all the Lessor's right, title and interest, powers, privileges, and other benefits under the Lease, including, without limitation, the immediate right to receive and collect all rentals, profits and other sums payable to or receivable by the Lessor from the Lessee under or pursuant to the provisions of the Lease whether as rent, casualty payment, indemnity, liquidated damages, maintenance escrow or otherwise (such moneys being hereinafter called the Payments), and the right to make all waivers and agreements, to give all notices, consents and releases, to take all action upon the happening of an Event of Default specified in the Lease, and to do any and all other things whatsoever which the Lessor is or may become entitled to do under the Lease. In furtherance of the foregoing assignment, the Lessor hereby irrevocably authorizes and empowers the Vendor in its own name, or in the name of its nominee, or in the name of the Lessor or as its attorney, to ask, demand, sue for, collect and receive any and all Payments to which the Lessor is or may become entitled under the Lease, and to enforce compliance by the Lessee with all the terms and provisions thereof.

The Vendor agrees to accept any Payments made by the Lessee for the account of the Lessor pursuant to the Lease. To the extent received, the Vendor will apply such Payments to satisfy the obligations of the Lessor under the Security Documentation and, so long as no event of default or event which with the lapse of time and/or demand provided for in the Security Documentation could constitute an event of default thereunder, shall have occurred and be continuing, any balance (other than the maintenance escrow contemplated by Section 7 of the Lease) shall be paid to the Lessor on the same date such Payment is applied to satisfy such obligations of the Lessor, by check mailed to the Lessor on such date or, upon written request of the Lessor, by bank wire to the Lessor at such address as may be specified to the Vendor in writing, and such balance shall be retained by the Lessor. The Vendor shall notify the Lessor at the address set forth in the Lease if the Vendor shall not receive any rental payment under the first paragraph of § 3 of the Lease when due; provided, however, that the failure of the Vendor to so notify the Lessor shall not affect the obligations of the Lessor hereunder or under the Security Documentation.

In order to provide additional security for the obligations of the Vendee under the Security Documentation,

the Vendee hereby assigns and transfers unto the Vendor as additional collateral security for the payment and performance of the obligations of the Vendee under the Security Documentation, all the Vendee's leasehold interest under the Leaseback, insofar as the same shall relate to the Units. The Vendor shall have the rights of a secured party with respect to the leasehold interest described in this paragraph upon the occurrence of an event of default under the Security Documentation and the Vendor shall be entitled to hold and dispose of such collateral in the manner set forth in Article 16 of the Security Documentation.

2. This Assignment is executed only as collateral security and, therefore, the execution and delivery of this Assignment shall not subject the Vendor to, or transfer, or pass, or in any way affect or modify the liability of the Lessor under the Lease, it being understood and agreed that notwithstanding this Assignment or any subsequent assignment for security purposes, all obligations of the Lessor to the Lessee shall be and remain enforceable by the Lessee, its successors and assigns, against, and only against, the Lessor or persons other than the Vendor.

3. The Lessor will faithfully abide by, perform and discharge each and every obligation, covenant and agreement which the Lease provides are to be performed by the Lessor; without the written consent of the Vendor, the Lessor will not anticipate the rents under the Lease or waive, excuse, condone, forgive or in any manner release or discharge the Lessee thereunder of or from the obligations, covenants, conditions and agreements to be performed by the Lessee, including, without limitation, the obligation to pay the rents in the manner and at the time and place specified therein or enter into any agreement amending, modifying or terminating the Lease and the Lessor agrees that any amendment, modification or termination thereof without such consent shall be void.

4. The Lessor does hereby constitute the Vendor the Lessor's true and lawful attorney, irrevocably, with full power (in the name of the Lessor, or otherwise), to ask, require, demand, receive, compound and give acquittance for any and all Payments due and to become due under or arising out of the Lease to which the Lessor is or may become entitled, to enforce compliance by the Lessee with all the terms and provisions of the Lease, to endorse any checks or other instruments or orders in connection

therewith and to file any claims or take any action or institute any proceedings which to the Vendor may seem to be necessary or advisable in the premises.

5. Upon the full discharge and satisfaction of all sums due from the Lessor under the Security Documentation, this Assignment and all rights herein assigned to the Vendor shall terminate, and all estate, right, title and interest of the Vendor in and to the Lease shall revert to the Lessor.

6. The Lessor will pay and discharge any and all claims, liens, charges or security interests (other than those created by the Security Documentation) on the Lease or the rentals or other payments due or to become due thereunder claimed by any party from, through or under the Lessor or its successors and assigns (other than the Vendor but including Refco), which, if unpaid, might become a claim, lien, charge or security interest on or with respect to the Lease or rentals or other payments equal or superior to the Vendor's interest therein, unless the Lessor shall be contesting the same in good faith by appropriate proceedings in any reasonable manner and the nonpayment thereof does not, in the opinion of the Vendor, adversely affect such interests of the Vendor.

7. The Lessor will, from time to time, execute, acknowledge and deliver any and all further instruments required by law or reasonably requested by the Vendor in order to confirm or further assure the interest of the Vendor hereunder.

8. The Vendor may assign all or any of the rights assigned to it hereby or arising under the Lease, including, without limitation, the right to receive any Payments due or to become due. In the event of any such assignment, any such subsequent or successive assignee or assignees shall, to the extent of such assignment, enjoy all the rights and privileges and be subject to all the obligations of the Vendor hereunder.

9. This Assignment shall be governed by the laws of the Commonwealth of Pennsylvania, but the parties shall be entitled to all rights conferred by 49 U.S.C. § 11303. The counterpart of this Assignment delivered to the Vendor shall be deemed to be the original and all other counterparts shall be deemed duplicates thereof.

10. The Lessor shall cause copies of all notices received in connection with the Lease and all Payments hereunder to be promptly delivered or made to the Vendor at its address set forth in Article 20 of the Security Documentation, or at such other address as the Vendor shall designate.

11. The Vendor hereby agrees with the Lessor that the Vendor will not, so long as no event of default under the Security Documentation has occurred and is continuing, exercise or enforce, or seek to exercise or enforce, or avail itself of, any of the rights, powers, privileges, authorizations or benefits which are assigned and transferred by the Lessor to the Vendor by this Assignment to the extent they are for the sole benefit of the Lessor and not required to satisfy the obligations of the Lessor under the Security Documentation, without the prior consent of the Lessor.

12. This Assignment may be executed in any number of counterparts, all of which together shall constitute a single instrument, but the counterpart delivered to the Vendor shall be deemed to be the original and all other counterparts shall be deemed to be duplicates thereof. It shall not be necessary that any counterpart be signed by both parties so long as each party shall sign at least one counterpart.

IN WITNESS WHEREOF, the parties hereto have caused this instrument to be executed in their respective corporate names by officers thereunto duly authorized, and their respective seals to be affixed and duly attested, all as of the date first above written.
